**GENERAL TERMS & CONDITIONS**  
**REQUEST FOR QUOTATION (RFQ) AND REQUEST FOR PROPOSAL (RFP)**

1. Awards will be made in the best interest of the State of West Virginia.
2. The State may accept or reject in part, or in whole, any bid.
3. All quotations are governed by the *West Virginia Code* and the *Legislative Rules* of the Purchasing Division.
4. Prior to any award, the apparent successful vendor must be properly registered with the Purchasing Division and have paid the required \$125 fee.
5. All services performed or goods delivered under State Purchase Order/Contracts are to be continued for the term of the Purchase Order/Contracts, contingent upon funds being appropriated by the Legislature or otherwise being made available. In the event funds are not appropriated or otherwise available for these services or goods, this Purchase Order/Contract becomes void and of no effect after June 30.
6. Payment may only be made after the delivery and acceptance of goods or services.
7. Interest may be paid for late payment in accordance with the *West Virginia Code*.
8. Vendor preference will be granted upon written request in accordance with the *West Virginia Code*.
9. The State of West Virginia is exempt from federal and state taxes and will not pay or reimburse such taxes.
10. The Director of Purchasing may cancel any Purchase Order/Contract upon 30 days written notice to the seller.
11. The laws of the State of West Virginia and the *Legislative Rules* of the Purchasing Division shall govern all rights and duties under the Contract, including without limitation the validity of this Purchase Order/Contract.
12. Any reference to automatic renewal is hereby deleted. The Contract may be renewed only upon mutual written agreement of the parties.
13. **BANKRUPTCY:** In the event the vendor/contractor files for bankruptcy protection, the State may deem this contract null and void, and terminate such contract without further order.
14. **HIPAA BUSINESS ASSOCIATE ADDENDUM:** The West Virginia State Government HIPAA Business Associate Addendum (BAA), approved by the Attorney General, and available online at the Purchasing Division's web site (<http://www.state.wv.us/admin/purchase/vrc/hipaa.htm>) is hereby made part of the agreement. Provided that, the Agency meets the definition of a Cover Entity (45 CFR §160.103) and will be disclosing Protected Health Information (45 CFR §160.103) to the vendor.
15. **WEST VIRGINIA ALCOHOL & DRUG-FREE WORKPLACE ACT:** If this Contract constitutes a public improvement construction contract as set forth in Article 1D, Chapter 21 of the West Virginia Code ("The West Virginia Alcohol and Drug-Free Workplace Act"), then the following language shall hereby become part of this Contract: "The contractor and its subcontractors shall implement and maintain a written drug-free workplace policy in compliance with the West Virginia Alcohol and Drug-Free Workplace Act, as set forth in Article 1D, Chapter 21 of the West Virginia Code. The contractor and its subcontractors shall provide a sworn statement in writing, under the penalties of perjury, that they maintain a valid drug-free work place policy in compliance with the West Virginia and Drug-Free Workplace Act. It is understood and agreed that this Contract shall be cancelled by the awarding authority if the Contractor: 1) Fails to implement its drug-free workplace policy; 2) Fails to provide information regarding implementation of the contractor's drug-free workplace policy at the request of the public authority; or 3) Provides to the public authority false information regarding the contractor's drug-free workplace policy."

---

**INSTRUCTIONS TO BIDDERS**

1. Use the quotation forms provided by the Purchasing Division.
2. **SPECIFICATIONS:** Items offered must be in compliance with the specifications. Any deviation from the specifications must be clearly indicated by the bidder. Alternates offered by the bidder as **EQUAL** to the specifications must be clearly defined. A bidder offering an alternate should attach complete specifications and literature to the bid. The Purchasing Division may waive minor deviations to specifications.
3. Complete all sections of the quotation form.
4. Unit prices shall prevail in case of discrepancy.
5. All quotations are considered F.O.B. destination unless alternate shipping terms are clearly identified in the quotation.
6. **BID SUBMISSION:** All quotations must be delivered by the bidder to the office listed below prior to the date and time of the bid opening. Failure of the bidder to deliver the quotations on time will result in bid disqualifications: Department of Administration, Purchasing Division, 2019 Washington Street East, P.O. Box 50130, Charleston, WV 25305-0130

