REQUEST FOR PROPOSAL

RFQ#: SEC960032

PART 1 GENERAL INFORMATION, TERMS AND CONDITIONS

1.1 Purpose:

The Acquisition and Contract Administration Section of the Purchasing Division, hereinafter referred to as "State", is soliciting proposals for the Department of Administration, hereinafter referred to as "Agency", to provide performance and program review for state agencies with the Executive Branch of Government.

1.2 Project:

The mission or purpose of the project is to solicit proposals to establish a contract an experienced organization to provide performance reviews of all agencies and provide continuing implementation and policy support to the Governor's Office. The purpose of the performance review is to conduct a thorough review of state services and operations and to identify key issues and opportunities to improve service delivery or reduce costs.

1.3 RFP Format:

This RFP has four parts. "Part 1" contains general information, terms and conditions; "Part 2" describes the background and working environment of the project; "Part 3" is a statement of the specifications for the services requested pursuant to this RFP, contractual requirements, and special terms and conditions; and "Part 4" explains the required format of the Bidder's response to the RFP, the evaluation criteria the State will use in evaluating the proposals received and how the evaluation will be conducted.

1.4 Inquiries:

Additional information inquiries regarding specifications of this RFP must be submitted in writing to the State Buyer with the exception of questions regarding the proposal submission which may be oral. The deadline for written inquiries is identified in the Schedule of Events, Section 1.16. All inquiries of specification clarification must be addressed to:

Krista Ferrell, Buyer Supervisor-File 21
Purchasing Division
2019 Washington Street, East
P.O. Box 50130
Charleston, WV 25305-0130
Phone: (304) 558-2596
Fax: (304) 558-4115
Email: Krista.s.ferrell@wv.gov

The vendor, or anyone on the vendor's behalf, is not permitted to make any contact whatsoever with any member of the evaluation committee. Violation may result in rejection of the bid. The State Buyer named above is the sole contact for any and all inquiries after this RFP has been released.

1.5 **Vendor Registration:**

Vendors participating in this process should complete and file a **Vendor Registration and Disclosure Statement** (Form WV-1) and remit the registration fee. Vendor is not required to be a registered vendor in order to submit a proposal, but the **successful bidder must** register and pay the fee prior to the award of an actual purchase order or contract.

1.6 **Oral Statements and Commitments:**

Vendor must clearly understand that any verbal representation made or assumed to be made during any oral discussion held between Vendor's representatives and any State personnel is **not** binding. Only the information issued in writing and added to the Request for Proposal specifications file by an official written addendum are binding.

1.7 **Economy of Preparation:**

Proposals should be prepared simply and economically, providing a straightforward, concise description of Vendor's abilities to satisfy the requirements of the RFP. Emphasis should be placed on completeness and clarity of content.

1.8 **Labeling of RFP Sections:**

The sections within this RFP contain instructions governing how the Vendor's proposal is to be arranged, submitted and to identify the material to be included therein.

1.8.1 *Mandatory Requirements.*

Any specification or statement containing the word "must", "shall", or "will" are mandatory. Section 3 contains mandatory deliverables required upon contract execution. By signing and submitting a response to this RFP, the vendor agrees to all mandatory deliverables described herein. Section 4 describes RFP response requirements, which may be mandatory. The vendor is required to meet all mandatory requirements in order to be eligible for consideration and to continue in the evaluation process. Failure to meet or agree to mandatory items shall result in disqualification of the Vendor's proposal and the evaluation process will be terminated for that vendor. Decisions regarding compliance with any mandatory requirement shall be at the sole discretion of the State.

1.8.2 *Contract Terms and Conditions:*

This Request for Proposals contains all the contractual terms and conditions under which the State of West Virginia will enter into a contract.

1.8.3 *Informational Sections:*

All non-mandatory information specifications do not require a response from the Vendor. They are intended to aid the vendor in structuring an effective proposal capable of meeting the needs of the issuing agency.

1.9 **Proposal Format and Submission:**

1.9.1 Each proposal should be formatted as per the outline in Part 4 of this RFP. No other arrangement or distribution of the proposal information may be made by the bidder. Failure on the part of the bidder to respond to specific requirements detailed in the RFP may be the basis for disqualification of the proposal. The State reserves the right to waive any informality in the proposal format and minor irregularities.

1.9.2 State law requires that the original technical and cost proposal be submitted to the Purchasing Division. All proposals must be submitted to the Purchasing Division **prior** to the date and time stipulated in the RFP as the opening date. All bids will be dated and time stamped to verify official time and date of receipt.

1.9.3 Vendors mailing proposals should allow sufficient time for mail delivery to ensure timely arrival. In accordance with West Virginia Code §5A-3-11, the Purchasing Division cannot waive or excuse late receipt of a proposal which is delayed and late for any reason. Any proposal received after the bid opening date and time will be immediately disqualified in accordance with State law and the administrative rules and regulations.

