Questions and Answers

1.) I am requesting a technical person who is knowledgeable about this particular RFQ to do a walkthrough with the vendor?

Answer: Due to the fact that this is a time sensitive project, the request for a walkthrough must be denied.

2.) In regard to the 2.3 Experience paragraph. It states that the vendor must be certified in Commscope Systimax distribution systems. The material requirement says Commscope Systimax or equal equipment. Is the stated certification in that particular system a mandatory requirement if the vendor chooses to provide "equal" equipment?

Answer: If the vendor chooses to use "equal" equipment, then they would not have to be Commscope Systimax certified, but they would have to be certified on the "equal" equipment.