## Meeting Memorandum

August 20, 2009

Project Name: Army National Guard JITEC  
 Project Number: 60051603

Meeting Dates: August 20, 2009  
 Meeting Location: Camp Dawson, West Virginia

Topic: **Pre-Bid Meeting**

Attendance:  
 See sign in sheet

ITEM #	DESCRIPTION	ACTION BY	DATE COMPLETED
1	Mr. Todd Reynolds asked attendees to sign in. An agenda was distributed to attendees as they walked in.		
2	Mr. Reynolds introduced BG Burch		
3	BG Burch Opening remarks welcoming bidders for the project		
4	Mr. Reynolds reviewed the agenda and discussed the administrative, funding items, and bidding issues outlined in the Agenda.		
5	Mr. Reynolds introduced Mr. John Abbott		
6	<p>John Abbott – Reviewed the bid form. He requested that Bidders fill out bottom part page 1 only</p> <p>Page 6 – addendum            Page 7 – sign – name &amp; contractor license            Page 9 – fax # and attention            Page 60 – work force affidavit – submit with bid            Page 61 – purchasing affidavit – fill out, but not required</p> <ol style="list-style-type: none"> <li>Mr. Abbott advised that once technical part of this meeting completed, no others can sign in and bid on the project.</li> <li>The PO is due at the end of next month – bonding, insurance must follow quickly. Although RFP says Bidders have 7 days to submit bonds, Mr. Abbott requested that Bidders submit those quickly and coordinate w/John Abbott office to make sure that forms are complete and that there are no delays.</li> <li>The RFQ #defk10004 is for the multipurpose building.</li> <li>The prebid meeting for the Multipurpose building is on 9/2/09 at 1:30 PM.</li> </ol>		

7	<p>CPT Franklin:</p> <ol style="list-style-type: none"> <li>1. Work hours/ site access</li> <li>2. Site security – This is a closed post – all personnel working on the site must be registered</li> <li>3. All vehicles to be registered</li> <li>4. Contractor’s Project Manager must coordinate deliveries with their subs and suppliers.</li> <li>5. Vehicles and personnel are subject to security checks subject to threat levels.</li> <li>6. Deliveries must be coordinated with the ARNG and the Post.</li> <li>7. Contractor must supply personnel and equipment such as Forklifts, for loading/unloading. Do not rely on ARNG to accept deliveries.</li> </ol>		
8	<p>Mr Reynolds: Temp facilities/utilities</p> <ol style="list-style-type: none"> <li>1. There is a Conflict in the bid set specs. The specs will be changed. Utility interruptions must be scheduled with 3 working day notice. Utility shutdowns can only occur between 1800 hours and scheduled to end by 2400 hours (typo on agenda)</li> <li>2. Reviewed Safety, Supervision of work, Aspects of the contract and Pertinent Division 1 Specifications that the ARNG would like the contractors to pay special attention to. These were described in the Agenda.</li> </ol>		
9	<p>Ms. Jill Watkins- ZMM</p> <ol style="list-style-type: none"> <li>1. Reviewed LEED requirements for the project.</li> <li>2. The project is registered with USGBC under LEED 2.2</li> <li>3. The project is required to meet LEED Silver Certification</li> <li>4. Contractors should review LEED requirements in the SPECS</li> </ol>		
10	<p>Mr. Oscar Perez- AECOM</p> <ol style="list-style-type: none"> <li>1. The project will also have an independent Commissioning agent in addition to the A/E and Owner’s representatives that the contractor will need to coordinate commissioning activities with.</li> <li>2. Contractors should also review the Testing laboratory requirements in Division 1 specs.</li> <li>3. Substitutions – materials specified need to meet LEED silver, substitutions must comply w/LEED requirements</li> <li>4. LEED documentation must be complete in submittals</li> <li>5. Do not use submittals to present substitutions.</li> <li>6. Project Description</li> <li>7. 4 components to the project – Site, Renovation of Existing RTI, Operations Building and Billeting</li> <li>8. OPS – Includes administrative offices for the Post HQ and JITEC groups, 3 70 person classroom, a command center training component, 6000 sf server room which serves the (whole post), central chiller &amp; boiler serving both the OPS and Billeting buildings</li> </ol>		

