REQUEST FOR QUOTATION LARGE ACCOUNT RESELLER FOR MICROSOFT SELECT PROGRAM

The purpose of this Request for Quotation (RFQ) is to establish a Large Account Reseller (LAR) to provide Microsoft products under the Microsoft Select agreement to all State agencies and participating political subdivisions (affiliates) of the State of West Virginia.

The State of West Virginia and Microsoft Corporation have a negotiated Select Agreement that permits all entities of State and Local government to procure Microsoft products at the lowest possible Select price level, Level D. This includes all product pools, i.e., Application Pool, Server Pool, and System Pool.

Actual product prices will be established by a contract with a Large Account Reseller (LAR). This pricing will be available to any affiliate, regardless of the size of the affiliate or the volume of products procured. These product prices will be based upon the LAR's percentage discounts from Microsoft Level D Estimated Retail Price (ERP).

Microsoft requires that the State choose and retain a Large Account Reseller through which the software is procured. This Large Account Reseller is defined by Microsoft as a reseller authorized by Microsoft to resell licenses in an enrolled affiliate's area under the Select Program.

If Microsoft introduces new products, the discounts established by this contract will be applied to Microsoft's new product ERP to determine product pricing under the State's Select Agreement.

The State's affiliates can establish Select Enrollments with the LAR under the terms and conditions of the State's amended Select Agreement and the LAR's contract.

Some agencies may want to buy their own CD's for the software procured. The LAR will provide World Wide Fulfillment media for those agencies at a specific cost per CD. This cost must be included on the cost table.

The Large Account Reseller must provide the following:

- 1) The LAR must have a dedicated, fulltime sales representative managing the State of West Virginia's account who can be reached via telephone via and/or e-mail Monday through Friday, between the hours of 8:00 a.m. to 5:00 p.m. EST, excepting State holidays. We understand that this sales representative may be handling other accounts but his/her workload must permit a response time of no more than four business hours from receipt of call or e-mail.
- 2) The LAR must provide Help Desk type of support to provide assistance and guidance on what to buy, prerequisites, and problems encountered during installation. This support must be provided via telephone and/or e-mail Monday through Friday, from 8:00 a.m. to 5:00 p.m. EST, excepting State holidays.
- 3) The LAR must host at last one on-site meeting with State agencies once a year to explain the contract and the services provided, as well as an overview of new product offerings from Microsoft.
- 4) The LAR must provide orientation and planning sessions with individual affiliates regarding benefits, terms and conditions, and service elements offered. These sessions may be via conference call, video conferencing, or on-site.

- 5) The LAR must have a Select licensing expert available that can be contacted by telephone and/or e-mail. This person may be the same or in addition to the sales representative required per item 1) above.
- 6) The LAR's price sheet, based on the current ERP, must show the LAR's product number, Microsoft's product number, the description of the product, the Microsoft Estimated Retail Price (ERP), and the agency cost.
- 7) Whenever Microsoft issues a new ERP, a formal change order must be processed through the Purchasing Division. The LAR must provide the State Purchasing Division with a hard copy of the LAR's price sheet based on the new ERP and an original signature letter requesting that the new price sheet be added to the contract. It is imperative that the LAR provide this documentation in a timely manner. Repeated failure to provide the updated price list for change order processing within two weeks of issuance of a new ERP by Microsoft may be grounds for cancellation of the contract.
- 8) The LAR must provide the Purchasing Division and WVOT quarterly reports showing all purchases made under this contract. This report must show the affiliate procuring the software, the software procured, the amount of software procured, and the dollars spent by the affiliate.
- 9) The LAR must provide Electronic Media Fulfillment services that will allow the agency to receive the data required to feed into the agency's internal electronic software distribution servers or to create their own CD's.
- 10) The LAR must provide Electronic Application Distribution services that will allow WVOT to deliver the product directly to an end-user by sending a secure download key for a specific product so that the end-user is not presented with any options.
- 11) The LAR must provide Internet tracking of the agency purchase that is accessible by both the agency and the WVOT.
- 12) The LAR must accept orders of any quantity and ship orders direct to the agency free of any shipping charges within seven (7) business days after receipt of order.
- 13) The LAR must provide all ordering entities with a written confirmation of the purchase.
