Local government bodies: Unless the vendor indicates in the bid his refusal to extend the prices, terms, and conditions of the bid to county, school, municipal and other local government bodies, the bid shall extend to all political subdivisions of the State of West Virginia. If the vendor does not wish to extend the prices, terms, and conditions of the bid to all political subdivisions of West Virginia, the vendor must clearly indicate such refusal in his bid. Such refusal shall not prejudice the award of this contract in any manner.

Purchases: Food purchase through the contract for 2006 was approximately \$2.8 million. Note: This is shown for information only and should not be construed as any guarantee of future contract use. All listed quantities are estimates. Actual quantities may be more or less than the stated quantities.

Freight: All prices must be F.O.B. destination with freight charges included in the bid price. A minimum shipment shall be \$200.00 mixed products with the exception of coffee, for which the minimum shipment shall be \$50.00.

Minimum orders: Orders for less than the minimum amounts may be purchased in accordance with standard agency purchasing procedures of the agency may choose to order less than the minimum by paying the freight charges. All freight charges must be prepaid, but orders for less than the minimum shall have the freight bill attached to the invoice.

Beverage Taxes: Vendors must include all applicable beverage taxes in the prices quoted.

Brands: Vendors should indicate the brand names being bid on all items. Failure to indicate a brand name may be reason to disqualify the bid on that item. Packer label product is acceptable but the correct brand or label must be stated.

Stock: Successful vendors must provide all items awarded. Frequent out-of-stocks will not be tolerated. Such frequent "out-of-stock items" may result in the item canceled from the contract and awarded to another vendor. On the occasion when a product is not available, the vendor shall notify the ordering agency prior to delivery so that an adjustment may be made or an alternate product considered. Bidders should not enter a price quotation for any item they do not plan to stock.

Damaged: Damaged and/or dents on seams or rims of cans and mis-shaped or mashed boxes shall not be accepted. The product must be able to be opened without difficulty. No products will be accepted if the manufacturer's seal has been tampered with or broken. Any shipments containing such defective merchandise must be replaced and credit issued.

This removal and replacement shall be done in a timely manner. Failure to do so may result in cancellation of contract.

Coffee: The product shall be packed in substantial commercial containers. The package size will be specified by the agency when requesting delivery. The net weight shall be shown. Ground coffee shall not include chicory as a substitution or extender.

Pricing Pages: Bidders are requested to type the attachment "FOODO8 Pricing Pages". This electronic document (needs legal size paper to print) may be requested via email :

maustin@wvadmin.gov

Bidders shall submit a paper (hard copy) of the Pricing Pages, in addition to electronic copy (computer disk) with their bid. The paper copy shall rule if any deviation exists between the paper copy and the electronic copy.

Awards: Each successful vendor (it is anticipated that a multiple award will be issued and agencies shall order from the lowest-cost provider for the item that meets their requirement) who is awarded a contract shall be provided an excel spreadsheet (hard copy and disk) of the items awarded on that contract. Successful vendors who request price changes shall be required to submit an electronic copy of the entire list- either via e-mail or computer disk. Each item with a price change shall be identified in bold. This will simplify the ordering and auditing process. This will reduce the effort for both ordering and auditing. Currently, all change orders must be searched to confirm the price of any product.

The item number shown on the item in the RFQ shall remain the same through the award process. This means that an award may be for item 1, 15, 20, etc. Keeping the same item number throughout the RFQ and contract cycle should also reduce confusion.

Alternate Items: Vendor may provide an alternate item for any item listed on the pricing pages. If providing an alternate, please provide the item number for which the alternative is offered, adding an "a" after the number. If the alternate item is accepted, it will be incorporated into the list with the number and letter designation added. You may add additional pages as needed to accommodate alternate items you wish to bid. All categories of information shall be completed for these alternate items.

Sizes: Vendor shall note both the size and the quantity as prices and as required for order (such as 24 cans/ 16 oz each) of each product.

Miscellaneous: No **pork additives** are acceptable in products that are not pork-related. For example, agencies will know that ham and bacon are obviously pork. No pork additives in gelatin or other foodstuffs shall be acceptable. **MSG** should be avoided. Bidders shall note any product they are bidding that contains MSG. If at all possible, products in **glass containers** should not be bid. There may be certain products that are available only in glass; but, if the product is available in metal cans or plastic, bidders should bid those items. Bidders must indicate if the container for the product they are bidding is glass.

Cereal will not be a part of this contract; it is covered on an existing statewide contract.

Reports: Successful vendors shall be required to submit quarterly reports on the orders received during the quarter. Each report shall identify the quantities by line item, dollar value of line items, and total dollars sold during the quarter. Vendors shall also be required to report the agency(s) from whom the orders were received. Annual reports shall also be required which will be a summary of the four quarters. Each report shall be due within 30 days of the end of each quarter.

Evaluation: One- Hundred (100) random items will be selected from each vendors bid for evaluation purposes.

Electronic Transmittal: Bidders must submit a paper copy of the pricing pages as well as an electronic copy. Disks have been provided with the RFQ, however this document is also available online. *Pricing on the paper copy will prevail.

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owned is an amount greater than one thousand dollars in the aggregate

DEFINITIONS:

“Debt” means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers’ compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

“Debtor” means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. “Political subdivision” means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. “Related party” means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers’ compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

LICENSING: Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State’s Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY: The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency’s policies, procedures and rules. Vendors should visit www.state.wv.us/admin/purchase/privacy for the Notice of Agency Confidentiality Policies.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), it is hereby certified that the vendor acknowledges the information in this said affidavit and are in compliance with the requirements as stated.
