**BID PROPOSAL FOR LEGISLATIVE PRINTING AND BINDING
FOR THE SENATE OF THE STATE OF WEST VIRGINIA
JULY 1, 2010, THROUGH JUNE 30, 2011**

(Prepared by the Clerk of the Senate of West Virginia)

Each bid proposal for legislative printing and binding must be accompanied by a bidder's bond, executed according to law, in the penal sum of fifteen thousand dollars (\$15,000.00) and must be delivered to the Director of Purchasing, Department of Administration, at the time of submission of the bid; the said bidder's bond is to be conditioned upon the execution of proper bond in the full sum of the contract, in the event this bid proposal is accepted and the contract is awarded to the Printer upon the basis of this submitted bid proposal.

**BID PROPOSAL FOR LEGISLATIVE PRINTING AND BINDING
FOR THE SENATE OF THE STATE OF WEST VIRGINIA
JULY 1, 2010, THROUGH JUNE 30, 2011**

The undersigned _____ of _____, hereinafter called the "Printer", hereby proposes to perform the legislative printing and binding for the Senate of the State of West Virginia in accordance with the hereinafter set forth specifications and rules, for the period beginning July 1, 2010, and ending June 30, 2011, and thereafter, in event the option is exercised, for an additional one-year period beginning July 1, 2011, and ending June 30, 2012, at the "rate bid" hereinafter set forth for each item of work bid: Provided, That nothing contained in the awarded contract shall require, or shall be construed as requiring, the Senate or any of its officers to purchase any or any given amount, or all of the printing and binding described herein. Further, nothing in this bid proposal or any contract awarded pursuant hereto shall impair the right and privilege of the Clerk of the Senate, through the Director of Purchasing, Department of Administration, to make purchase of printing of any job amounting to less than two thousand dollars (\$2,000 00), in the open market, in the manner prescribed by law

OPTION

In the event this bid proposal is accepted and a contract is awarded pursuant hereto, the awarded contract may be renewed and extended for an additional period, beginning July 1, 2011, and ending June 30, 2012, upon written consent of the Clerk of the Senate of West Virginia and the Printer.

SPECIAL NOTICE

1. The estimates of required quantities herein given have been prepared from the best data obtainable, but such estimates are not guaranteed; the Printer may be required to furnish more or less or none of the items specified.
2. Bidders are cautioned against bidding low on certain items and high on others, with the expectation of making up on high items what may be lost on low items. Bids unreasonably high on one item and unreasonably low on another will be regarded as "trick" bids and will not be considered. Any change, interlineation or alteration in this bid will render same null and void.

3. Each bidder under these specifications will be required to furnish with the bid a statement of the capacity of his plant for doing the work required under said bid, and no bid will be considered if not accompanied with said information. The bidder must be equipped to do the work and have all machinery and supplies necessary.

4 Three things are hereby impressed upon bidders:

- a The printing and binding must be well done.
- b The printing and binding must be promptly done and promptly delivered
- c The bidder must have the capacity to meet the demands of the Senate of the State of West Virginia for printing and binding.

5 As to the quality of printing and binding, attention is called to the "Rules on Printing" and "Rules on Folding and Binding" of the hereinafter set forth specifications and rules. Bidders are cautioned that the Printer will be required to observe strictly the requirements of these specifications and rules. If any job falls below the requirements of first-class work, the Clerk of the Senate need not accept the same and the Printer will be required to do the job again at his own expense.

6 As to the promptness in doing printing and binding, attention is called to the provisions set forth in "General Provisions". Delays in picking up and returning copy and proofs and delays in printing and binding and delivery of same will not be tolerated. If the Printer should engage in printing for other persons, it is understood and agreed that the work to be performed for the Senate shall always be given precedence.

**GRAND TOTAL BID FOR
LEGISLATIVE PRINTING & BINDING
FOR THE WEST VIRGINIA SENATE
JULY 1, 2010, THROUGH JUNE 30, 2011:**

RULES ON PRINTING

1. Legible and plain copy with full instructions will be furnished the Printer for every job of work; and the Printer shall promptly furnish a revised proof, reasonably free from typographical errors, of such work for inspection. Such proof will be promptly returned to the Printer with such corrections as are desired to be made, which corrections the Printer shall take care to make before printing the work; but if there be changes ordered in any job for the making of which the Printer will demand compensation, before making such changes the Printer shall have a requisition therefor. The Printer will be allowed reasonable compensation for any loss he may sustain by reason of the failure to return promptly to him such revised proof as aforesaid.

