LOT459**ADDENDUM #1****Question:**

Page 23 of LOT 459, identified as LOT 459 Cost Sheet, describes requirements to which the bidder certifies and agrees. Requirement 3 on this page states that ... "The WVLC requires that all partners, audit managers, and senior accountants assigned to the WVLC work be certified public accountants with a license to practice in West Virginia, and who have a minimum of five (5) years of auditing experience of gaming lotteries, and five (5) years of governmental auditing of state level agencies." Is the term "senior accountant" a specific position to be assigned to the WVLC audit? Or is it a general reference to "supervisory staff" referenced in the fee chart on page 24?

If the term "senior accountant" is referencing a position, in our firm it is not likely that an individual with 5 years of experience and a CPA would still be a senior accountant. In most cases, the individual would have been promoted to the next higher position. If "senior accountant" is a position, can the requirements be changed to reflect the usual experience level for a senior auditor position of 2-4 years?

Response:

"Senior accountant" is defined as a certified public accountant (CPA) with five (5) years of lottery auditing experience who will be the person assigned to the WVLC account and will be the firm's representative on site daily who supervises and directs the work of other accountants who may or may not be CPAs.
