

SOLE SOURCE DETERMINATION

The Purchasing Division has been requested to approve a sole source purchase for the commodity or service described below. Pursuant to West Virginia Code 5A-3-10c, the Purchasing Division is attempting to determine whether the commodity or service is a sole source procurement. If you believe your company meets the required experience and qualification criteria stated below, please e-mail the Purchasing Division Buyer at Roberta.A.Wagner@wv.gov with a copy to W.Michael.Sheet@wv.gov to express your interest in the project. Please forward any and all information that will support your company's compliance with required qualification and eligibility criteria along with any other pertinent information relative to this project to the Purchasing Division no later than 10/4/2010_____.

Requisition Number: LBS11072

Department/Agency: WVDHHR/BPH/Office of Laboratory Services

Detailed Description of Project: Provide an open end contract to purchase testing kits and supplies for the semi-quantitative measurement of Biotinidase and Galactose-1-PO4 Uridyl Transferase activity and the quantitative analysis of Total Galactose in newborn bloodspot specimens for use with the Spotcheck Microanalyzer which is owned and in use in the Newborn Screening Section of the Office of Laboratory Services.

Proposed Sole Source Vendor: Astoria Pacific, Inc.
PO Box 830
Clackamas, OR 97015

Specific Eligibility Criteria: Astoria Pacific, Inc. is the only company that provides a reagent kit for Biotinidase screening and the Total Galactose and Galactose-1-Phosphate Uridyl Transferase kits are only compatible with the Spotcheck Microanalyzer equipment owned and being utilized at the Office of Laboratory Services.

Specific Qualification Criteria: The Total Galactose and Galactose-1-Phosphate Uridyl Transferase kits are unique to the Spotcheck Microanalyzer and no other vendor can provide them. Astoria Pacific, Inc. is the sole source provider for these kits and have no distributor in the US. Sole source documentation is attached.