2. As to fractions, except as herein otherwise specifically provided:

- a. When the work ordered does not amount to 1,000 impressions of press work, 1,000 impressions may nevertheless be charged therefor.
- b. When folding only is required on a job and does not amount to 1,000 signatures, 1,000 signatures may nevertheless be charged therefor.
- c. When stitching only is required on a job and does not amount to 1,000 signatures, 1,000 signatures may nevertheless be charged therefor.
- d. When folding and stitching with wire is required on a job and does not amount to 1,000 signatures, 1,000 signatures may nevertheless be charged therefor.
- e. When folding and sewing with thread is required on a job and does not amount to 1,000 signatures, 1,000 signatures may nevertheless be charged therefor. [NOTE: Anything in this contract to the contrary notwithstanding, it is hereby understood and agreed that all folding and sewing charges for copies of the Official Journal shall be charged for at the rate hereinabove established for each 1,000 signatures.]
- f. In estimating the composition of all laws, journals, public documents and pamphlets, every fraction of a page shall be counted or charged for, but no entire blank page shall be counted or charged for. Imprint page shall be counted as a blank page.
- g. In estimating press work, if any document is less than 8 1/2 x 11 inches, the same shall be charged at the same rate as paragraph 13 under Press Work, covering blanks, etc.
- h. In estimating press work in book or pamphlet printing where cuts are printed on paper of different quality from that used in the main part of the book or pamphlet, each page so printed shall count as a full form.

These are all the fractions authorized to be charged for as a whole unit. When the press work is more than 1,000 impressions, except as in (g) above, no fractional part thereafter shall be charged as a whole.

3. When any work is done for the Senate and the same is not covered by the contract of the Printer, the price charged therefor shall not be greater than the lowest rate charged any customer; and an affidavit appended to the bill therefor shall so state and also state that the price is just and reasonable.

4. In cases of blanks or other printing requiring curved lines, or other "fancy" work, a reasonable price shall be allowed for such extra work based on the actual time required to perform such extra work.

5. All work shall be done in a first-class manner, free from typographical errors. The type must be of modern styles. Good ink shall be used, and the press work shall be first class.

6. The contract for printing is based on the use of black ink; but when work is ordered to be done in any ink costing substantially more than the said ink, reasonable compensation therefor shall be made to the Printer. It is understood and agreed, however, that no charge shall be made by the Printer for washup of ink.

7. Whenever time is charged for making changes in forms, etc., under paragraph 3 under Time Work, or otherwise, the actual time only shall be charged; and the Printer shall verify such statement by his affidavit.

8. In book and pamphlet work, when the page size does not exceed 6 x 9 inches, each form shall consist of eight pages, 19 x 25 inches press size, if possible. When page size is larger than 6 x 9 inches, each form shall consist of four pages, if the work will make that much; and such printing, when possible, shall be printed so as to make signatures of 16 pages (page size 6 x 9 inches), and signatures of eight pages (page size larger than 6 x 9 inches). One form will be allowed for printing pamphlet covers when printed on one side.

9. In estimating composition of books, pamphlets or blanks, it is the intent of the Senate that composition referred to in this contract be charged for on a per page basis.

10. Whenever there are several blanks to be printed and the same are so nearly alike that it will be cheaper to change the forms thereof than to reset different forms or when the Senate orders a bill printed which is a duplicate of one which the House of Delegates has ordered printed by the Printer, if such should occur, the forms shall be changed and not entirely reset and the time actually occupied in making changes shall be paid for at the rate bid for time work.

11. In all cases of printing, where the same form is to be printed on different kinds of paper, or otherwise, so as not to require resetting of the type, but one charge shall be

made for the composition. This rule shall apply also when a form is to be printed on different sheets or otherwise, and there are to be changes made merely in the headings, or in the endings, so that it is substantially the same form, but in these cases a charge may be made for the time consumed in making the changes, as provided for in the rate bid for time work.

