

## SOLE SOURCE DETERMINATION

**The Purchasing Division has been requested to approve a sole source purchase for the commodity or service described below. Pursuant to West Virginia Code 5A-3-10c, the Purchasing Division is attempting to determine whether the commodity or service is a sole source procurement. If you believe your company meets the required experience and qualification criteria stated below, please e-mail the Purchasing Division at [John.H.Abbott@wv.gov](mailto:John.H.Abbott@wv.gov); copy [Karen.Q.Byrd@wv.gov](mailto:Karen.Q.Byrd@wv.gov), to express your interest in the project. Please forward any and all information that will support your company's compliance with required qualification and eligibility criteria along with any other pertinent information relative to this project to the Purchasing Division no later than 2:00 P.M. 05/16/08.**

Requisition Number: HSE08037

Department/Agency: WVDHSEM

Detailed Description of Project: Purchase of a radio dispatch console system for use in conjunction with the State of West Virginia's Emergency Operations Center, The Mine and Industrial Accident Rapid Response System and The WVDHSEM Call Center. This system will allow the State of WV's Division of Homeland Security and Emergency Management to have connectivity and control of the WV Interoperable Radio Project (IRP) local talk groups in all 55 WV counties. This will also provide a level of redundancy for the counties and State agencies in the event of a disaster.

Proposed Sole Source Vendor: Motorola

Specific Eligibility Criteria: Radio dispatch console system must be able to have direct wire-line/microwave control of the WVIRP ASTRO 25 Master site smartzone trunking system. Motorola is the only vendor with the capability to direct wire. Any other system uses a wireless connection via control stations or use the CENTRACOM Gold Elite or MCC 7500 consoles as gateways into the system.

Specific Qualification Criteria: Radio dispatch console system must be able to have direct wire-line/microwave control of the WVIRP ASTRO 25 Master site smartzone trunking system.
