ATTACHMENT A

Addendum #2 RFQ#6613C017

To answer questions posed by vendors.

Question #1 The liner that is requested in the bid is a special one and we would have to order an initial run. This could take up to three weeks. After the first run it is an item that will be stocked. Is this acceptable or does the first order have to be delivered within ten days?

Response #1 Section 6.1 Delivery Time explains the Vendor's responsibility with delivery once an order is placed with the Vendor by one of the WVDOH's Districts. The Section also states "unless an alternate delivery date has been agreed upon between the WVDOH and vendor". If a District places an order immediately upon award of the contract, the Vendor may request "an alternate delivery date" to the WVDOH and if time does allow, the WVDOH may agree to the alternate delivery date.
