Request for Quotation ISCL0127

The West Virginia Office of Technology (WVOT) is requesting quotations from qualified, manufacturer-authorized, vendors to provide a data center infrastructure equipment price list based on an enterprise (fabric-switched) data center switch, several fabric extenders for top-of-rack deployment, a data center class firewall, a load-balancing appliance and interconnecting interface modules and cable assemblies.

The WVOT is currently looking to consolidate multiple servers, from various agencies in our data center. These servers may be equipped with Gigabit Ethernet interfaces, 10 Gigabit Ethernet interfaces, or in some cases, 100 Mbps interfaces. The Nexus switch "or equal" and fabric extenders are being specified in order to prepare the data center infrastructure to accommodate both the current growth in servers, and the migration to higher density 10 Gigabit Ethernet connectivity in the future. In addition, high-performance firewall and load balancing appliances are being specified in order to accommodate ever-increasing security requirements and traffic volumes.

The model/brand specifications named herein establish the acceptable level of quality only and are not intended to reflect a preference, or to favor any particular brand or vendor. This RFQ specifies Cisco name brand products, "or equal" specifically for the following reason: The products we are requesting for purchase are an expansion and upgrade to our existing data center hardware and system architecture. Any alternative products must seamlessly fit into, integrate with and interchange with the existing Cisco infrastructure investment with zero loss of feature, functionality and no infrastructure configuration changes. Vendors who are bidding alternates should so state and include pertinent literature and specifications. Failure to provide information for any alternates may be grounds for rejection of bid.

The equipment will be delivered to WVOT, 1900 Kanawha Blvd. East, Charleston, WV 25305, attention: Randy Schewe 304-380-9118.

There are no installation or training charges involved in this RFQ, equipment list pricing only with manufacturer warranty and delivery.

This list of equipment is considered to be part of a WVOT upgrade not available from statewide contracts. Vendors must bid new equipment and provide a pricing list for the line itemized bid price sheet of equipment, licenses and contracts and shipping charges.

Certification and application* is hereby made for Preference in accordance with **West Virginia Code**, §5A-3-37. (Does not apply to construction contracts). **West Virginia Code**, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the **West Virginia Code**. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Resident Vendor Preference, if applicable.

1. Application is made for 2.5% resident vendor preference for the reason checked:

- Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; **or**,
- Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or 80% of the ownership interest of Bidder is held by another individual, partnership, association or corporation resident vendor who has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; **or**,
- Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; **or**,

- Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.
