

SOLE SOURCE DETERMINATION

The Purchasing Division has been requested to approve a sole source purchase for the commodity or service described below. Pursuant to West Virginia Code 5A-3-10c, the Purchasing Division is attempting to determine whether the commodity or service is a sole source procurement. If you believe your company meets the required experience and qualification criteria stated below, please e-mail the Purchasing Division at team@wvadmin.gov to express your interest in the project. Please forward any and all information that will support your company's compliance with required qualification and eligibility criteria along with any other pertinent information relative to this project to the Purchasing Division no later than 10/8/2007.

Requisition Number: HHR80052

Department/Agency: DHHR/Central Facility Management

Detailed Description of Project: To provide all material/equipment and installation services required for an EXPANSION of the current centralized security system that is housed at 350 Capitol Street, Charleston, WV, per the attached specifications.

Proposed Sole Source Vendor: NEWTECH SYSTEMS, INC.

Specific Eligibility Criteria: Must be totally compatible with the existing Honeywell Nexwatch/Prowatch Card Access Security Systems and Photo ID System as well as Honeywell Fusion Digital Video Systems/CCTV DVR recorders, per the attached specifications.

Specific Qualification Criteria: Due to this being an EXPANSION of an existing security system with various components, bidder must be an authorized dealer and have factory trained and certified technicians to do the installation, provide 100% systems and equipment interface and programming. Bidder will assume all liability and warranty of current installed systems as well as the expansion being integrated into the existing system.