12. Only one charge shall be made for the composition of all documents ordered to be printed by the Senate, and no charge or allowance shall be made for composition when extra or additional copies are ordered to be printed.

13. Blank spaces between paragraphs of copy will not be tolerated; but all the composition of such work shall be compact and no more space be made between paragraphs of copy, unless ordered, than required by the character of the work, demanded by the exigencies of the makeup or required by the rules of good topography.

14. At the top of each page of the Senate Journal there shall be printed the number of the page, the words "Journal of the Senate" and the date, as shown in the journals of the session of 2007.

15. On the first page of each Senate bill, before the title, there shall be printed in brackets and in solid type, the date and by whom introduced, and such other memoranda as to proceedings in reference to the bill as the Clerk of the Senate may furnish. GENERAL PROVISIONS

1. Time is of the essence of this contract in all its provisions in which performance by or within a time certain is required.

2. It is understood and agreed by and between the parties hereto that the Clerk of the Senate shall use reasonable diligence to provide the Printer with the original copy to be used in printing the daily journals and bills at as early an hour as practicable each day: Provided, That it is further understood that such copy, on occasion, may not be ready for delivery to the Printer until late at night of the preceding day and/or until the early morning hours (as late as 1:00 a.m.) of the day upon which such journals and/or bills are required to be printed and delivered to the Senate, as herein provided. Delay on the part of the Clerk beyond the aforementioned hour of 1:00 a.m. in making available to the Printer such copy of the material required for the printing of any journal or bill will extend the time herein provided for the delivery of such journal or bill by the Printer for a period equal to the period of the delay. Failure by the Printer to deliver the aforementioned daily journals and bills in accordance with the foregoing provision may, in the discretion of the Clerk of the Senate, incur a penalty of \$500.00 per day, such assessment to be paid by the Printer to the Clerk of the Senate or deducted by the Printer from the itemized invoice(s) of that day, as directed by the Clerk of the Senate.

3. The Printer agrees to promptly pick up at the office of the Clerk all copy, original, revised and/or corrected, for use in printing the journals, bills and other materials to be printed, as the same are ready for delivery to the Printer.

4. The importance of prompt daily delivery service of the printing and binding provided for under this contract is impressed upon the Printer.

5. The Senate journals for each day shall be delivered by the Printer to the Clerk of the Senate by 9:00 a.m. of the next succeeding day and all printed bills shall likewise be delivered by 9:00 a.m. on the day on which they are needed for use and consideration.

6. It is also of utmost importance and expressly understood that, following *sine die* adjournment of any session of the Legislature, the Printer shall deliver enrolled bills to the Clerk promptly and without delay, such delivery to be completed by not later than the third working day (Sundays excepted) following receipt of copy by the Printer, such receipt either by electronic transmission or by paper hard copy, in the case of general laws and appropriation bills, including the budget bill with its attendant voluminous characteristic. This provision may be waived only by mutual agreement between the Printer and the Clerk of the Senate. The Printer is not to be held liable or responsible for any delays caused by failure to complete the work in the time specified by reason of delayed proofs, excessive corrections in copy or other causes not within his control.

7. The Journal of the Senate for the sixtieth (60th) day of the session and the Journal of the final day of any Regular Session or extension thereof, or of any Extraordinary

Session, shall be printed without delay and shall be delivered to the Clerk of the Senate within one week, including Saturdays and Sundays, from receipt by the Printer of the final corrected copy from the Clerk of the Senate. Failure by the Printer to deliver the aforementioned journals in accordance with the foregoing provision may, in the discretion of the Clerk of the Senate, incur a penalty of \$250.00 for each day of nondelivery by the Printer, excluding weekends and holidays, such assessment to be paid by the Printer to the Clerk of the Senate or deducted by the Printer from the final cost of such journals, as directed by the Clerk of the Senate.

