REQUEST FOR PROPOSAL
Division of Rehabilitation Services
DRS080451

PART 1 GENERAL INFORMATION, TERMS AND CONDITIONS

1.1 Purpose:

The Acquisition and Contract Administration Section of the Purchasing Division, hereinafter referred to as "State", is soliciting proposals for the Department of Education and the Arts, Rehabilitation Services Division, hereinafter referred to as "Agency", to provide third party administration of the State Use Program. This solicitation serves as notice, pursuant to West Virginia Code §5A-3-10c, of the commodity or service being sought and is to be considered the opportunity for vendors to indicate their interest in bidding on such commodity or service.

1.2 Project:

The mission or purpose of the project is to solicit a non-profit organization to serve as a third party administrator for the State Use Program.

1.3 RFP Format:

This RFP has four parts. "Part 1" contains general information, terms and conditions; "Part 2" describes the background and working environment of the project; "Part 3" is a statement of the specifications for the services requested pursuant to this RFP, contractual requirements, and special terms and conditions; and "Part 4" explains the required format of the Bidder's response to the RFP, the evaluation criteria the State will use in evaluating the proposals received and how the evaluation will be conducted.

1.4 Inquiries:

Additional information inquiries regarding specifications of this RFP must be submitted in writing to the State Buyer with the exception of questions regarding the proposal submission which may be oral. The deadline for written inquiries is identified in the Schedule of Events, Section 1.16. All inquiries of specification clarification must be addressed to:

Shelly Murray, Senior Buyer
Purchasing Division
2019 Washington Street, East
P.O. Box 50130
Charleston, WV 25305-0130
Fax: (304) 558-4115

The vendor, or anyone on the vendor's behalf, is not permitted to make any contact whatsoever with any member of the evaluation committee. Violation may result in rejection of the bid. The State Buyer named above is the sole contact for any and all inquiries after this RFP has been released.

1.5 Vendor Registration:

Vendors participating in this process should complete and file a **Vendor Registration and Disclosure Statement** (Form WV-1) and remit the registration fee. Vendor is not required to be a registered vendor in order to submit a proposal, but the **successful bidder must register and pay the fee prior to the award of an actual purchase order or contract.**

1.6 Oral Statements and Commitments:

Vendor must clearly understand that any verbal representation made or assumed to be made during any oral discussion held between Vendor's representatives and any State personnel is **not** binding. Only the information issued in writing and added to the Request for Proposal specifications file by an official written addendum are binding.

1.7 Economy of Preparation:

Proposals should be prepared simply and economically, providing a straightforward, concise description of Vendor's abilities to satisfy the requirements of the RFP. Emphasis should be placed on completeness and clarity of content.

1.8 Labeling of RFP Sections:

The sections within this RFP contain instructions governing how the Vendor's proposal is to be arranged, submitted and to identify the material to be included therein.

1.8.1 Mandatory Requirements.

The mandatory sections included in part 3 and 4 require a response, and they describe the minimum requirements requested in this RFP. Any specification or statement containing the word "must", "shall, or "will" are mandatory. The Vendor is required to meet the mandatory specifications in order to be eligible for consideration and to continue in the evaluation process. A simple "yes" or "no" response to these sections is not adequate. Failure to meet mandatory items shall result in disqualification of the Vendor's proposal and the evaluation process terminated for that vendor. Decisions regarding compliance with the intent of any mandatory specification shall be at the sole discretion of the State.

1.8.2 Contract Terms and Conditions:

This Request for Proposals contains all the contractual terms and conditions under which the State of West Virginia will enter into a contract.

1.8.3 Informational Sections:

All non-mandatory information specifications do not require a response from the Vendor. They are intended to aid the vendor in structuring an effective proposal capable of meeting the needs of the issuing agency.

1.9 Proposal Format and Submission:

1.9.1 Vendors must complete a response to all mandatory specifications in order to be considered. Each proposal should be formatted as per the outline in Part 4 of this RFP. No other arrangement or distribution of the proposal information may be made by the bidder. Failure on the part of the bidder to respond to specific requirements detailed in

the RFP may be the basis for disqualification of the proposal. The State reserves the right to waive any informality in the proposal format and minor irregularities.

