

SOLE SOURCE DETERMINATION

The Purchasing Division has been requested to approve a sole source purchase for the commodity or service described below. Pursuant to West Virginia Code 5A-3-10c, the Purchasing Division is attempting to determine whether the commodity or service is a sole source procurement. If you believe your company meets the required experience and qualification criteria stated below, please e-mail the Purchasing Division at John.H.Abbott@wv.gov; copy Karen.Q.Byrd@wv.gov, to express your interest in the project. Please forward any and all information that will support your company's compliance with required qualification and eligibility criteria along with any other pertinent information relative to this project to the Purchasing Division no later than 01/27/09 4:30 P.M..

Requisition Number: HSE09029

Department/Agency: WVDHSEM

Detailed Description of Project:

Upgrade and expand the radio system installed by Motorola and increase the number of WVIRP sites. This will provide a complete IR site package of six GTR8000 repeaters and associated hardware and software. The proposed remote sites allow for the expansion of the radio system by adding additional ASTRO 25 Repeater Sites.

Proposed Sole Source Vendor: **MOTOROLA**

Specific Eligibility Criteria: The current WV IRP P-25 radio system was manufactured and installed by Motorola and the system is also supported and serviced by Motorola.

Specific Qualification Criteria: Motorola is the only vendor that can upgrade and expand the existing system and continue to guarantee critical performance criteria such as coverage and reliability.
