3. Prior to any award, the apparent successful vendor must be properly registered with the Purchasing Division and have paid the required \$125 fee.
4. All services performed or goods delivered under State Purchase Order/Contracts are to be continued for the term of the Purchase Order/Contracts, contingent upon funds being appropriated by the Legislature or otherwise being made available. In the event funds are not appropriated or otherwise available for these services or goods this Purchase Order/Contract becomes void and of no effect after June 30.
5. Payment may only be made after the delivery and acceptance of goods or services.
6. Interest may be paid for late payment in accordance with the *West Virginia Code*.
7. Vendor preference will be granted upon written request in accordance with the *West Virginia Code*.
8. The State of West Virginia is exempt from federal and state taxes and will not pay or reimburse such taxes.
9. The Director of Purchasing may cancel any Purchase Order/Contract upon 30 days written notice to the seller.
10. The laws of the State of West Virginia and the *Legislative Rules* of the Purchasing Division shall govern the purchasing process.
11. Any reference to automatic renewal is hereby deleted. The Contract may be renewed only upon mutual written agreement of the parties.
12. **BANKRUPTCY:** In the event the vendor/contractor files for bankruptcy protection, the State may deem this contract null and void, and terminate such contract without further order.
13. **HIPAA BUSINESS ASSOCIATE ADDENDUM:** The West Virginia State Government HIPAA Business Associate Addendum (BAA), approved by the Attorney General, is available online at [www.state.wv.us/admin/purchase/vrc/hipaa.html](http://www.state.wv.us/admin/purchase/vrc/hipaa.html) and is hereby made part of the agreement provided that the Agency meets the definition of a Cover Entity (45 CFR §160.103) and will be disclosing Protected Health Information (45 CFR §160.103) to the vendor.
14. **CONFIDENTIALITY:** The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures, and rules. Vendor further agrees to comply with the Confidentiality Policies and Information Security Accountability Requirements, set forth in <http://www.state.wv.us/admin/purchase/privacy/noticeConfidentiality.pdf>.
15. **LICENSING:** Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, and the West Virginia Insurance Commission. The vendor must provide all necessary releases to obtain information to enable the director or spending unit to verify that the vendor is licensed and in good standing with the above entities.
16. **ANTITRUST:** In submitting a bid to any agency for the State of West Virginia, the bidder offers and agrees that if the bid is accepted the bidder will convey, sell, assign or transfer to the State of West Virginia all rights, title and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the State of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to the bidder.

I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership, or person or entity submitting a bid for the same material, supplies, equipment or services and is in all respects fair and without collusion or fraud. Addendum #1 - Questions During Pre-Bid Meeting

For DEP15723

Pringle Run #2

The following comments and questions were identified from the Pre-Bid Conference. The answers provided herein take precedence over verbal answers at the PBC should there be any conflict between the two.

Questions:

Site 1

1. Q. Is there material available on-site to backfill the highwall?  
A. Yes.
2. Q. Is the length for the pipe in the bat gate mine seals known?  
A. Not exactly. The length required is dependent upon, and therefore somewhat determined by the conditions encountered during construction.
3. Q. Can the material from clearing and grubbing be burned?  
A. Yes. The required burning permits must be obtained.

Site 3

4. Q. How is the removal and disposal of material from eliminating Pond No. 2 paid?  
A. The excavated material is included in the pay item for "Unclassified Excavation".
5. Q. What is the access to Site 3?  
A. There are two as shown on the plans. Access to the work area to the one side of Pond No. 1 is through Site 2. Access to the other side is by an abandoned road. Culverts must be installed in this road in the locations where drainways exist to convey the drainage across it.
6. Q. Is any backfilling of the upper highwall proposed?  
A. No, except as associated with the mine seal installation.
7. Q. Is any special handling required for the material removed from Pond No.2?  
A. No, except that this material shall be placed within the proposed wetlands area to be constructed.
8. Q. Is the soil berm and outlet channel to be constructed for Pond No. 1 without disturbing the pond area and altering the water level?  
A. Yes.

Addendum #1 – Pringle Run #2

DEP15723

Page Two

9. Q. How is the dewatering of the mine entry that discharges into Pond No. 1 to be accomplished for installation of a mine seal?

A. Dewater the mine in such a manner that the discharge is diverted around Pond No. 1 until base flow is attained, after which it should be allowed to outlet back into Pond No. 1.

The project will be bid as per the attached Revised Bid Schedule.

The Contractor shall have 180 days from the date of the Notice to Proceed to complete construction activities on the project. The \$250.00 per day liquidated damages clause will be in effect after the 150 days. However, the total performance period will be 365 days from the date of the Notice to Proceed for invoicing purposes.
