14. **CONFIDENTIALITY:** The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures, and rules. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to the bidder.

I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership, or person or entity submitting a bid for the same material, supplies, equipment or services and is in all respects fair and without collusion or fraud. Addendum #1

State of West Virginia – General Services Division
Demolition of Clarksburg / Fairmont
State Office Buildings

Project No. GSD 116461

General Information and Clarifications:

Please postpone deadline for submission of technical questions from 6/9/2011 to 6/22/2011.

Please postpone bid opening date from 6/22/2011 to 7/13/2011.

Please disregard the reference in the “Instructions to Bidders”, Section 1.13.B, in the original project manual regarding the requirement for a two year roofing maintenance bond. The Request for Quotation issued by the Purchasing Division prevails (as in all cases), and the maintenance bond IS NOT required.

An additional opportunity to inspect the facility will occur in the form of a scheduled secondary site visit. The Fairmont Building will be open on Thursday, June 16, 2011 from 9:00am – 12:00pm. The Clarksburg Building will be open on Thursday, June 16, 2011 from 1:00pm – 4:00pm. All bidders visiting the facilities for the secondary site visit will be required to leave the building(s) by not later than the time indicated. Bidders are reminded that the current conditions of the building(s) may require that they bring their own flashlights and/or safety equipment. Note: no verbal representations made during the secondary site visit are considered binding to the contract; technical questions arising from or during the visit should be submitted according to the Request for Quotation to be considered.

Included as part of this addendum are the Mandatory Pre-Bid Sign In Sheets.

NOTE: Additional drawings and specification will be issued in a later addendum.
