For DEP 16122

Manley Chapel (Anderson) Portals & Drainage

The following comments and questions were identified from the Pre-Bid Conference. The answers provided herein take precedence over verbal answers at the PBC should there be any conflict between the two.

Q1. Is any of the work on the DOT right of way?

A1. Only ingress and egress. All other work is on private property.

Q2. Can we use electric fence for the temporary fencing?

A2. No. Fence must be barb wire.

Q3. Can the concrete blocks from the building that is being torn down be buried on site?

A3. Yes. All other material must be burned or disposed of at an approved landfill.

Q4. Does the access road stone have to be removed?

A4. Yes. You can either haul it away or work with the property owner to move it to an approved location on his property.

The Contractor shall have 90 days from the date of the Notice to Proceed to complete construction activities on the project. The \$250.00 per day liquidated damages clause will be in effect after the 90 days. However, the total performance period will be 365 days from the date of the Notice to Proceed for invoicing purposes.
