Addendum # 1

Item 1: The contractor will have 90 days from the date of the Notice to Proceed to complete construction activities on the project. The \$250 per day liquidated damage clause will be in effect after the 90 days. However, the total performance period will be 365 days from the date of the Notice to Proceed for invoicing purposes.

Item 2: The Contractor is reminded that all work along the Hatfield & McCoy Trail should be coordinated with the Chief Trail Manager, Mr. Jared C. Stone (304-752-3255 or 304-784-4678) prior to commencing work.

Item 3: Access roads constructed to gain access to, travel between, or otherwise required for equipment/vehicular site access shall be kept to a minimum and only constructed where necessary. Any additional access shall require the Contractor to obtain written permission from the respective land owner. The Contractor shall be required to obtain a right of entry agreement from any property owner(s) prior to the utilization or construction of any access outside of the construction limits shown on the plans. Such agreement shall require the property owner(s) to indemnify and hold WVDEP harmless from any and all injuries or damages, whatsoever, resulting from the Contractor's use of the property.

Item 4: In reference to Section 4.1.3 of the Specifications (Access Road Construction), the last sentence, "Final grading, 4-inch thick layer of new stone for full access road width.....shall be performed after reclamation operations....." will be deleted from the Specifications. The Contractor shall be responsible to return any disturbed areas, including access roads, to an equal to or better than condition.

Item 5: In reference to Section 9.1 of the Specifications, please add the following sentence, "Bat gate installation between September 1 and October 1 may only occur at the discretion of, and with the prior approval from, the Engineer.

Item 6: The Contractor is reminded that some of the areas adjacent to the portals have loose, and potentially unstable, rock overhangs. The Contractor is reminded that before submitting proposals for the work, each bidder will be held to have examined the premises and satisfied itself as to the existing conditions under which it will be obliged to operate. Contractor will operate in a safe manner, and in accordance with all local, state, and federal regulations. Should scaling/cleaning of the adjacent area be required prior to bat gate installation, the excess material can be placed, graded to drain, and vegetated within the construction limits adjacent to the portal areas, with approval from the Engineer. No separate pay item will be included for the scaling/cleaning of loose debris. Work will be incidental to Pay Item 9.1, Bat Gate Mine Seal.
