REQUEST FOR PROPOSAL WEST VIRGINIA SECRETARY OF STATE

PART 1 GENERAL INFORMATION, TERMS AND CONDITIONS

1.1 Purpose:

The Acquisition and Contract Administration Section of the Purchasing Division, hereinafter referred to as "State", is soliciting proposals for the West Virginia Secretary of State (WVSOS), Elections Division, hereinafter referred to as "Agency", to provide an Electronic Poll Book Application (EPB), to replace printed voter registration books used in every precinct during every election. This solicitation serves as notice, pursuant to West Virginia Code §5A-3-10b, of the commodity or service being sought and is to be considered the opportunity for vendors to indicate their interest in bidding on such commodity or service.

1.2 Project:

The mission or purpose of this project is to allow the State of West Virginia to select a single vendor to provide a uniform electronic poll book application. All precincts that select to participate will have a designated number of electronic poll books as required by West Virginia Code. The proposed poll book application must provide software for the checking of voter registration information, polling place directions, and the integration with the existing state-wide voter registration system (ElectioNet) as provided by PCC Technologies, Inc.

West Virginia seeks to be an innovator in election technology. After evaluating the current process for voter check-in during early voting and on Election Day, we have determined that Electronic Poll Book (EPB) technology can assist in streamlining processes for voters, poll workers and election officials. The Secretary of State's office seeks to cooperate with county officials to implement this technology solution to make Election Day and post-election processes more efficient – conserving taxpayer time and money. Though County Clerks are the chief election official in their jurisdictions, cooperating with the state in this program will help unify the processes for officials and voters, and work within the solid framework of West Virginia election laws to put West Virginia on the leading edge in technology usage.

1.3 RFP Format:

This RFP has four parts. "Part 1" contains general information, terms and conditions; "Part 2" describes the background and working environment of the project; "Part 3" is a statement of the specifications for the services requested pursuant to this RFP, contractual requirements, and special terms and conditions; and "Part 4" explains the required format of the Bidder's response

to the RFP, the evaluation criteria the State will use in evaluating the proposals received and how the evaluation will be conducted.

1.4 **Inquiries:**

Additional information inquiries regarding specifications of this RFP must be submitted in writing to the State Buyer with the exception of questions regarding the proposal submission. The deadline for written inquiries is identified in the Schedule of Events, Section 1.16. All inquiries of specification clarification must be addressed to:

Ron Price, Assistant Director of Purchasing
Purchasing Division
2019 Washington Street, East
P.O. Box 50130
Charleston, WV 25305-0130
Fax: (304) 558-4115

The vendor, or anyone on the vendor's behalf, is not permitted to make any contact whatsoever with any member of the evaluation committee. Violation may result in rejection of the bid. The State Buyer named above is the sole contact for any and all inquiries after this RFP has been released.

1.5 **Vendor Registration:**

Vendors participating in this process should complete and file a ***Vendor Registration and Disclosure Statement*** (Form WV-1) and remit the registration fee. Vendor is not required to be a registered vendor in order to submit a proposal, but the **successful bidder MUST** register and pay the fee prior to the award of an actual purchase order or contract.

1.6 **Oral Statements and Commitments:**

Vendor must clearly understand that any verbal representation made or assumed to be made during any oral discussion held between Vendor's representatives and any State personnel is **not** binding. Only the information issued in writing and added to the Request for Proposal specifications file by an official written addendum are binding.

1.7 **Economy of Preparation:**

Proposals should be prepared simply and economically, providing a straightforward, concise description of Vendor's abilities to satisfy the requirements of the RFP. Emphasis should be placed on completeness and clarity of content.

1.8 **Labeling of RFP Sections:**

The sections within this RFP contain instructions governing how the Vendor's proposal is to be arranged, submitted and to identify the material to be included therein.

1.8.1 *Mandatory Requirements.*

Any specification or statement containing the word "must", "shall", or "will" are mandatory.

Section 3 contains mandatory deliverables required upon contract execution. By signing and submitting a response to this RFP, the vendor agrees to all mandatory deliverables described herein. Section 4 describes RFP response requirements, which may be mandatory. The vendor is required to meet all mandatory requirements in order to be eligible for consideration and to continue in the evaluation process. Failure to meet or agree to mandatory items shall result in disqualification of the Vendor's proposal and the evaluation process will be terminated for that vendor. Decisions regarding compliance with any mandatory requirement shall be at the sole discretion of the State.

1.8.2 Contract Terms and Conditions:

This Request for Proposals contains all the contractual terms and conditions under which the State of West Virginia will enter into a contract.

