Project Description – the following briefly describes the Hunters Helping the Hungry (HHH) Project:

West Virginia Division of Natural Resources (WVDNR), Wildlife Resources Section's Hunters Helping the Hungry (HHH) Program was started in 1992 as a way for hunters to donate their legally harvested deer to the less fortunate of the State. Since 1992, hunters have donated more than 18,000 harvested deer to create more than 912,000 meals. Once the deer is donated, the certified processors dress, grind, package and freeze to await pick-up by the vendor. The vendor will temporarily store frozen venison and later transport the venison to a statewide distribution network of soup kitchens, food pantries, shelters, senior centers, missions, churches, and community centers. This distribution is carried on through the fall and winter months of the year.

Vendor Qualifications – In order to facilitate the HHH Program, the vendor must have the following qualifications and capacities:

- Licensed to handle venison by the West Virginia Department of Agriculture
- Have a current network, or capable of developing a network, of a minimum of 500 non-profit feeding programs
- Verify all non-profit feeding programs are certified in safe food handling
- Must provide evidence you are a member in good standing with Feeding America before award
- Have freezer space of no less than 39,000 cubic feet in one location
- Must provide for sufficient quantity of refrigerated vehicles for timely statewide venison pick-up and delivery
- Able to reimburse processors \$1.40/pound

Scope of Work – Vendor (with the assistance of a sub-contractor, if required) will complete the following tasks:

- Inspect all participating feeding programs every year during distribution to ensure facility is being operated, or has the capacity to operate, according to safe food handling procedures
- Maintain inventory records for a period of 3 years after the expiration of the contract
- Pick-up processed venison from participating processors as identified HHH website (www.wvdnr.gov/Hunting/HHH.shtm)
- Store venison in an on-site freezer(s) until it can be safely delivered to distribution facilities. All venison must be delivered prior to March 15.
- Deliver venison to all 55 West Virginia counties as determined by need of distribution facilities (unless no requests are received by a particular county)
- Mail Share the Harvest letters to approximately 3,000 statewide churches no later than Oct 15. Vendor does mail merge from a provided database, on provided letterhead and is responsible for postage until reimbursed.
- Must participate in a minimum of two HHH Program fundraising events/year as requested by the DNR, which may be up to 2 full days/event.

Pricing – Vendor will pay the following for stated activities:

- Pick-up, temporarily store, and distribute venison at \$ _____/pound (including the \$1.40/pound processor reimbursement)
