**Project Background:**

On March 12, 2011, House Bill 3021 was passed which continues the work of the West Virginia Comprehensive Behavioral Health Commission (Commission) through June 30, 2014. The Commission has brought the departments and divisions of state government, working collaboratively with the applicable individuals and organizations in the private sector that provide behavioral health services together. It was the purpose of the Legislature to encourage the long-term, well-planned development of a comprehensive and cost-effective system of care for West Virginia. Since October 2006, under the direct administration of the Bureau for Behavioral Health and Health Facilities (BHHF), the Commission and its associated Advisory Board have been meeting including the use of seven working groups. Beyond the start-up process, the Commission and the working groups have completed the first phases of work that included providing analysis of the current system and recommendations for the future system.

**Scope of Work:**

BHHF seeks a logical approach for Facilitation Services and Technical Assistance for this project. The suggested project work plan will include the following tasks:

1. The vendor will work with the Commission Chair, the Advisory Committee and BHHF representatives to establish the specific tasks to be completed, identifying technical assistance, completion of materials, and external production support needs for the next phases of the Commission's work.
2. The vendor will Facilitate Commission and Advisory Board meetings and follow-up working groups including development of positive and effective working relationships among Commission members and volunteers.
3. The vendor will assist with producing appropriate background information and ensure on-going updates of data generated by the Commission and ensure its distribution to all Commission members.
4. The vendor will provide facilitation assistance as needed, in conjunction with the Chair, both before and during full Commission meetings in the Charleston, WV area and conference call meetings.
5. The vendor will work with the Commission's designated Advisory Committee in its consultative role, all working groups established by the Commission and other stakeholders designated by the Commission.

**Request for Quotation**  
**RFQ# BHS12007**

6. The vendor will work as designated by the Commission, with other consultants and experts regarding the areas being studied and the general work of the Commission.
7. The vendor will assist with formulating, writing and distributing all required progress reports done by the Commission.
8. The vendor will provide technical assistance to the Commission's report writing efforts as required to include:
  - a. Help design the final report layout and content of reports.
  - b. Formulate draft report(s) and associated documents for the Commission to review.
  - c. Assist in documenting material used by the Commission in its work and deliberations.
  - d. Provide a PowerPoint presentation of the Commission's work and outcomes.
9. The vendor will assist with the final report based on Commission feedback and produce 50 hard copies of the final report. (Electronic versions must be made available).
10. The vendor will assist with linking the work of the Commission for Residential Placement and the Department of Education's Reaching Every Child Task Force.
11. The vendor will assist with designing and fully developing a process for implementation of the Commission's recommendations, including a monitoring and tracking system.
12. The vendor will provide technical assistance to the Commission and its Chair, as requested, related to the goals and tasks of this project.
13. The vendor will complete production work in support of editing, logistics, copies of materials and any other production work needed by the Commission.
14. The vendor will maintain the Commission's website.

**Vendor Qualifications:**

1. The vendor must provide a detailed work history, including resumes and each of the key project team members must provide supporting documentation of at least two (2) years experience in facilitation, training and leadership coaching, as well as organizational functional analysis and development work. These members must be guaranteed to remain key project team members throughout the life of the contract unless written permission to change is obtained from BHFF.

**Request for Quotation**  
**RFQ# BHS12007**

2. The vendor must provide a detailed work history, which supports at least two (2) years of experience in strategic planning in the public sector (preferred in state government areas working with human services), experience specific with large process improvement initiatives involving multiple working groups and associated processing requirements.

**Invoices and Progress Payments:**

The Vendor shall submit invoices, in arrears, to the Facility at the address on the face of the purchase order labeled "Invoice To" pursuant to the terms of the contract. Invoices may not be submitted more than once monthly and State law forbids payment of invoices prior to receipt of services.

**Renewals:**

This contract may be renewed upon mutual agreement of both parties. The renewal is limited to two (2), one (1) year renewals.

**Method of Bid Evaluation:**

BHMF will use the overall low bid-grand total of all three years from the Bid Price Sheet to determine the low-bid and will award the contract to the lowest bidder meeting the requirements of the specifications.

**West Virginia Code §5A-3-10a states:** No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

**DEFINITIONS:**

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

**EXCEPTION:** The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code §61-5-3*), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
