**Addendum #1 - Questions During Pre-Bid Meeting
For DEP 15984
Clarksburg (Lyons) Landslide Project**

The following questions were identified from the Pre-Bid Conference. The answers provided herein take precedence over verbal answers at the PBC should there be any conflicts between the two.

- 1.) **Q.** If the "Upper Access Road" is all that is used, do we still have to pave the "Lower Access Road"?
- A.** If the Contractor and the WVDEP Pre-Construction video documentation and inspection report support the claims of non-use, the Contractor would not be responsible for resurfacing the "Lower Access Road".

The Contractor shall have 240 days from the date of the Notice to Proceed to complete construction activities on the project. The \$250 per day liquidated damage clause will be in effect after the 240 days. However, the total performance period will be 365 days from the date of the Notice to Proceed for invoicing purposes.
