WEST VIRGINIA LOTTERY

LIMITED VIDEO LOTTERY

BLANKET BONDING OF PERMIT HOLDERS

REQUEST FOR QUOTATION (RFQ) FOR AN OPEN-END CONTRACT

LOT447

I. INTRODUCTION

House Bill 102 was enacted in April 2001. Included in the Bill was the establishment of new Article 29-22B which is known as the Limited Video Lottery Act. The Act provided for up to 9,000 Limited Video Lottery (LVL) terminals to be placed in limited licensed retailer areas restricted for adult amusement.

In addition to licensing persons and activities, the Act provides for two kinds of permits. A limited video lottery "permit" is a document that allows the holder to purchase a specified number of video lottery terminals for use in licensed retail locations. Licensed "operators" (sometimes called "distributors" or "route operators" in other gaming states) are able to own up to 675 video lottery terminals through the permit process. These operators enter into contracts with bars and fraternal clubs for the placement and operation of the video lottery terminals and are liable for the net gaming revenue generated by their video lottery terminals and owed to the State Lottery Commission each month. This is the relationship that applies to most of the operating limited video lottery terminals.

The Act also allows bars and fraternal clubs to acquire permits and with them the ownership of limited video lottery terminals in their establishments. Retailers normally are limited to five video lottery terminals, but fraternal and veteran clubs may operate up to ten video lottery terminals. These permit holders are liable for their own net gaming revenue owed to the State Lottery Commission each month.

The West Virginia Lottery collects net revenue from each permit holder on the tenth day of each month. Both retailers and operator may be permit holders.

As prescribed in LVL Rule 179-5-5.1.a., each permit holder was initially required to post a \$1,500 bond per terminal issued to each permit holder, and the permit holder paid the premium cost of such bond. LVL Rule 179-5-5.1.b. provides that the West Virginia Lottery is to acquire a blanket bond for at least \$2,000 per video lottery terminal to become effective March 1, 2006.

The West Virginia Lottery is soliciting quotes through this Request For Quotation (RFQ) to bond its LVL permit holders under a blanket bond. Four (4) separate quotes are being solicited with only one being awarded. They are as follows:

1. Quote should be made on the premium cost per one thousand dollars (\$1,000) of coverage.
2. Quote should be made on the premium cost per one thousand dollars (\$1,000) of coverage. The Lottery will be responsible for the first \$10,000 of total losses.
3. Quote should be made on the premium cost per one thousand dollars (\$1,000) of coverage. The Lottery will be responsible for the first \$25,000 of total losses.
4. Quote should be made on the premium cost per one thousand dollars (\$1,000) of coverage. The Lottery will be responsible for the first \$50,000 of total losses.

It is the Lottery's intention to purchase a minimum of \$2,000 of coverage for each LVL permit.

The maximum number of permits that can be held by one permit holder is 675. Therefore, the maximum exposure for any one permit holder would be \$1,350,000 (675 X \$2,000).

The successful vendor will execute a master bond containing a computerized list supplied by the Lottery, of all covered LVL permit

holders indicating the number of video lottery terminals for each permit holder and a total of all video lottery terminals. This listing will serve as a basis for calculation of the premium to be paid by the Lottery from collections received from LVL permit holders. This listing will be updated on a quarterly basis to reflect all changes and/or deletions. A new master listing will be generated by the Lottery on a quarterly basis (March 1, June 1, September 1, and December 1 of each year).

II. MANDATORY QUALIFICATIONS OF VENDOR

- A. Bidder must be licensed to do business in the State of West Virginia and in good standing with the Insurance Commissioner's Office in West Virginia.
- B. The Bidder must be a Best's "A+" or "A" rated insurance company and must maintain that rating throughout the term of the contract.
- C. Each bidder's quote should include:
 1. The name, address, telephone number, and contact person for the bidder.
 2. The names, addresses and telephone numbers of three current or past client references who the Lottery may contact.
 3. Letter of good standing from the Office of the State Insurance Commissioner of the State of domicile.
 4. Copy of the Best Trend Report for the current year.

IV. GENERAL PROVISIONS

- A. Life of Contract – This contract becomes effective on March 1, 2009, and extends for a period of one (1) year or until such "reasonable time" thereafter as is necessary to obtain a new contract or renew the original contract. The "reasonable time"

period shall not exceed twelve (12) months. The contract may be renewed upon the mutual written consent of the spending unit and vendor, submitted to the Director of Purchasing thirty (30) days prior to the expiration date. Such renewal shall be in accordance with the terms and conditions of the original contract and shall be limited to two (2) one (1) year periods.

Unless specific provisions are stipulated in this contract document, the terms, conditions and pricing set herein are firm for the life of the contract.

- B. Basis of Award – The successful bidder that meets all of the mandatory qualifications criteria will be selected on the basis of the lowest premium bid for the one option selected by the Lottery from the quotes required in I. (1–4). In the best interest of the State of West Virginia, the Lottery reserves the right to select the lowest qualified bid from only one of the four bids as the successful vendor. A low bid in a category not selected by the Lottery does not entitle the bidder to the contract under this Request for Quotation (RFQ).
- C. Premium – Vendor must prorate premium charge one-fourth of annual premium for each quarter for adding and deleting permit holders.
- D. Clarification of Bids – The Purchasing Division reserves the right to obtain additional information from any bidder in order to clarify the bidder's bid; however, the bid may not be amended after the bid opening date.

V. COST OF BID SCHEDULE

VENDOR OWING A DEBT TO THE STATE:

West Virginia Code §5A-3-10a provides that: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

PUBLIC IMPROVEMENT CONTRACTS & DRUG-FREE WORKPLACE ACT:

West Virginia Code §21-1D-5 provides that: Any solicitation for a public improvement construction contract shall require each vendor that submits a bid for the work to submit at the same time an affidavit that the vendor has a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the West Virginia Code. A public improvement construction contract may not be awarded to a vendor who does not have a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the West Virginia Code and who has not submitted that plan to the appropriate contracting authority in timely fashion. For a vendor who is a subcontractor, compliance with Section 5, Article 1D, Chapter 21 of the West Virginia Code may take place before their work on the public improvement is begun.

ANTITRUST:

In submitting a bid to any agency for the state of West Virginia, the bidder offers and agrees that if the bid is accepted the bidder will convey, sell, assign or transfer to the state of West Virginia all rights, title and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the state of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the state of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to the bidder.

I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership or person or entity submitting a bid for the same materials, supplies, equipment or services and is in all respects fair and without collusion or fraud. I further certify that I am authorized to sign the certification on behalf of the bidder or this bid.

Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY:

The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules.
