Provided that the Agency meets the definition of a Cover Entity (45 CFR §160.103) and will be disclosing Protected Health Information (45 CFR §160.103) to the vendor.
14. **CONFIDENTIALITY:** The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures, and rules. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to the bidder.

I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership, or person or entity submitting a bid for the same material, supplies, equipment or services and is in all respects fair and without collusion or fraud. **RFQ GSD106447****Clarification and Response from the West Virginia State Tax Department to Question # 2 of the Questions and Answers for Addendum No. 2 (Page 6).**

**Question #2:** Item 8 of the General Terms & Conditions of the Request for Quotation indicates the State is exempt from state taxes. Does this include the 6% WV State Sales Tax?

**Tax Department Response:** Upon perusal of the information provided, the Tax Department is of the opinion that the activity in issue is contracting.

Please be advised that there is a statutory distinction between a vendor and a contractor. Because we are of the opinion that the activities are contracting in nature, please be advised that the contractor is required to pay sales tax on all purchases of tangible personal property and taxable services that are used or consumed in the contracting activity. There is no purchase for resale exemption available. Additionally, West Virginia Code 11-15-8d prohibits a contractor from using an exemption that may otherwise be available to the purchaser of the contracting service. Therefore, as there is no exemption available, and as I indicated previously, the contractor is required to pay sales tax on all purchases of tangible personal property and taxable services that are used or consumed in the contracting activity.