Vendors responding to this RFP shall submit:

One original technical and cost
plus (7) convenience copies to:

Purchasing Division
2019 Washington Street, East
P.O. Box 50130
Charleston, WV 25305-0130

The outside of the envelope or package(s) should be clearly marked:

Buyer: Krista Ferrell-File 21
Req#: SEC960032
Opening Date: 05/14/2009
Opening Time: 1:30 pm

1.9.4. Best Value Purchasing Standard Format

All Requests for Proposals should follow the standard format defined by the Purchasing Division. This format addresses required areas and enables the agency to modify the background and scope of work to meet its needs.

1.9.4.1 *Evaluation Criteria:* All evaluation criteria must be clearly defined in the specifications section and based on a 100 point total score. Based on a 100 point total, cost shall represent a minimum of 30 of the 100 total points in the criteria.

1.9.4.2 *Proposal Format and Content:* Proposals shall be requested and received in two distinct parts: Technical and Cost. The cost portion shall be sealed in a separate envelope and will not be opened initially.

1.9.4.3 *Technical Bid Opening:* The Purchasing Division will open only the technical proposals on the date and time specified in the Request for Proposal. The Purchasing Division representative will read aloud the names of those who responded to the solicitation. The Purchasing Division Buyer will confirm that the original packages contain a separately sealed cost proposal prior to providing the courtesy copies to the agency to begin the evaluation process.

1.9.4.4 *Technical Evaluation:* The pre-selected, approved evaluation committee will

review the technical proposals, deduct appropriate points for deficiencies and make a final written consensus recommendation to the Purchasing Division Buyer. If the Buyer approves the committee's recommendation, the technical evaluation will be forwarded to an internal review committee within the Purchasing Division.

1.9.4.5 Cost Bid Opening: Upon approval of the technical evaluation from the internal review committee, the Purchasing Division shall schedule a time and date to publicly open and read aloud the cost proposals. The agency and the vendors shall be notified of this date.

1.9.4.6 Cost Evaluation and Resident Vendor Preference: The evaluation committee will review the cost proposals, assign appropriate points and make a final consensus recommendation to the Purchasing Division. In accordance with West Virginia Code §5A-3-37, the Purchasing Division will make the determination of the Resident Vendor Preference, if applicable. Resident Vendor Preference provides an opportunity for qualifying vendors to request at the time of bid preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the West Virginia Code. A certificate of application is used to request this preference. A West Virginia vendor may be eligible for two 2.5% preferences in the evaluation process.

1.9.4.7 Contract Approval and Award: After the cost proposals have been opened, the evaluation committee completes its review and prepares the final evaluation making its recommendation for contract award based on the highest scoring vendor. The final evaluation is submitted to the Purchasing Division buyer. Once approved by the buyer, the final evaluation must be reviewed and approved by the Purchasing Division internal review committee. The contract is prepared and signed in the Purchasing Division, forwarded to the Attorney General's Office for approval as to form, encumbered and mailed to the appropriate parties.

1.10 Rejection of Proposals:

The State shall select the best value solution according to the evaluation criteria. However, the State reserves the right to accept or reject any or all proposals, in part or in whole at its discretion. The State reserves the right to withdraw this RFP at any time and for any reason. Submission of, or receipt by the State of proposals confers no rights upon the bidder nor obligates the State in any manner.

A contract based on this RFP and the Vendor's proposal, may or may not be awarded. Any contract resulting in an award from this RFP is not valid until properly approved and executed by the Purchasing Division and approved as to form by the Attorney General.

1.11 Incurring Costs:

The State and any of its employees or officers shall not be held liable for any expenses incurred by any bidder responding to this RFP for expenses to prepare, deliver the proposal, or to attend any mandatory prebid meeting or oral presentations.

1.12 **Addenda:**

If it becomes necessary to revise any part of this RFP, an official written addendum will be issued by the State to all bidders of record.

1.13 **Independent Price Determination:**

A proposal will not be considered for award if the price in the proposal was not arrived at independently without collusion, consultation, communication or agreement as to any matter relating to prices with any competitor unless the proposal is submitted as a joint venture.

1.14 **Price Quotations:**

The price(s) quoted in the bidder's proposal will not be subject to any increase and will be considered firm for the life of the contract unless specific provisions have been provided for adjustment in the original contract.

1.15 **Public Record:**

1.15.1 *Submissions are Public Record.*

All documents submitted to the State Purchasing Division related to purchase orders or contracts are considered public records. All bids, proposals or offers submitted by bidders shall become public information and are available for inspection during normal official business hours in the Purchasing Division Records and Distribution center after the bid opening.

1.15.2 *Written Release of Information.*

All public information may be released with or without a Freedom of Information request, however, only a written request will be acted upon with duplications fees paid in advance. Duplication fees shall apply to all requests for copies of any document. Currently the fees are \$0.50/page, or a minimum of \$10.00 per request which ever is greater.

1.15.3 *Risk of Disclosure.*

The only exemptions to disclosure of information are listed in West Virginia Code §29B-1-4. Primarily, only trade secrets, as submitted by a bidder, are exempt to public disclosure. The submission of any information to the State by a vendor puts the risk of disclosure on the vendor. The State does not guarantee non-disclosure of any information to the public.