	<ol style="list-style-type: none"> <li>9. The Building is steel frame with Curtain wall and metal panels (copper) cladding). Part of the foundation wall is exposed architectural concrete.</li> <li>10. Expansion of existing billeting – 189 rooms currently, being expanded to 600 rooms total.</li> <li>11. Construction is load bearing CMU walls every other room, with precast floors, curtainwall, 3 stories, brick exterior walls</li> <li>12. There is some demolition at the points where the connectors tie into the existing RTI building.</li> <li>13. There is a new liberty lounge/snack bar in the billeting building which is replacing the liberty lounge and the snack shop which are both being demolished.</li> <li>14. RTI scope included expansion of the dining hall, expansion of classrooms for a new vehicle training classroom, security desk, security upgrades, and fire alarm tie-ins.</li> </ol>		
11	<p>Mr. Robert Fuller- CEI discussed Site issues;</p> <ol style="list-style-type: none"> <li>1. Reviewed the ACP/Temporary construction entrance, asphalt paved.</li> <li>2. Contractor will build a temp gravel parking lot in order to maintain current # parking spaces throughout job.</li> <li>3. Subsurface drains, excavation, water lines, storm drains, sewer main, gas main, underground duct banks, 2-lane roads, concrete paving, asphalt parking lots, gates, concrete walks, retention pond, demolition of 201 and 202</li> <li>4. 90% paving removed w/in project limits, 80% parking lots removed, sequencing of parking lots</li> <li>5. Government will remove hazardous materials from the buildings to be demolished prior to this contract.</li> <li>6. Buildings will be available for Demo on Jan 1, 2010</li> <li>7. Buildings to be demolished – items for salvage, Buildings &amp; foundations will be totally removed, masonry recycled (fill and/or aggregate)</li> <li>8. Simultaneous projects on Post by other contractors include – ACP, Challenge Academy, Multi-purpose building.</li> <li>9. Additional work – site soil conditions are poor – mass excavation may only be done between May and October.</li> <li>10. Subsurface drains need to be installed 90 days prior to mass excavation. –</li> <li>11. Addendum will include suitable borrow site – expand excavation rear of site, existing waste area – grading plans in addendum for borrow (in current docs) &amp; waste area</li> <li>12. There are 4 bid items related to : poor soil conditions</li> <li>13. Aggregate piers – submit plan, signed by engineer, how to achieve bearing capacity</li> <li>14. Remove 24” of subgrade for roads/buildings – paid by SY</li> <li>15. 2 existing ground water monitoring wells – close according to DEP regulations</li> <li>16. Utility relocation up near borrow area – allowances will be provided to the Contractors in the Addendum</li> <li>17. There is an existing grease trap bldg 202 which needs to be relocated.</li> <li>18. All demo utilities will be completely removed, no abandonment in place allowed.</li> </ol>		

	19. There are a lot of existing utilities in the work area.		
12	Phil – environmental 1. DEP / EPA Regulations – can enter post and inspect 2. Notify of fuel spills ASAP, clean up – guard & DEP 3. Addendum will define construction storm permit responsibility		
13	Mr. Perez: All drawings and Specifications will be reissued in the Addendum. The design not change – only dimensions, coordination, and additional details, etc. 1. All changes will be clouded. 2. There will be a written description of the changes. 3. There is enough information on the current drawings to bid the project, 4. Addendum will be issued Sept 3 <sup>rd</sup> . 5. Addendum will be issued at no cost to bidders that purchased a bid set or bid CD.		
14	Mr. Adam Krason – ZMM 1. Bid date is fixed, 2. The project must be awarded by Sept 30		
15	Question and Answers: 1. How are relocated utilities paid? a. This is detailed in plans, if utility exist not shown on plans this will be handled as an unforeseen site condition in accordance with terms and conditions of the contract. 2. Section 2 list of quantities – do Bidders bid based on these quantities a. Yes, specs define what to do if quantities exceed or are below specified quantities by a certain percent. 3. Div 28 – Is equipment NIC for access controls, CCTV etc? – a. AV equip, Security, and Comm equipment is Federally funded thru different sources. However conduit, wiring, cable trays and fixed portions of this work are in the base bid as defined in the drawings. GC will be responsible for coordinating work by others for the AV, IT, Security equipment installation. 4. How will the project be awarded on the basis of low bid? Is it just the base bid, or base bid plus alternates? a. State will issue further clarification on this topic. POST MEETING CLARIFICATION: The lowest responsible bid will be the combination of the base bid and whichever options the owner chooses to accept. A bid analysis will be conducted for all vendors and recommendation for award will be based upon the lowest responsible bid received.		

	<p>5. How will Alternates be awarded?</p> <p>a. They will be awarded based on the availability of funds. POST MEETING CLARIFICATION: There is no proposed order of priority list for the Alternates. The Alternate bid prices, as provided by the Vendors, will be reviewed individually or collectively and will be recommended for award based on availability of Federal and State funds, where applicable.</p> <p>6. Do we need to break out the Base bid of the Primary Facility per the base bid items in the bid form?</p> <p>a. Bid Form Section II needs to be completed in its entirety. A detailed schedule of values for the primary facility is not required.</p> <p>7. Does the demolition of the buildings need to be salvaged and crushed for fill even if it cost more than disposal and off-haul?</p> <p>a. Yes, recycling and salvage of materials is being done to obtain LEED credits.</p> <p>8. Will the Sign in sheet be posted?</p> <p>a. Yes, the sign in sheet and meeting minutes will be issued on Monday 8/24/09</p> <p>9. How will the Parking areas and other parts of the project be accepted if completed early</p> <p>a. They will be accepted by the Guard for beneficial occupancy. A milestone phasing requirements in the 1st addendum that will spell out requirements for phasing and completion. POST MEETING CLARIFICATION: Acceptance may be at the benefit of the Government; however, there is a requirement that this may occur. If work is completed early without acceptance by the Government, the Contractor has to be responsible for completed work until such acceptance or substantial completion, which ever occurs first.</p> <p>10. Will we be required to maintain existing utilities and existing facilities operational?</p> <p>a. Yes, the Post will remain fully operational and all buildings including the RTI and the Billeting buildings will need to be maintained operational at all times.</p> <p>11. Is there a road to the borrow/waste sites?</p> <p>a. Yes there is an existing gravel/dirt road. The contractor may use this road, but need to maintain in as good a condition as when you start the project. POST MEETING CLARIFICATION: The Contractor will be responsible for maintaining and restoring to prior award conditions.</p> <p>12. Are Photos allowed during the walkthrough?</p> <p>a. Yes, as long as you stay within the limits of work area.</p> <p>13. Will additional site visits be allowed?</p> <p>a. Yes, coordinate those through CPT Franklin's office. CPT Franklin's number is 304-791-4343, or call 304 791-4478 Cochran</p> <p>14. What happens if over excavation exceeds 18"?</p> <p>a. Over excavation is only needed to provide a stable base for foundation, you are not removing suitable soils. It's only for subgrade prep – suitable fill</p>		
--	---	--	--

	<p>15. When will addendum with sign in list and meeting minutes be issued</p> <p>a. Monday August 24, 2009</p>		
16	<p>Closing:  Comments and representation made at the pre-bid meeting and site walk are for information only and do not change any language in the contract documents, bid form or RFP.</p> <p>Contractors are to note that only questions formally submitted through Mr. Abbott's office will be treated as official questions. Responses to those questions will be issued in the form of an addendum.</p> <p>End Technical Portion of Pre-Bid Meeting 2:57 PM</p>
