**Addendum #1 - Questions During Pre-Bid Conference  
Shinnston (Shinns Run) Portals & AMD  
DEP15910**

The following comments and questions were identified from the Pre-Bid Conference. The answers provided herein take precedence over verbal answers at the PBC should there be any conflict between the two.

**Questions:**

1. **Q.** Can the contractor stage in the City's parking lot area for the baseball field?
  - A.** With permission and written agreement with the City. The agreement must state the property owner(s) indemnify and hold harmless the WVDEP for the contractor's actions for any injury or damages whatsoever resulting from the use of the property.
  
2. **Q.** What is the water level in the mines where the horizontal boring is to occur?
  - A.** The levels were noted in the coring logs and a piezometer is left in place to take readings prior to drilling.

The Contractor shall have 180 days from the date of the Notice to Proceed to complete construction activities on the project. The \$250.00 per day liquidated damages clause will be in effect after the 180 days. However, the total performance period will be 365 days from the date of the Notice to Proceed for invoicing purposes.