1.9.2 State law requires that the original technical and cost proposal be submitted to the Purchasing Division. All proposals must be submitted to the Purchasing Division **prior** to the date and time stipulated in the RFP as the opening date. All bids will be dated and time stamped to verify official time and date of receipt.

1.9.3 Vendors mailing proposals should allow sufficient time for mail delivery to ensure timely arrival. In accordance with West Virginia Code §5A-3-11, the Purchasing Division cannot waive or excuse late receipt of a proposal which is delayed and late for any reason. Any proposal received after the bid opening date and time will be immediately disqualified in accordance with State law and the administrative rules and regulations.

Vendors responding to this RFP shall submit:

One original technical and cost
plus 5 convenience copies to:

Purchasing Division
2019 Washington Street, East
P.O. Box 50130
Charleston, WV 25305-0130

The outside of the envelope or package(s) should be clearly marked:

Buyer: SM-31
Req#: DRS080451
Opening Date: 12/19/2007
Opening Time: 1:30 pm

1.9.4. Best Value Purchasing Standard Format

All Requests for Proposals should follow the standard format defined by the Purchasing Division. This format addresses required areas and enables the agency to modify the background and scope of work to meet its needs.

1.9.4.1 *Evaluation Criteria:* All evaluation criteria must be clearly defined in the specifications section and based on a 100 point total score. Based on a 100 point total, cost shall represent a minimum of 30 of the 100 total points in the criteria.

1.9.4.2 *Proposal Format and Content:* Proposals shall be requested and received in two distinct parts: Technical and Cost. The cost portion shall be sealed in a separate envelope and will not be opened initially.

1.9.4.3 *Technical Bid Opening:* The Purchasing Division will open only the technical proposals on the date and time specified in the Request for Proposal. The Purchasing Division representative will read aloud the names of those who responded to the solicitation. The Purchasing Division Buyer will confirm that the original packages contain a separately sealed cost proposal prior to providing the courtesy copies to the agency to begin the evaluation process.

1.9.4.4 *Technical Evaluation*: The pre-selected, approved evaluation committee will review the technical proposals, deduct appropriate points for deficiencies and make a final written consensus recommendation to the Purchasing Division Buyer. If the Buyer approves the committee's recommendation, the technical evaluation will be forwarded to an internal review committee within the Purchasing Division.

1.9.4.5 *Cost Bid Opening*: Upon approval of the technical evaluation from the internal review committee, the Purchasing Division shall schedule a time and date to publicly open and read aloud the cost proposals. The agency and the vendors shall be notified of this date.

1.9.4.6 *Cost Evaluation and Resident Vendor Preference*: The evaluation committee will review the cost proposals, assign appropriate points and make a final consensus recommendation to the Purchasing Division. In accordance with West Virginia Code §5A-3-37, the Purchasing Division will make the determination of the Resident Vendor Preference, if applicable. Resident Vendor Preference provides an opportunity for qualifying vendors to request at the time of bid preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the West Virginia Code. A certificate of application is used to request this preference. A West Virginia vendor may be eligible for two 2.5% preferences in the evaluation process.

1.9.4.7 *Contract Approval and Award*: After the cost proposals have been opened, the evaluation committee completes its review and prepares the final evaluation making its recommendation for contract award based on the highest scoring vendor. The final evaluation is submitted to the Purchasing Division buyer. Once approved by the buyer, the final evaluation must be reviewed and approved by the Purchasing Division internal review committee. The contract is prepared and signed in the Purchasing Division, forwarded to the Attorney General's Office for approval as to form, encumbered and mailed to the appropriate parties.

1.10 Rejection of Proposals:

The State shall select the best value solution according to the evaluation criteria. However, the State reserves the right to accept or reject any or all proposals, in part or in whole at its discretion. The State reserves the right to withdraw this RFP at any time and for any reason. Submission of, or receipt by the State of proposals confers no rights upon the bidder nor obligates the State in any manner.

