Consumer Advocate Division
Public Service Commission
PSC Case No. 11-1775-E-P
Appalachian Power Company and
Wheeling Power Company

The Consumer Advocate Division of the Public Service Commission of West Virginia (“CAD”) is soliciting bids for the provision of consulting services in connection with the petition for approval of the merger of Appalachian Power Company (“Apco”) and Wheeling Power Company (“Wpco”) at the Public Service Commission of West Virginia, PSC Case No. 11-1775-E-P.

The Consumer Advocate Division has formally intervened on behalf of residential customers of the electric utility. Case filings can be reviewed at the Commission’s web site at: <http://www.psc.state.wv.us/> . (Direct links to the filings are not available. Search by case number using the “case information” function of the site.)

Both Apco and Wpco are subsidiaries of American Electric Power (“AEP”). Apco owns electric generating facilities and currently is a member of the AEP power pool, which allows operating companies to share generating resources. Wpco does not own any generating facilities and purchases all of its requirements through a wholesale power contract with another AEP subsidiary, Ohio Power Company (“Opco”). Due to a number of factors within AEP (which are described in more detail in the merger petition and testimony), it is unclear at this time whether or not the merger of Apco and Wpco will be beneficial for West Virginia ratepayers.

We are seeking bids for a consultant to conduct an Integrated Resource Plan (“IRP”) for Apco on a stand-alone basis and for Apco and Wpco on a merged basis. The IRP will include an evaluation of the forecasted peak demand and energy requirements for Wpco and/or Apco as well as the costs of all feasible demand-side and supply-side resources. The consultant will also review the analysis and the testimonies submitted by the companies and other parties in the merger proceeding. The consultant will be expected to provide expert testimony supporting the IRP analysis as well as discussing the analysis and testimonies presented by the companies and other parties.

Attached to this RFQ is a bid form to be used in submitting your quotations. Each bidder needs to submit a list of employees and/or job titles for persons working on this case, their estimated hours and their hourly rates. The hourly rates need to be all-inclusive (i.e. there will be no separate reimbursement for expenses or travel.) The bid will be awarded based upon the estimated not to exceed price. The consultant will only be reimbursed up to the total number of hours estimated for each employee and/or job title. Please submit a history of the regulated utility cases in which you have participated involving revenue requirement issues and a list of any cases that could be in conflict with this case.

The consultant must have at least 10 years experience testifying on IRP issues involving regulated utilities. The Consultant should have degrees in engineering, business, economics, finance or accounting. The consultant must be able to coordinate and incorporate recommendations from multiple witnesses testifying on behalf of the Consumer Advocate Division.
