Purpose:

The Acquisition and Contract Administration Section of the Purchasing Division "State" for the Department of Health and Human Resources, Bureau for Behavioral Health Facilities, Welch Community Hospital, "Agency" is soliciting Quotations to provide a service/support and corrective maintenance agreement on medical equipment for Welch Community Hospital.

Project:

The mission or purpose of this project is to provide a service/support and corrective maintenance agreement on medical equipment for Welch Community Hospital.

Location:

Agency is located at Welch Community Hospital, 454 McDowell Street, Welch, WV 24801

Background:

Welch Community Hospital is a 124 bed hospital, 59 of which are Long Term care beds. Acute care beds include: 8 Intensive care beds; 2 pediatric beds; 10 obstetrical beds and 45 medical/surgical beds. The hospital serves the counties of McDowell, Wyoming and Mingo with a total market population of about 83,000.

PROCUREMENT SPECIFICATIONS

General Requirements

The mission/purpose of this project is to provide a service/support and corrective maintenance agreement for medical equipment. Agreement is to include on-site equipment repairs and scheduled preventative maintenance (PM's) which are factory recommended. This must include labor and travel.

Repair parts will be provided by the vendor with a predetermined mark-up as indicated on the cost sheet. (Not to exceed 10 %.) Though there is no guarantee that corrective maintenance work will be required, as a basis for providing this bid, the vendor may assume that a total of seventy-five (75) hours will be used, along with materials costing an estimated \$3,000.

Scope of Work:

The vendor is to provide a quote of a service/support and corrective maintenance agreement for medical equipment at Welch Community Hospital, more specifically, vendor shall include, but not limited to the following requirements:

1. Vendor shall report to the Nursing Administration Department or the facilities designated representative, prior to performing any work specified within this document. Vendor shall provide routine coverage from 8:00 a.m. to 5:00 p.m. Monday through Friday excluding holidays (Memorial Day, July 4th, Labor Day, Veteran's Day, Thanksgiving Day, Friday following Thanksgiving, and New Year's Day).
2. Vendor shall have the ability if needed, to provide on-site corrective maintenance after hours, weekends, and holidays as needed.
3. The vendor must ensure that a local engineer/technician is available to provide onsite service within 4 hours of receiving a service call. The vendor will be certified for equipment listed. If maintenance is needed after normal business hours from 5 p.m. to 8 a.m. or on holidays, the hourly rate will be indicated on cost sheet attached.
4. Vendor shall provide technical support via phone 24 hours per day 7 days per week.
5. The vendor must complete PM's on a monthly and/or bi-annual basis for the specified medical equipment as recommended by the manufacturer.
6. When equipment becomes inoperable due to mechanical failure, vendor is required to provide repairs. Should this be required the contractor agrees to provide corrective maintenance at the hourly rate as indicated on cost sheet.
7. The vendor must provide the hospital with copies of all maintenance service reports that describe the actual maintenance work performed on each item on the equipment list. The vendor shall provide and maintain a current, orderly and chronological log, posted within Nursing Administration, of all servicing and maintenance work performed, and status reports shall be submitted to the facility monthly.
8. Services provided shall meet JCAHO (Joint Commission on the Accreditation of Healthcare Organizations) compliance (www.jointcommission.org).
9. Hospital will notify vendor in advance if new equipment (equipment that may be purchased after the date of the contract and added only after new equipment warranty has been exhausted) is to be added to the equipment list. Pricing of any

equipment added will be of mutual agreement between the vendor and the hospital via change orders and proper documentation of such.

10. Equipment deleted from service agreement prior to the expiration of agreement will be removed by mutual agreement by vendor and hospital, and the contract amount will be reduced by the amount allotted for the equipment, prorated from the date of removal.
11. If it is determined that a piece of equipment has reached the end of its service life, the vendor must notify the facility's Nursing Administration Department in writing. The facility will then evaluate retirement of the equipment. After notification from the vendor and evaluation, if the hospital desires the piece of equipment to remain in service it will be maintained and repaired on a time and material basis.
12. Vendor must have Worker's compensation insurance and general liability with an amount of at least \$1,000,000.00 C.S.L. (combined single limit) and the State of West Virginia will be named the Certificate Holder, since the vendor will be working on-site.
13. Payment will be made by the Agency on a monthly basis, in arrears, for services performed after 100% acceptance by the Agency.
14. Contract will be awarded to the lowest grand total bid meeting specifications.
15. Successful bidder must be a registered vendor with the WV State Purchasing Division and the Secretary of State Office, and any other entity that is required by West Virginia State Code including but not limited to section 21-11-2.
16. This contract may be renewed upon the mutual written consent of the spending unit and vendor submitted to the Director of Purchasing thirty (30) days prior to the expiration date. Such renewal shall be in accordance with the terms and conditions of the original contract and shall be limited to two (2) one (1) year periods.

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.
