TECHNICAL QUESTIONS & ANSWERS

Question#1: At one time Washington street ran through the area where this statue is to be erected. Is there any of the old road and its foundation still remaining that may be encountered during excavation?

Answer#1: No. It is believed the Washington Street pavement was removed when this area was landscaped in the 1980's.

Question#2: We were told that there was a water line and an abandoned sewer line in the vicinity of the excavation. Are there any other utilities buried in this area ?

Answer#2: According to available information, the area is believed to be free of known utilities.

Question#3: Can you supply the names of the suppliers of the limestone and granite for the Veterans Memorial so that we may match as close as possible the material requirements for this statue ?

Answer#3: The supplier of stone for the existing Veteran Memorial was Cold Springs Granite. Contact information follows:
