

SOLE SOURCE DETERMINATION

The Purchasing Division has been requested to approve a sole source purchase for the commodity or service described below. Pursuant to West Virginia Code 5A-3-10c, the Purchasing Division is attempting to determine whether the commodity or service is a sole source procurement. If you believe your company meets the required experience and qualification criteria stated below, please e-mail the Purchasing Division Buyer at Alan.W.Cummings@wv.gov with a copy to w.michael.sheets@wv.gov to express your interest in the project. Please forward any and all information that will support your company's compliance with required qualification and eligibility criteria along with any other pertinent information relative to this project to the Purchasing Division no later than 1:30 PM on 08/01/2012.

Requisition Number: 7712022 Department/Agency: WVDOT/WVDOH

Detailed Description of Project: Upgrade our International Cybernetics Corporation Profiler, which conducts the Division's road smoothness program according to requirements of AASHTO, from a two laser to a five laser system, including one year support. The upgrade will include two – 16 KHz lasers and one – 62.5 KHz laser, mounting metal work, cabling, electronics and texture reporting software.

Proposed Sole Source Vendor: International Cybernetics Corporation
PO Box 17246
Clearwater, FL 33762

Specific Eligibility Criteria: Lasers must be compatible with our presenter computer system on the profiler, which was updated last year.

Specific Qualification Criteria: Must be capable of operating new lasers with same computer system that is presently used. With the additional of these lasers, must enable our system to be capable of conducting and analyzing rutting, according to the requirements of AASHTO R48, micro and macro texturing according to requirements of ASTM E1845, and cross slope procedures, according to the requirements of AASHTO PP70.
