West Virginia-American is the largest water utility in West Virginia and is part of the American Water Works family of companies. The Company’s filing indicates that it is seeking an increase in rates of approximately \$18.4million or 15.1 percent.

We are seeking proposals on revenue requirement issues in the WVAWC proceeding. The consultant will be expected to provide expert testimony on all revenue requirement issues (excluding rate of return), including rate base, revenues, expenses (except for service company billings), taxes, operating income, and all of the sub-areas which fall into these categories.

Under the applicable statute, *West Virginia Code Section 24-2-12*, the applicants must demonstrate that the terms and conditions of the proposed transaction are reasonable and do not adversely affect the public and that none of the parties is given an undue advantage over another.

Attached to this RFQ is a bid form to be used in submitting your quotations. Each bidder needs to submit a list of employees and/or job titles for persons working on this case, their estimated hours and their hourly rates. The hourly rates need to be all-inclusive (i.e. there will be no separate reimbursement for expenses such as travel). The bid will be awarded based upon the estimated not to exceed total price. The consultant will only be reimbursed up to the total number of hours estimated for each employee and/or job title.

The general rate case consultant must have at least 10 years experience testifying on revenue requirement issues involving regulated utilities. Upon request, consultants shall submit proof. Consultants shall provide a list of any cases that could be in conflict with this case. Consultants must be Certified Public Accountants or have advanced degrees in business, economics, finance or accounting. The consultants must be able to coordinate and incorporate recommendations from multiple witnesses testifying on behalf of the Consumer Advocate Division.
