### 3. BIDDING INSTRUCTIONS

The purpose of this contract is to provide for the delivery of Calcium Magnesium Acetate and a liquid pre-wetting agent to the location listed in the bidding schedule. Actual quantity to be delivered to the location will be specified in a State Contract Purchase Order (SCO), which will be issued by the Division of Highways at the time delivery is required. Any qualification of bids or any modification of the specifications or conditions governing the bids may be cause for their rejection.

### 4. CONTRACT AWARD

All qualified Vendors who submit a valid bid for "FOB Vendor's Storage Site" will be awarded a contract for this item (see Subsection 9.1).

All qualified Vendors who submit a valid bid for "FOB Division's Storage Site" will be awarded a contract for each location for which their bid is low (see Subsection 9.2). In the event a Vendor fails to conform to the requirements set out in this contract document, the State Contract Purchase Order or the governing specifications, the Purchase Order Contract may be canceled and re-awarded to the next low bidder.

5. DELIVERY

A State Contract Purchase Order (SCO) for delivery to individual Division of Highways Storage Sites will be issued to the Vendor awarded a contract for that specific location (see Subsection 9.2).

In the event the Vendor to which the SCO is issued is unable to comply with the specified delivery schedule the Division may, at its option, cancel all or part of the SCO and obtain the required quantity of Calcium Magnesium Acetate from the most economical available source.

6. SAMPLING AND TESTING

Upon award of contract, the Vendor shall provide the Division with the proposed source of supply. Acceptance shall be based on suppliers' certification of quality and gradation. This information shall be directed to:

West Virginia Division of Highways  
Materials Section  
190 Dry Branch Road  
Charleston, West Virginia 25306

The Division may conduct sampling and testing to verify material quality or gradation.

7. WEIGHING MATERIALS DELIVERED BY TRUCK

The material shall be weighed on any scales meeting the following requirements. The Vendor is not authorized to ship, nor is the Division authorized to receive, materials prior to the issuance of an "SCO".

All truck scales shall be mounted on solid foundations, which will ensure their remaining plumb and level. All truck scales shall be inspected and sealed by the West Virginia Department of Labor, Bureau of Weights and Measures, or other appropriate agencies of the State or its political subdivision. The Division may, at its option, accept inspection and sealing by out-of-state agencies when the scales are located outside West Virginia.

The Division prefers materials be weighed on digital scales for better accuracy and dependability and thus the increased confidence in record keeping. Therefore, the Division supports and encourages the installation of digital recorders on all truck scales.

These digital recorders shall produce a printed record of the gross, tare and net weights, and the time, date, truck identification and "SCO" numbers. Provisions shall be made for constant zero compensation and further provision shall be

made so that the scales may not be manually manipulated during the printing process. The system shall be interlocked so as to allow printing only when the scale has come to rest. In case of a breakdown of the automatic equipment, the Division of Highways will permit manual operation for forty-eight (48) hours, while equipment is being repaired, before the stated deductions for failure to have digital scales are assessed.

Each truck shall be weighed empty prior to each load.

8. SUPPLYING OTHER ORGANIZATIONAL ENTITIES

In accordance with Chapter 5A, Article 3, Section 9 of the Code of West Virginia the commodities or services contracted for herein shall be available to all local governmental bodies in accordance with the same prices, terms and conditions afforded to the State of West Virginia.

In the event any Vendor does not wish to extend the above prices, terms and conditions of his/her bid and subsequent contract to all political sub-divisions of the State, he must so indicate in a clear and unambiguous manner in his bid.

This indication does not prejudice the award of the contract. If a Vendor does not indicate his refusal to extend the prices, terms and conditions of his bid to other entities of the State he is bound to extend them upon issuance of a purchase order by these entities.

Other organizational entities using this provision of the contract shall do so without any involvement of the Division of Highways. That is, the entity shall make its own purchase arrangements with the Vendor and shall make its own arrangements for payment.

9. VENDOR'S INVOICES

Vendor's invoices must be submitted in original and one copy and contain the following:

- a) Division of Highways State Contract Purchase Order (SCO) Number, and this Contract Number.
- b) Total quantity and unit price with the total cost of material furnished.

Note: Under no circumstance will the West Virginia Division of Highways accept, or pay for, quantities of materials in excess of the quantity stated on the State Contract Purchase Order.
