## ADDENDUM NO. 6 RFQ 8513C2019

Vendor inquiries which have been submitted for this RFQ and answers are as follows:

Question #1: Addendum # 5 states that the lettering shown on vest is not as specified in the RFQ.

Please let me know what is the difference between what is shown in the photo (current vest) and what is in the new specifications?

Answer #1: This was an inadvertent error on our part. The vest used for the photos was a previously submitted sample vest. The height of the lettering was estimated to be 1" rather than 1-1/2" as is specified in the RFQ. The legend size on the vest in the photos was actually 1-1/2", so the legend on the vest in the photos included in the addendum does in fact meet the current RFQ requirements.
