ADDENDUM #2

QUESTION: When will the winning bidder be able to start work on the contract?

ANSWER: The contract term will be established once the bids have been evaluated and the contract awarded. The approved Purchase Order will be issued, signed and put in the US mail to the successful bidder. Because this is an open end contract, the facilities must first request the services of the vendor. The ordering instructions are found in the terms and conditions of the contract and the vendor can start work once they've received a request from any of the facilities listed on the contract.