A contract based on this RFP and the Vendor's proposal, may or may not be awarded. Any contract resulting in an award from this RFP is not valid until properly approved and executed by the Purchasing Division and approved as to form by the Attorney General.

1.11 Incurring Costs:

The State and any of its employees or officers shall not be held liable for any expenses incurred by any bidder responding to this RFP for expenses to prepare, deliver the proposal, or to attend any mandatory prebid meeting or oral presentations.

1.12 Addenda:

If it becomes necessary to revise any part of this RFP, an official written addendum will be issued by the State to all bidders of record.

1.13 Independent Price Determination:

A proposal will not be considered for award if the price in the proposal was not arrived at independently without collusion, consultation, communication or agreement as to any matter relating to prices with any competitor unless the proposal is submitted as a joint venture.

1.14 Price Quotations:

The price(s) quoted in the bidder's proposal will not be subject to any increase and will be considered firm for the life of the contract unless specific provisions have been provided for adjustment in the original contract.

1.15 Public Record:

1.15.1 Submissions are Public Record.

All documents submitted to the State Purchasing Division related to purchase orders or contracts are considered public records. Vendor shall be responsible for selecting, supervising and compensating any and all individuals employed pursuant to the terms of this RFP and resulting contract. Neither the Vendor, nor any employees or contractors of the vendor, shall be deemed to be employees of the State for any purposes whatsoever.

The "reasonable time" period shall not exceed twelve (12) months. During the "reasonable time" period Vendor may terminate the contract for any reason upon giving the Agency ninety (90) days written notice. Notice by Vendor of intent to terminate will not relieve Vendor of the obligation to continue to provide services pursuant to the terms of the contract.

Any change in Federal or State law, or court actions which constitute binding precedent in West Virginia, and which significantly alters the Vendor's required activities or any change in the availability of funds, shall be viewed as binding and shall warrant good

faith renegotiation of the compensation paid to the Vendor by the Agency and of such other provisions of the contract that are affected. If such renegotiation proves unsuccessful, the contract may be terminated by the State upon written notice to the Vendor at least thirty (30) days prior to termination of this contract.

If changes to the original contract become necessary, a formal contract change order will be negotiated by the State, the Agency and the Vendor, to address changes to the terms and conditions, costs of work included under the contract. An approved contract change order is defined as one approved by the Purchasing Division and approved as to form by the West Virginia Attorney General's Office, encumbered and placed in the U.S. Mail prior to the effective date of such amendment. An approved contract change order is required whenever the change affects the payment provision or the scope of the work. Such changes may be necessitated by new and amended Federal and State regulations and requirements.

As soon as possible after receipt of a written change request from the Agency, but in no event more than thirty (30) days thereafter, the Vendor shall determine if there is an impact on price with the change requested and provide the Agency a written statement to identifying any price impact on the contract or to state that there is no impact. In the event that price will be impacted by the change, the Vendor shall provide a description of the price increase or decrease involved in implementing the requested change.

PART 2 OPERATING ENVIRONMENT

2.1 Location:

This contract requires statewide service delivery. The vendor should operate an office within the State of West Virginia.

2.2 Background:

The West Virginia State Use Program was established in 1984 and was amended in 1989 to include a Central Nonprofit Agency (CNA) to administer the program. The Governor's Committee for the Purchase of Commodities and Services from the Handicapped was established to monitor the performance of the CNA. The purpose of the program is to encourage the employment of people with disabilities so that they could be self-sufficient, productive and independent, and at the same time provide goods and services to the state at a fair market value. The State Use Program is a mandatory set-aside program which requires state agencies to purchase certain commodities and services from community rehabilitation programs (sheltered workshops). The law also allows political subdivisions and institutions of higher education to take advantage of this program thus eliminating the need to go through a bidding process. More details and description of the State Use Program can be found in *West Virginia State Code* §5A-1-1, §5A-3-10, §5A-3A-1 and in the *Code of State Rules* §186-1, §186-2, §186-3, §186-4, and §186-5.

This RFP addresses the scope of work the CNA is to provide to the state and to the community rehabilitation programs in meeting the requirements of the State Use Program.