1.8.3 Informational Sections:

All non-mandatory information specifications do not require a response from the Vendor. They are intended to aid the vendor in structuring an effective proposal capable of meeting the needs of the issuing agency.

1.9 Proposal Format and Submission:

1.9.1 Vendors must complete a response to all mandatory specifications in order to be considered. Each proposal should be formatted as per the outline in Part 4 of this RFP. No other arrangement or distribution of the proposal information may be made by the bidder. Failure on the part of the bidder to respond to specific requirements detailed in the RFP may be the basis for disqualification of the proposal. The State reserves the right to waive any informality in the proposal format and minor irregularities.

1.9.2 State law requires that the original technical and cost proposal be submitted to the Purchasing Division. All proposals must be submitted to the Purchasing Division **prior** to the date and time stipulated in the RFP as the opening date. All bids will be dated and time stamped to verify official time and date of receipt.

1.9.3 Vendors mailing proposals should allow sufficient time for mail delivery to ensure timely arrival. In accordance with West Virginia Code §5A-3-11, the Purchasing Division cannot waive or excuse late receipt of a proposal which is delayed and late for any reason. Any proposal received after the bid opening date and time will be immediately disqualified in accordance with State law and the administrative rules and regulations.

Vendors responding to this RFP shall submit:

One original technical and cost
plus 10 convenience copies to:

Ron Price, Assistant Director of Purchasing
Purchasing Division
2019 Washington Street, East
P.O. Box 50130
Charleston, WV 25305-0130

The outside of the envelope or package(s) should be clearly marked:

Buyer: Ron Price, Assistant Director

Req #: WVSOS09E01

Opening Date: January 23, 2010

Opening Time: 1:30 pm

1.9.4. **Best Value Purchasing Standard Format**

All Requests for Proposals should follow the standard format defined by the Purchasing Division. This format addresses required areas and enables the agency to modify the background and scope of work to meet its needs.

1.9.4.1 *Evaluation Criteria:* All evaluation criteria must be clearly defined in the specifications section and based on a 100 point total score. Based on a 100 point total, cost shall represent a minimum of 30 of the 100 total points in the criteria.

1.9.4.2 *Proposal Format and Content:* Proposals shall be requested and received in two distinct parts: Technical and Cost. The cost portion shall be sealed in a separate envelope and will not be opened initially.

1.9.4.3 *Technical Bid Opening:* The Purchasing Division will open only the technical proposals on the date and time specified in the Request for Proposal. The Purchasing Division representative will read aloud the names of those who responded to the solicitation. The Purchasing Division Buyer will confirm that the original packages contain a separately sealed cost proposal prior to providing the courtesy copies to the agency to begin the evaluation process.

1.9.4.4 *Technical Evaluation:* The pre-selected, approved evaluation committee will review the technical proposals, deduct appropriate points for deficiencies and make a final written consensus recommendation to the Purchasing Division Buyer. If the Buyer approves the committee's recommendation, the technical evaluation will be forwarded to an internal review committee within the Purchasing Division.

1.9.4.5 *Contract Approval and Award:* After the evaluation committee completes its review and prepares the final evaluation making its recommendation for contract award based on the highest scoring Vendor. The final evaluation will be submitted to the Purchasing Division buyer. Once approved by the buyer, the final evaluation must be reviewed and approved by the Purchasing Internal Review Committee. The contract will then be prepared, signed by Purchasing, then forwarded to the Attorney General's Office for approval as to form, funds encumbered, and copies are mailed to the appropriate parties. (Note: In accordance with West Virginia Code §5A-3-37, the Purchasing Division will make the determination of the Resident Vendor Preference, if applicable. Resident Vendor Preference provides an opportunity for qualifying vendors to request at the time of bid preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the West Virginia Code. A certificate of application is used to request this preference. A West Virginia vendor may be eligible for two 2.5% preferences in the evaluation process.)

1.10 Rejection of Proposals:

The State shall select the best value solution according to the evaluation criteria. However, the State reserves the right to accept or reject any or all proposals, in part or in whole at its discretion. The State reserves the right to withdraw this RFP at any time and for any reason. Submission of, or receipt by the State of proposals confers no rights upon the bidder nor obligates the State in any manner.

A contract based on this RFP and the Vendor's proposal, may or may not be awarded. Any contract resulting in an award from this RFP is not valid until properly approved and executed by the Purchasing Division and approved as to form by the Attorney General.

1.11 Incurring Costs:

The State and any of its employees or officers shall not be held liable for any expenses incurred by any bidder responding to this RFP for expenses to prepare, deliver the proposal, or to attend any mandatory prebid meeting or oral presentations.

