ADDENDUM NO. 1

Question #1 Would the state consider outsourcing the digital conversion of their microfilm?

Response: It was the decision of the Records Management and Preservation Board to purchase this equipment because the Project will be conducted on site at the county courthouses where the records are currently stored. Since many of these records are the only preservation copies of these county records many counties will not allow the records to be taken off site for scanning.

Question #2 Would you accept a partial bid in reference to this RFQ?

Response: No the package must be bid as specified.
