1. The Bidder and all subcontractors the Bidder intends to use have carefully and thoroughly reviewed the Bidding Documents and have found them complete and free from ambiguities and sufficient for the purpose intended.
2. The Bidder has visited the site, become familiar with local conditions under which the Work is to be performed.
3. The Bid is based upon the materials, equipment and systems required by the Bidding Documents without exception.
4. The Bidder and all workers, employees and subcontractors the Bidder intends to use are skilled and experienced in the type of construction represented by the Bidding Documents.
5. The Bid is based solely upon the Bidding Documents, including properly issued written addenda, and not upon any other written representation.
6. Neither the Bidder nor any of the Bidder's employees, agents, intended suppliers or subcontractors have relied upon any verbal representations from the Owner, or the Owner's employees or agents including architects, engineers or consultants, in assembling the Bid figure.

If any Bidder is in doubt as to the true meaning of any part of the Bidding Documents, the Bidder may submit to the Purchasing Division a written request for an interpretation thereof. The Bidder will be responsible for its prompt and actual delivery. An interpretation of Bidder's request will be made only by addenda.

4. Preparation of Bid

Each bid should be submitted on the prescribed form and in accordance with the Director of Purchasing's requirements. All blank spaces for bid prices should be filled in, in ink or typewritten, in both words and figures.

Each bid should be submitted to the Director of Purchasing, Department of Finance and Administration, in accordance with purchasing regulations.

5. Method of Bidding

The OWNER invites the bids as stipulated in the bidding documents and as prescribed in the bid forms. No alternate proposals except those stated on the bid forms will be accepted. Conditional bids will not be accepted. Bidders must comply with all bidding requirements and conditions set forth in the Project Manual and the Request For Quotations. In the case of any conflict, the Purchasing Division regulations as expressed in the Request For Quotations shall supersede the Project Manual. All bidders and bidder's subcontractors shall be licensed in compliance with WV State Code.

6. Bid Security

Each Bid shall be accompanied by a bid bond payable to the Owner for five percent (5%) of the total Bid issued by an A.M. Best, A- or better rated surety company listed on the most current Federal Register, Circular 570, and authorized to do business in the state of the proposed project. Should the Bidder refuse to enter into a contract with the Owner on the terms stated in the Bidding Documents or fail to furnish bonds covering faithful performance of the Contract and all obligations arising thereunder, the full amount of the bid security shall be forfeited to the Owner as liquidated damages, not as a penalty. Sample Bid Bond forms are included in Bidding Forms section.

7. Examination of Contract Documents and Site

Each bidder must inform himself fully of the conditions relating to the construction of the project and the employment of labor thereon. Failure to do so will not relieve a successful bidder of his obligation to furnish all material and labor necessary to carry out the provisions of his contract. The bidder is required to examine carefully the Contract Documents and the site of the work contemplated. The submission of a bid shall be considered prima facie evidence that the bidder has made such examination and has judged for and satisfied himself as to the character, quality, and quantity of work to be performed and material required to be furnished under the Contract.

8. Addenda and Interpretations

No interpretation of the meaning of the plans, specifications, or other pre-bid documents will be made to any bidder orally.

Every request for such interpretations should be in writing addressed to John Abbott/State Of West Virginia/Purchasing Division/2019 Washington Street East/Charleston, WV 25305, or in the preferred method of email: john.h.abbott@wv.gov per the language of and by the date shown in the Request For Quotations. Any and all such interpretations and any supplemental instructions will be in the form of written addenda to the specifications which, if issued, will be mailed to all prospective bidders (at the respective addresses furnished for such purposes). Failure of any bidder to receive any such addendum or interpretation shall not relieve such bidder from any obligation under his bid as submitted. All addenda so issued shall become part of the Contract Documents.

9. Security for Faithful Performance

The Bidder to whom any contract is awarded, must pay for, execute and deliver to the Purchasing Division, prior to award of contract, a corporate surety Performance and Labor and Material Payment Bond on the forms for which a sample is provided, to be executed by an A.M. Best A- or better rated surety company listed on the most current Federal Register, Circular 570, and which is authorized to do business in the resident state of the Project, in the sum of one hundred percent (100%) of the amount of the contract, insuring the full and faithful performance of the work and payment in full for all materials, machinery, equipment and labor, and covering all the guarantees called for in the specifications and all other obligations arising thereunder.

