Addendum – PSH11027
September 23, 2010

Question #1. I reviewed the RFQ11027 and had the following question and comment. The new RFQ has specified the Psychologist to be a Doctorate level? This is surprising, since the State of WV M.A. level Psychologist are allowed to do everything that is listed in the RFQ and the psychologist that is currently working Mr. Roger Mooney is registered as M.A. level by the WV Board of Psychologists. He has Ed.D against his name but is accepted only as a M.A. level I have checked this myself with the Board and you can too. His license number is 154. I know that this restriction will make the bidding process unfair as none of the local Psychiatric practices have a Doctorate level Psychologist. Also the issue of recording in the medical records electronically soon after seeing the patients is currently not being complied with. I hope these issues are taken into consideration with the bidding decisions are made.

***Answer #1a.** We are requesting the successful vendor be able to provide the following: one (1) doctoral level Psychiatrist who holds a medical degree and one (1) licensed Psychologist who has education at a doctoral level.*

***Answer # 1b.** The electronic medical record (EMR) system was installed and began being fully utilized in April, 2008. Agreements prior to this date did not include provisions for documentation in the EMR as it was not available. However the expectation moving forward is that the successful vendor shall complete patient documentation in the EMR as outlined in item number 11 under the Vendor Responsibilities section of the specifications.*

Question #2. I am requesting your clarification of the following issue regarding RFQ PSH11027 (Jackie Withrow Hospital).

On page 6, under Vendor Responsibilities it states that only a doctoral level psychologist would be considered. Please be advised that according to the WV Board of Examiners for Psychologists (the state licensing board) an appropriate Masters degree is considered on par with a Doctoral degree. A Masters level psychologist is eligible to provide the same services as a Doctoral level provider. A psychologist need only be licensed to be a provider regardless of Masters/Doctoral degree. Arbitrarily requiring a doctoral level psychologist would exclude nearly all, if not all, local providers.

Secondly I believe that the current provider at the hospital is in fact registered with the Board of Examiners as a Masters level provider.

***Answer #2.** Please refer to Answer #1a for clarification.*
