12. **BANKRUPTCY:** In the event the vendor/contractor files for bankruptcy protection, the State may deem this contract null and void, and terminate such contract without further order.
13. **HIPAA BUSINESS ASSOCIATE ADDENDUM:** The West Virginia State Government HIPAA Business Associate Addendum (BAA), approved by the Attorney General, is available online at [www.state.wv.us/admin/purchase/vrc/hipaa.htm](http://www.state.wv.us/admin/purchase/vrc/hipaa.htm) and is hereby made part of the agreement. 2. Items offered must be in compliance with the specifications. Any deviation from the specifications must be clearly indicated by the bidder. 4. All quotations must be delivered by the bidder to the office listed below prior to the date and time of the bid opening. Failure of the bidder to deliver the quotations on time will result in bid disqualifications: Department of Administration, Purchasing Division, 2019 Washington Street East, P.O. Box 50130, Charleston, WV 25305-0130
5. Communication during the solicitation, bid, evaluation or award periods, except through the Purchasing Division, is strictly prohibited (W.Va. C.S.R. §148-1-6.6).

Question 1: Please clarify the non-Charleston area. I do not understand how the state expects to get a competitive bid w/o allowing for travel time and mileage and some sort of per diem. Is this an area you would reconsider?

Response 1:

The non-Charleston area includes any location beyond 30 miles from State Surplus 2700 Charles Avenue Dunbar, WV 25064-2236 and the requested installation location using MapQuest (<http://www.mapquest.com>), which is the application currently accepted by the West Virginia State Auditor's Office as official mileage.

The State will reimburse mileage to non-Charleston locations at the current mileage reimbursement rate for state employees. The current mileage reimbursement rate (reviewed semiannually) is 0.47 cents per mile. The reimbursement rate includes all expenses related to vehicle operation.

Travel time will be computed using MapQuest (<http://www.mapquest.com>) "commuting time" and be billed at a rate of \$10.00 per hour or \$2.50 per 15-minute interval (rounded down), e.g., 1 hour and 24 minutes would be billed as 1 hour and 15 minutes for a total of \$12.50 times two (round trip) for that billing instance. Multiple installations that occur in the same vicinity (city) on the same day will not be billed separately, e.g., five installations in [City A] would yield the Vendor one instance of billable travel. Additionally, in and around mileage for non-Charleston installations is not authorized. Per Diem (meals and lodging) is not authorized. Installations requiring travel to a non-Charleston location must be approved in advance and in writing, by the FMO.

Question 2: Any consideration for cleaning vehicles that are already in service that is excessively dirty or muddy?

Response 2: The fixed price for installation and removal of door markings should include factoring fifteen (15) minutes per door for cleaning and door preparation prior to installation or removal.

Question 3: Will the demarcation of vehicle be for these decals only?

Response 3: The RFP is intended for the marking and demarcation of FMO-provided door markings (one per front driver door and one per front passenger door) only.

Question 4: What are the states additional insurance requirements for vehicles that we bring to our shop?

In case of accidents, damage, theft or fire etc.?

Response 4: The State does not have additional insurance requirements for vehicles that the Vendor brings to its shop. In the event of an accident, damage, theft, or fire, the Vendor will be identified as Primary Insured. The State of West Virginia will be identified as Additional Insured.
