BCF13006 ADDENDUM #1

Questions & Answers

Question: Page 007 & page 011. Within the RFQ there is a requirement to provide three full-time staff. To further clarify the RFQ states that, "Staff must be identified prior to the award." In the previous sentence, does "staff" mean all staff? If so, do all staff have to be identified prior to the award, or may two be identified while searching for the third (e.g., two are identified, the third will be identified and hired before July 1, 2012)

Answer: All staff must be identified prior to award.

Question: Cost sheet: Second, within another area of the RFQ it states that a number of position associated costs are to be incorporated into the cost of the three positions (page 0007). The RFQ then specifies two of these expenses, travel and materials, must be included in the amount of \$10,000 (page 0007). Therefore, my reading of this is as follows; other associated expenses may be included (in the positions' expenses) but two expenses, travel and materials, must be included in the specified amount. The specified amount then appears again on the Vendor Bid Summary (page 0012), with the directions to put \$10,000 in the category for *Estimated Travel and Materials{.}* while not separating out other position associated costs. Please let me know if my reading is correct.

Answer: Yes, your reading is correct. All costs for travel and materials are to be combined and not to exceed \$10,000. All other costs will be associated with and included in the position expenses.
