Section 00100 – Instructions to Bidders

In the event that any information contained in this (or any other) Section of the Project Manual is in conflict with West Virginia State Law and/or Purchasing Division rules, policies, and procedures, the State's law, rules, policies and procedures prevail.

1.01 Summary

- A. The Acquisition and Contract Administration Section of the Purchasing Division "State" for the West Virginia General Services Division is soliciting quotations to provide Replacement of the State Capitol Complex Building #1 House and Senate Offices First and Second Floor HVAC Systems located in Charleston, West Virginia. This document is intended to supplement information provided in the standard "Request for Quotation" and "General Terms and Conditions" issued by the Purchasing Division for this project. Bidders shall carefully review all documents.
- B. Project Description
- (a) – The project consists of the replacement of the existing hydronic fan-coil terminal system with a new ducted variable-air-volume (VAV) system served by new air handlers with capability for fresh air ventilation, building air exhaust, and equipped with energy recovery features. The VAV system will also feature space-by-space electric reheat coils for temperature control for each space.
 - (b) The Owner is soliciting bids for a Base Bid which includes all infrastructural work for the entire project and the first quadrant of work (defined as Senate-South Side Renovations). The Owner will also review bids for Alternate #1 (defined as House-South Side Renovations), Alternate #2 (defined as House-North Side Renovations), and Alternate #3 (defined as Senate-North Side Renovations). The Owner's intent is to award a contract for the Base Bid, plus whatever number of alternates it believes to be within its budgetary capabilities, with priority given to Alternate #1, then to Alternate #2, and then to Alternate #3. Refer to Summary specification section (#01100) for details.
 - (c) The project is organized into four (4) phases with the first phase (base bid) allowing for the basic common support infrastructure to be installed for the project and for completion of the first quadrant (25%) of the office space. The subsequent three (3) phases (alternates) are to allow the continued work to complete similar renovations in the remaining quadrants (each at 25%) of the office space.
- C. Contract Period and Liquidated Damages:

Upon issuance of the Notice To Proceed, the Contractor is authorized to proceed with procurement of necessary materials and equipment; developing schedules and coordinating all activities with the Owner's Project Representative.

The Contractor agrees that all Work for each phase (separate construction periods for Base Bid, Alternate #1, Alternate #2, and Alternate #3) is to be Substantially Complete

within the days allotted from the issuance of the Notice To Proceed. Final Completion shall be achieved within forty-five (45) calendar days, thereafter.

For the Base Bid, the Contractor agrees that all Work will be Substantially Complete within 360 days after the issuance of the Notice To Proceed. For Alternate #1, the Contractor agrees that all Work will be Substantially Complete within an additional 180 days after the issuance of the Notice To Proceed. The additional 180 days is for the Work included in Alternate #1 only. The Substantial Completion date for the Base Bid is unchanged by the additional Work in Alternate #1. For Alternate #2, the Contractor agrees that all Work will be Substantially Complete within an additional 180 days after the issuance of the Notice To Proceed. The additional 180 days is for the Work included in Alternate #2 only. The Substantial Completion date for the Base Bid and for Alternate #1 is unchanged by the additional Work in Alternate #2. For Alternate #3, the Contractor agrees that all Work will be Substantially Complete within an additional 180 days after the issuance of the Notice To Proceed. The additional 180 days is for the Work included in Alternate #3 only. The Substantial Completion date for the Base Bid, Alternate #1 and Alternate #2 is unchanged by the additional Work in Alternate #3. Each phase of the four (4) phases of the Project (Base Bid, Alternate #1, Alternate #2, and Alternate #3) will have their own separate Substantial Completion and Final Completion dates.

All work shall be substantially complete within nine hundred (900) calendar days of the issuance of the Notice to Proceed. Final Completion shall be achieved within forty-five (45) calendar days, thereafter. Failure to substantially complete work will result in liquidated damages of \$1,000.00 per calendar day.