1.12 Addenda:

If it becomes necessary to revise any part of this RFP, an official written addendum will be issued by the State to all bidders of record.

1.13 Independent Price Determination:

A proposal will not be considered for award if the price in the proposal was not arrived at independently without collusion, consultation, communication or agreement as to any matter relating to prices with any competitor unless the proposal is submitted as a joint venture.

1.14 Price Quotations:

The price(s) quoted in the bidder's proposal will not be subject to any increase and will be considered firm for the life of the contract unless specific provisions have been provided for adjustment in the original contract.

1.15 Public Record:

1.15.1 Submissions are Public Record.

All documents submitted to the State Purchasing Division related to purchase orders or contracts are considered public records. All bids, proposals or offers submitted by bidders shall become public information and are available for inspection during normal official business hours in the Purchasing Division Records and Distribution center after the bid opening.

1.15.2 Written Release of Information.

All public information may be released with or without a Freedom of Information request, however, only a written request will be acted upon with duplications fees paid in advance.

Duplication fees shall apply to all requests for copies of any document. Currently the fees are \$0.50/page, or a minimum of \$10.00 per request which ever is greater.

1.15.3 Risk of Disclosure.

The only exemptions to disclosure of information are listed in West Virginia Code §29B-1-4. Primarily, only trade secrets, as submitted by a bidder, are exempt to public disclosure. The submission of any information to the State by a vendor puts the risk of disclosure on the vendor. The State does not guarantee non-disclosure of any information to the public.

By signing and submitting its proposal, the successful Vendor agrees to be bound by all the terms contained in this RFP.

1.18.1 Conflict of Interest:

Vendor affirms that it, its officers or members or employees presently have no interest and shall not acquire any interest, direct or indirect, which would conflict or compromise in any manner or degree with the performance or its services hereunder. The Vendor further covenants that in the performance of the contract, the Vendor shall periodically inquire of its officers, members and employees concerning such interests. Any such interests discovered shall be promptly presented in detail to the Agency.

1.18.2 Prohibition Against Gratuities:

For breach or violation of this warranty, the State shall have the right to annul this contract without liability at its discretion or to pursue any other remedies available under this contract or by law.

1.18.3 *Certifications Related to Lobbying:*

Vendor certifies that no federal appropriated funds have been paid or will be paid, by or on behalf of the company or an employee thereof, to any person for purposes of influencing or attempting to influence an officer or employee of any Federal entity, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

Vendor agrees that this language of certification shall be included in the award documents for all sub-awards at all tiers, including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements, and that all sub-recipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this contract was made and entered into.

1.18.4 *Vendor Relationship:*

The relationship of the Vendor to the State shall be that of an independent contractor and no principal-agent relationship or employer-employee relationship is contemplated or created by the parties to this contract. The Vendor as an independent contractor is solely liable for the acts and omissions of its employees and agents.

Vendor shall be responsible for selecting, supervising and compensating any and all individuals employed pursuant to the terms of this RFP and resulting contract. Neither the Vendor, nor any employees or contractors of the vendor, shall be deemed to be employees of the State for any purposes whatsoever.

Vendor shall be exclusively responsible for payment of employees and contractors for all wages and salaries, taxes, withholding payments, penalties, fees, fringe benefits, professional liability insurance premiums, contributions to insurance and pension or other deferred compensation plans, including but not limited to, Workers' Compensation and Social Security obligations, and licensing fees, etc. and the filing of all necessary documents, forms and returns pertinent to all of the foregoing.

Vendor shall hold harmless the State, and shall provide the State and Agency with a defense against any and all claims including but not limited to the foregoing payments, withholdings, contributions, taxes, social security taxes and employer income tax returns.

The Vendor shall not assign, convey, transfer or delegate any of its responsibilities and obligations under this contract to any person, corporation, partnership, association or entity without expressed written consent of the Agency.

1.18.5 Indemnification:

The Vendor agrees to indemnify, defend and hold harmless the State and the Agency, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person or firm performing or supplying services, materials or supplies in connection with the performance of the contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use or disposition of any data used under the contract in a manner not authorized by the contract, or by Federal or State statutes or regulations; and (3) Any failure of the Vendor, its officers, employees or subcontractors to observe State and Federal laws, including but not limited to labor and wage laws.

1.18.6 Contract Provisions:

After the successful Vendor is selected, a formal contract document will be executed between the State and the Vendor. In addition, the RFP and the Vendor's response will be included as part of the contract by reference. The order of precedence is the contract, the RFP and the Vendor's proposal in response to the RFP.