8. The Printer shall deliver to the Clerk of the Senate the completed bound volumes of the Journal of the Senate not more than forty-five (45) calendar days following approval of the final proof thereon. Failure by the Printer to deliver the aforementioned volumes in accordance with the foregoing provision may, in the discretion of the Clerk of the Senate, incur a penalty of \$500.00 for each day of nondelivery by the Printer, excluding weekends and holidays, such assessment to be paid by the Printer to the Clerk of the Senate or deducted by the Printer from the final cost of such volumes, as directed by the Clerk of the Senate. For purposes of this General Provision, "final proof" means the last written page of corrected text which has received the approval of the Clerk or his designee and which is returned to the Printer for inclusion in the text of the bound volume or volumes. In no instance shall a dummy copy (also known as Sherpa) of the volume or volumes be construed to be included in the definition of "final proof" as set forth herein. Such dummy (Sherpa) copy may be furnished to the Clerk for his inspection or shall be furnished to him upon demand.

9. It is imperative that the printing for the Senate be done promptly and without unreasonable delay. Therefore, it is expressly understood and agreed that in the event the Printer fails, refuses or unreasonably delays delivery of items of printing or binding placed with the Printer for completion, the Clerk of the Senate may transfer the work, or parts thereof, to other printing plants, or may relet the unfinished part of the contract, holding the Printer and his sureties liable for any damage or additional cost that may be incurred by the State. The Printer is not to be held liable or responsible for any delays caused by failure to complete the work in the time specified by reason of delayed proofs, excessive corrections in copy or other causes not within his control. It is expressly understood by the Printer that the provisions of this paragraph apply during the interim period as well as during legislative sessions.

10. It is hereby expressly understood by the Printer that when a discrepancy exists between an electronic version and a hard copy version of any text furnished to be printed, the hard copy version is always to be followed unless expressly otherwise directed by the Clerk of the Senate. In all cases when a difference between the electronic and the hard copy version exists, the responsibility shall be upon the Printer to notify the Clerk of such difference and to seek direction or clarification from him as to which text is to be printed. The Printer shall always seek direction from the Clerk and should the Printer fail to follow such directive, the Clerk of the Senate may refuse to pay for such printing until the error shall have been corrected to his satisfaction.

11. The Printer agrees to use the same type face and the same spacing used in the printing of the journals and bills for the Senate during the 2007 Regular Session, unless the Clerk of the Senate and the Printer shall agree otherwise: Provided, That it is distinctly understood that the Clerk of the Senate may make any change or alteration which he may desire in the arrangement, including the spacing between lines, letters and/or words, in the journals and/or bills which are printed for the Senate

12. The Printer agrees to provide suitable space and facilities, subject to the approval of the Clerk of the Senate, for use by four Senate proofreaders at the Printer's place of business in the City of _____, such proofreaders to be hired and compensated by the Printer and approved by the Clerk of the Senate at a per diem rate of compensation to be determined by the Clerk of the Senate. The Senate will reimburse the Printer for these per diem costs and the employer's matching FICA tax only. It is further understood that the employment of additional proofreaders is to be expressly approved by the Clerk of the Senate. All invoices for proofreading services must include completed time sheets of the proofreaders, certified by both the proofreader and the Printer, and must receive the prior approval of the Clerk of the Senate. All actual charges billed for proofreading services must be approved by the Clerk of the Senate

13. Storage space for the paper to be used in the printing to be performed under this contract shall be provided by the Senate at its expense.

14. The Printer is to receive, at the place of storage, the legislative paper stock for printing and binding, as needed for the purposes hereof but in the delivery of printing paper and other printing supplies to be provided for use by the Printer, the Printer shall provide the method and be responsible for the delivery of such printing paper and printing supplies.

15. The Printer shall furnish storage space for the legislative paper stock fully covered by insurance with loss payable clause to the West Virginia Senate.

16. The Printer shall keep a complete inventory of legislative paper stock. Such inventory shall be furnished to the Clerk of the Senate at the end of each month itemizing receipts of shipments and withdrawals during the month, assigning the latter to individual printing orders

17. In no case shall the Printer furnish stock on any printing job without first securing the written permission of the Clerk of the Senate.

18. No printing job shall be invoiced at a greater rate than the shortest method and cheapest price which can be figured under this contract

19. The Printer agrees to furnish a separate itemized invoice for each of the journals, bills and other materials ordered printed by the Senate.

The Printer further agrees that any breach of this warranty shall constitute adequate cause for the annulment of this contract by the Senate, and that the Senate may retain to its own use from any sums due or to be come due hereunder, or from the amount of deposit on bond given hereunder, an amount equal to any brokerage, commission or percentage so paid or agreed to be paid

7.
