Re: Former DOH Garage – Summersville

Ms. Mullett;

As per our telephone conversation, it is our contract to remove only the built-up roofing down to the decking on the sloped section of roofing. If the decking or additional material is identified as asbestos containing, then a change order would be required for the additional removal.

If you have any questions, please let me know and we look forward to working with you on this project.

Sincerely,
Astar Abatement, Inc.
