Questions & Answers for AGR1327

Q.1. It was my understanding that a detail would be made available as to the type of temporary enclosure required to be installed at the openings after the old doors are removed and while the new doors are being installed. Will that be issued with the answers to the questions or sooner ?

A.1. The vendor will be responsible for assuring that temperature is kept in the freezer and cooler while the doors are installed.

Vendor can use any material on enclosure.