1.18.7 Governing Law:

This contract shall be governed by the laws of the State of West Virginia. The Vendor further agrees to comply with the Civil Rights Act of 1964 and all other applicable laws and regulations, Federal, State and Local Government.

1.18.8 Compliance with Laws and Regulations:

The vendor shall procure all necessary permits and licenses to comply with all applicable laws, Federal, State or municipal, along with all regulations, and ordinances of any regulating body.

1.18.9 Subcontracts/Joint Ventures:

The Vendor is solely responsible for all work performed under the contract and shall assume prime contractor responsibility for all services offered and products to be delivered under the terms of this contract. The State will consider the Vendor to be the sole point of contact with regard to all contractual matters. The Vendor may, with the prior written consent of the State, enter into written subcontracts for performance of work under this contract; however, the vendor is totally responsible for payment of all subcontractors.

1.18.10 Term of Contract & Renewals:

This contract will be effective (date set upon award) and shall extend for the period of one (1) year, at which time the contract may, upon mutual consent, be renewed. Such renewals are for a period of up to one (1) year, with a maximum of two (2) one year

renewals, or until such reasonable time thereafter as is necessary to obtain a new contract. The "reasonable time" period shall not exceed twelve (12) months. During the "reasonable time" period Vendor may terminate the contract for any reason upon giving the Agency ninety (90) days written notice. Notice by Vendor of intent to terminate will not relieve Vendor of the obligation to continue to provide services pursuant to the terms of the contract.

Any change in Federal or State law, or court actions which constitute binding precedent in West Virginia, and which significantly alters the Vendor's required activities or any change in the availability of funds, shall be viewed as binding and shall warrant good faith renegotiation of the compensation paid to the Vendor by the Agency and of such other provisions of the contract that are affected. If such renegotiation proves unsuccessful, the contract may be terminated by the State upon written notice to the Vendor at least thirty (30) days prior to termination of this contract.

1.18.11 Non-Appropriation of Funds:

If the Agency is not allotted funds in any succeeding fiscal year for the continued use of the service covered by this contract by the West Virginia Legislature, the Agency may terminate the contract at the end of the affected current fiscal period without further charge or penalty. The Agency shall give the vendor written notice of such non-allocation of funds as soon as possible after the Agency receives notice. No penalty shall accrue to the Agency in the event this provision is exercised.

1.18.12 Contract Termination:

The State may terminate any contract resulting from this RFP immediately at any time the Vendor fails to carry out its responsibilities or to make substantial progress under the terms of this RFP and resulting contract. The State shall provide the Vendor with advance notice of performance conditions which are endangering the contract's continuation. If after such notice the Vendor fails to remedy the conditions contained in the notice, within the time period contained in the notice, the State shall issue the Vendor an order to cease and desist any and all work immediately. The State shall be obligated only for services rendered and accepted prior to the date of the notice of termination.

The contract may also be terminated by the State with thirty (30) days prior notice.

1.18.13 Changes:

If changes to the original contract become necessary, a formal contract change order will be negotiated by the State, the Agency and the Vendor, to address changes to the terms and conditions, costs of work included under the contract. An approved contract change order is defined as one approved by the Purchasing Division and approved as to form by the West Virginia Attorney General's Office, encumbered and placed in the U.S. Mail prior to the effective date of such amendment. An approved contract change order is required whenever the change affects the payment provision or the scope of the work. Such changes may be necessitated by new and amended Federal and State regulations and requirements.

As soon as possible after receipt of a written change request from the Agency, but in no event more than thirty (30) days thereafter, the Vendor shall determine if there is an

impact on price with the change requested and provide the Agency a written statement to identifying any price impact on the contract or to state that there is no impact. In the event that price will be impacted by the change, the Vendor shall provide a description of the price increase or decrease involved in implementing the requested change.

NO CHANGE SHALL BE IMPLEMENTED BY THE VENDOR UNTIL SUCH TIME AS THE VENDOR RECEIVES AN APPROVED WRITTEN CHANGE ORDER.

1.18.14 Liquidated Damages: (Agency Option if appropriate)

According to West Virginia State Code §5A-3-4(8), Vendor agrees that liquidated damages shall be imposed at the rate of \$ 500 (per day, per week, per unit, or some other agreed measure) for failure to provide (deliverables, meet miles stones identified to keep the project on target, or failure to meet specified deadlines) This clause shall in no way be considered exclusive and shall not limit the State or Agency's right to pursue to any other additional remedy to which the State or Agency may have legal cause for action including further damages against the Vendor.

1.18.15 Record Retention:
