## DCH11005

## Addendum No. 1

**Question:**

In the Scope of Work, Item #1 - it states that a brief history is needed for each county but later states that "Brief histories directly copied or paraphrased from other works (even with citations provided) will not be accepted." While I can certainly understand not directly copying others work, I can not understand how you can do a brief history without paraphrasing others work. Does this mean that "original" research is required and if so, exactly how is that to be accomplished? A bit confusing.

**Response:**

The "brief histories" should be the work of the preparer and not copied and pasted from other consultants' work or from works such as the brief histories found in S. Allen Chambers' *Buildings of West Virginia*. True paraphrasing of secondary sources will be accepted. However, copying and pasting entire passages from others' work and changing only a few words throughout the document will not be accepted, whether or not the original source is cited.

**Question:**

Item Number 4 under "Instructions to Bidders" states that "All quotations must be delivered by the bidder to the office listed below...". Will your office accept mailed bids (via USPS or FedEx/UPS/Etc.) or are bids required for hand-delivered by the bidder?

**Response:**

All bids must be received and time stamped prior to the 1:30PM bid opening time. How the vendor decides to deliver their bid is up to the vendor.
