All planned inspections and replacements shall be in accordance with the equipment manufacturer's specifications and recommendations.

- B. "Corrective Maintenance" shall be defined as maintenance performed on an as-requested basis to correct a malfunction or failure in a non-covered related component of the refrigeration equipment. No Corrective Maintenance shall be performed without authorization from the Agency in the form of an approved release order.

Code §2-2-1 as legal holidays (i.e. new Year's Day, Martin Luther King's Birthday, President's Day, Memorial Day, West Virginia Day, Independence Day, Labor Day, Columbus Day, Veteran's Day, Thanksgiving Day, Lincoln's Day, Election Days, and Christmas Day).

SCOPE OF WORK

The Contractor shall provide Preventative Maintenance and Corrective Maintenance of the specific refrigeration systems in the identified buildings owned and operated by the West Virginia Division of Corrections. See Attachment A.

Contractor shall provide regular and systematic examinations and preventative maintenance service, making examinations at scheduled monthly intervals, at which time he shall take necessary actions to restore the equipment to satisfactory and safe service. By using preventative maintenance methods, the Contractor shall furnish and install parts as necessary to keep the equipment in the best possible working order.

Vendor must be an authorized dealer for refrigeration systems. Vendor must have trained/certified technicians providing service on all equipment listed below. Vendor needs to provide license/certifications of technician providing service.

Huttonsville Correctional Center will provide assistance with a heavy load if needed to eliminate the need for an additional certified technician/helper. A Maintenance Supervisor will accompany all vendor employees throughout their work call at this facility.

If two certified technicians are needed to complete the call it needs to be approved by the Associate Warden of Operations or his designee to assure payment of invoice will be made.

At all times, the Contractor shall also maintain the efficiency, speed and safety for the equipment as designated by the original manufacturer specifications. The Contractor shall perform all necessary examinations and adjustments to maintain equipment at the specified limits. Any tasks are to be done whenever necessary to insure maintenance of adequate safety factors, and in accordance with these specifications.

Preventative Maintenance and Corrective Maintenance must be conducted in accordance with the manufacturer's specifications to keep all equipment operating in accordance with manufacturer's specifications

Service call work other than emergency type, or major activities that would cause disruption to the workplace environment, shall be accomplished during hours of regular scheduled work days. These hours are 8:00 A.M. to 4:30 P.M., Monday through Friday. Routine scheduled maintenance work that would cause disruption of business activities during the regular business hours shall be performed after 5:00 P.M. daily, over weekends or on scheduled holidays.

Contractor shall maintain a supply or inventory of routinely used replacement parts for the equipment identified in this contract. Such spare replacement parts should be kept in a warehouse inventory or available from manufacturing facilities located strategically within the United States and available within twenty-four (24) hours. All replacements shall be equal to or better than original manufacturer's parts.

Any mechanical or electrical part, component, or assembly that must be replaced, repaired, or renewed as a result of wear or breakage, but is unavailable from the manufacturer due to obsolescence, still remains the Contractor's responsibility to replace, repair or renew from another available, reliable source.

The Contractor shall be responsible for all freight charges incurred as a result of the purchase of replacement parts under this Contract. For Corrective Maintenance service parts orders where expedited delivery is requested and authorized by the Agency, the Contractor may invoice for these charges provided that it be given as a pass through cost to the Agency. No mark up shall be permitted for expedited delivery.

Parts Warranty: The Contractor shall provide a copy of the manufacturer's warranty on parts with the invoice.

The Contractor will be responsible for all mileage and travel costs, including travel time, associated with the performance of this Contract.

The relationship of the Contractor to the State of West Virginia shall be that of an independent contractor and no principal-agent relationship or employer-employee relationship is contemplated or created by the parties to this Contract. The Contractor, as an independent contractor, is solely liable for the acts and omissions of its employees and agents. The Contractor

will be responsible for selecting, supervising, and compensating any and all individuals employed pursuant to the terms of this Contract. Neither the Contractor nor any employees or sub-contractors of the Contractor shall be deemed to be employees of the State for any purposes whatsoever. The wages and salaries, taxes, withholding payments, penalties, fees, fringe benefits, professional liability insurance premiums, contributions to insurance and pension or other deferred obligations, and licensing fees, etc., and the filing of all necessary documents, forms and returns pertinent to all of the foregoing are the Contractor's responsibility. The Contractor shall hold harmless the State of West Virginia and the Agency and shall provide the State of West Virginia and the Agency with a defense against any and all claims including but not limited to, the foregoing payments, withholdings, contributions, taxes, social security taxes and employer income tax returns. The Contractor shall not assign, convey, transfer, sub-contract, or delegate any of its responsibilities and obligations under this Contract to any person, corporation, partnership, association, or entity without express written consent of the Agency.

The Contractor agrees to indemnify, defend, and hold harmless the State and the Agency, their officers, and employees from and against (1) any claims or losses for services rendered by any subcontractor, person or firm performing or supplying services, materials, or supplies in connection with the performance of the Contract; (2) any claims or losses resulting to any person or entity injured or damaged by the Contractor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used under the Contract in a manner not authorized by the Contract, or by federal or state statutes or regulations; and (3) any failure of the Contractor, its officers, employees or sub-contractors to observe state and federal laws, including but not limited to labor and wage laws.

According to West Virginia State Code §5A-3-4(8), Vendor agrees that liquidated damages shall be imposed at the rate of **\$1,000.00** for each day for each equipment for which the vendor does not meet specification of this contract for failure to provide scheduled monthly maintenance by the end of each month. This clause shall in no way be considered exclusive and shall not limit the State or Agency's right to pursue any other additional remedy to which the State or Agency may have legal cause for action including further damages and penalties against the Vendor.

The contract will be awarded to the vendor with the lowest grand total meeting all of the specifications. Preventative maintenance will be performed by Contractor in exchange for a flat monthly cost for all of the equipment listed on Attachment A. “Debtor” means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. “Political subdivision” means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. “Related party” means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers’ compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.
