Question: Since the "Federal financial participation is available at the rates of seventy-five percent (75%) in the costs" of training, Is there a cost sharing obligation by the vendor to contribute the remaining 25%? (See page 5 of the RFQ, last sentence of Paragraph one under "Project Background)

Answer: There is no cost sharing obligation by the vendor.

Question: If a vendor proposes a fourth position to full-full the statement of work, would said vendor be considered in violation of the mandatory requirement that vendor must provide three full-time staff?

Answer: The vendors bid shall not be for more than nor less than three full time staff.

Question: Definition of full-time staff. If vendor's corporate/institutional policy for a full-time staff member is 37.5 hours per week, would vendor be considered in violation of the Mandatory Requirements of the RFQ? (See Page 6 of RFQ, last paragraph)

Answer: As all Department employees are allocated a 30 minute paid lunch period daily, the paragraph shall be amended as follows to reflect a minimum of a 37.5 hour work week.

"Full time staff" is considered to be a minimum of 37.5 working hours per week with time off granted as would be allowed for a full time employee of the State of WV relative to normal sick, vacation and holiday time.

Question: Given that the RFQ is rolling up all proposed expenses into a lump sum tied to a staff position, what criteria will be used to review for approval "detailed monthly invoices"?

Answer: The amount of monthly invoices will be the monthly amount included on the submitted "Vendor Bid Summary". Monthly invoices shall include the position being billed for, the employee's name and the monthly amount less a prorated adjustment for any time short of a full month if necessary. Should calculation of an hourly rate be necessary for an adjustment of less than a full month, the rate shall be the annual amount for the position divided by 2080.
