Addendum No. 2
RFQ#: DNR210031
Technical Questions and Answers

1.) It appears these (drawings and specifications) were inadvertently omitted from DNR209122, will you please make sure this are attached in the addendum?

Answer: The RFQ number for this project is DNR210031. See attached drawings. Specifications remain as written.

2.) Are wood fiber, geo textile, and borders not part of the open end contract?

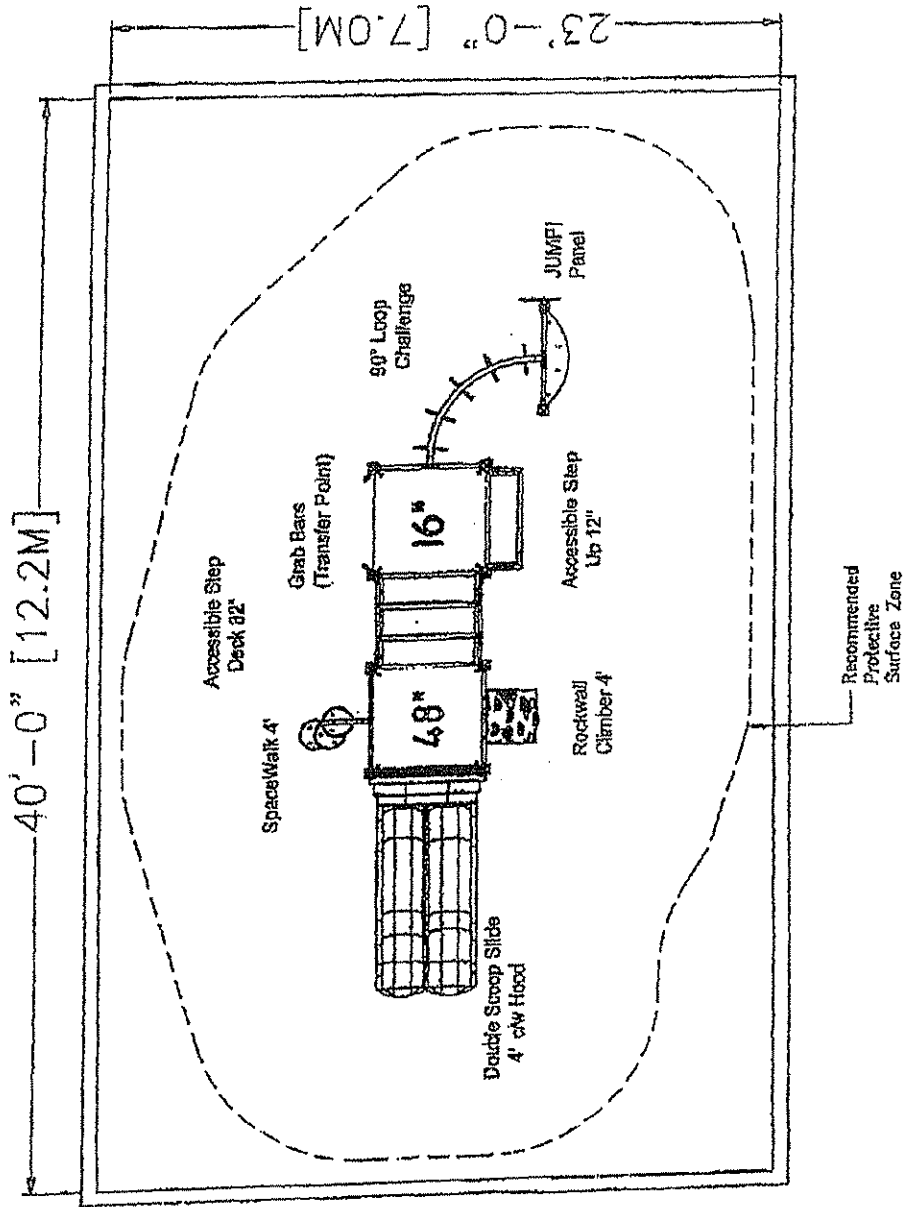

Answer: This is a fixed amount contract. All items requested as a part of the specifications and cost sheet must be submitted in the unit of measure requested with a unit cost.

Clarification to specifications:

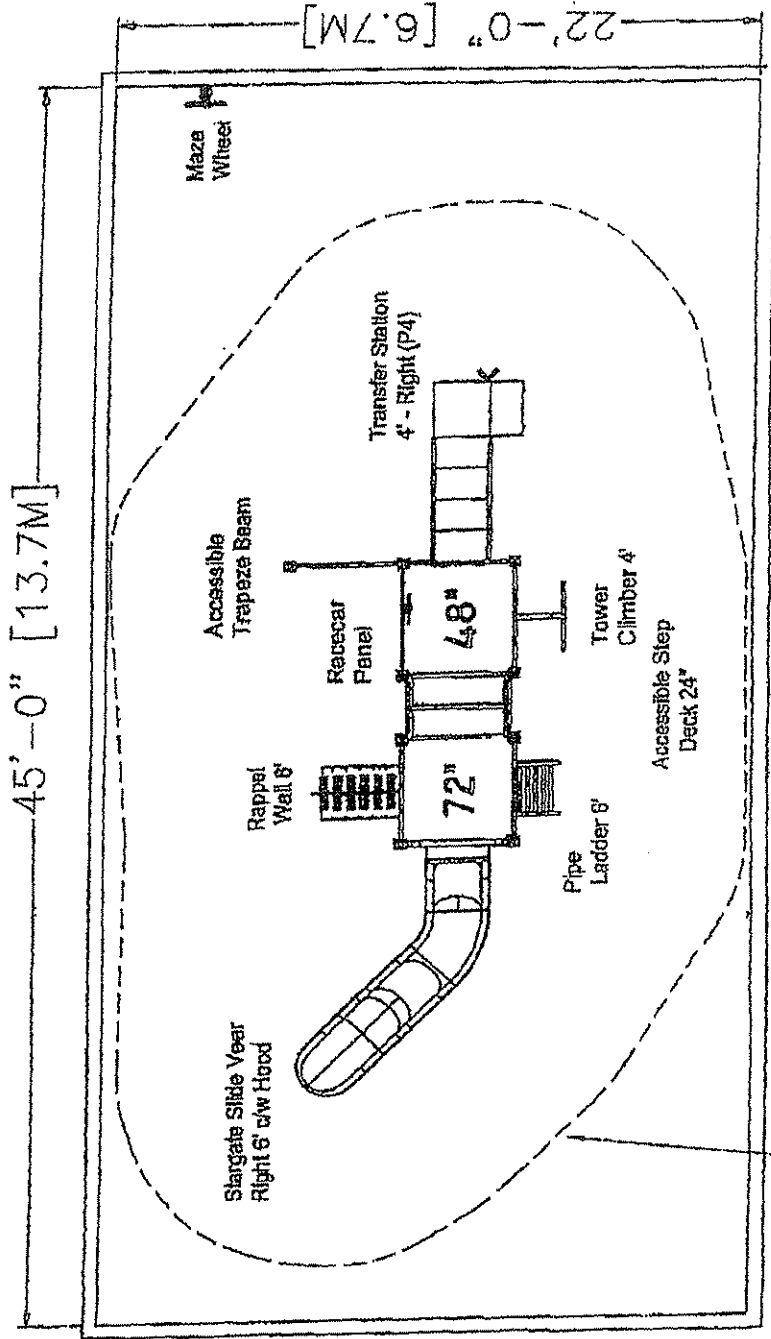

1.) Please add the following language:

“As the State of WV reserves the right to award this contract to multiple vendors, unit costs must be submitted for all line items listed. If there is no charge for a line item, the vendor must denote that no charge is applicable either in word or by placing \$0.00 in the space provided. Unit prices for all line items must be submitted in the unit of measure requested by the agency. Vendors must complete the costing sheet provided as a part of this addendum in lieu of submitting manufacturer’s quotes. Failure to provide unit prices, to provide unit prices in the given quantity of measure, to indicate no charge items, or to submit a manufacturer’s quote in lieu of the enclosed pricing sheets will result in the disqualification of the vendor’s bid.”