10. Power of Attorney

Attorneys-in-fact who sign bid bonds or contract bonds must file with each bond a certified and effectively dated copy of their power of attorney.

11. Laws and Regulations

The bidder's attention is directed to the fact that all applicable State laws, municipal ordinances, and the rules and regulations of all authorities having jurisdiction over construction of the project shall apply to the contract throughout, and they will be deemed to be included in the contract the same as though herein written out in full.

Sales and Use Tax: This project is not exempt from state sales and use taxes.

12. Method of Award - Lowest Qualified Bidder

If at the time this contract is to be awarded, the lowest base bid submitted by a responsible bidder does not exceed the amount of funds then estimated by the OWNER as available to finance the contract, the contract will be awarded on the base bid and alternates as they may apply. If such bid exceeds such amount, the OWNER may reject all bids or may award the contract on the base bid combined with such deductible alternates in the Form of Bid, as produces a net amount which is within the available funds.

13. Substitutions

Requests for approval of substitutions must be received by the Purchasing Division, by the date specified in the Request For Quotations for the submission of technical questions. To ensure clarity of the requests, bidders should submit said requests in writing by mail, hand deliver or email. Submission shall be made by prime Bidders; no consideration will be given to items submitted directly by manufacturers, suppliers, distributors or subcontractors. Substitutions of materials, products or equipment for those items specified will be considered only when submitted with a completed "Request for Substitution (Prior to Bid)" form. Substitution requests must be accompanied by manufacturer's original product data information. Reproduced copies of manufacturer's product data will not be permitted and will be rejected. Burden of proof of merit of requested substitution is upon submitter; modifications of provisions of the Request for Substitution Form shall be stated on Contractor's letterhead and attached with request form and other attachments.

Approved requests will be set forth in Addenda issued in accordance with these Instructions to Bidders. All items allowed by Addenda are subject to full provisions of original Bidding Documents, including all modifications thereto and shall be warranted as substitutions conforming with the Bidding Documents.

14. List of Proposed Subcontractor and Equipment/Material Suppliers

The successful vendor should submit a listing of all subcontractors and all major equipment/material suppliers, along with the contractor's license number for each subcontractor, to the Purchasing Division within ten (10) working days of the award of the Contract. This information is to be provided on the "List of Proposed Subcontractors, Equipment/Material Suppliers." Only one subcontractor or equipment/material supplier may be listed for each work area. The successful vendor should establish the reliability and responsibility of all proposed subcontractors and equipment/material suppliers being proposed to perform the work, and verify availability of proposed subcontractors. The successful vendor may be requested within thirty (30) calendar days after award of the contract to furnish to the Purchasing Division a more detailed and complete list of the materials and equipment, together with the product manufacturer's name and catalog number and catalog cut or illustration thereof. "

15. Insurance Coverage

The Contractor shall present evidence to the OWNER of adequate coverage of General Liability and Property Damage Insurance to protect the OWNER from any claim of damage which might arise from any accident or carelessness during the life of this contract.

Insurance coverage types and minimum coverage amounts are indicated on sample Certificate of Insurance bound herein.

16. West Virginia Workers' Compensation

All employees engaged in the work of this contract shall be covered by Workers Compensation Insurance.

17. Wage Rates

In preparation of Bids, contractors are reminded that all projects for the State Of West Virginia are subject to requirements found in the "West Virginia Jobs Act," Chapter 21, Article 1C of the West Virginia Code and all Department of Labor regulations.

Each Bidder shall be responsible for obtaining a current and correct schedule of the prevailing wage rates, as determined by the WV Department of Labor for the resident county of the Project. Bidders may obtain current wage rates at www.wvsos.com, or contact the office of the WV Secretary of State (304) 558-6000.

Bidders are reminded that subject to the provisions of Chapter 21-5A of the West Virginia Code, a legible statement of all fair minimum wage rates to be paid the various classes of workers employed, shall be posted in a prominent place at the project site by each Contractor and subcontractor.

18. Vendor's Number

Prior to any bid or bids being awarded, vendors must properly register and pay the appropriate registration fee to the Purchasing Division. Application for such certificate and vendor's number may be obtained from the Purchasing Division, 2019 Washington Street East, Charleston, West Virginia 25305 (304) 558-2306.
