**Addendum
EHS80370**

1. Question/Comment:

"We can send a resume of the instructor showing his experience in teaching the subject matter. He has taught longer than 5 years, however, he does not work in the business. Can you see if there is any room for compromise?"

OEHS Response: The 5 year minimum employment in the drinking water industry is in addition to the 5 year minimum classroom instruction experience. The drinking water industry includes many related occupations. Instructor must meet both.
