The affidavit must be submitted prior to award, but should be submitted with the Vendor's bid. A copy of the Purchasing Affidavit is included herewith.
- 48. ADDITIONAL AGENCY AND LOCAL GOVERNMENT USE:** This Contract may be utilized by and extends to other agencies, spending units, and political subdivisions of the State of West Virginia; county, municipal, and other local government bodies; and school districts ("Other Government Entities"). This Contract shall be extended to the aforementioned Other Government Entities on the same prices, terms, and conditions as those offered and agreed to in this Contract. If the Vendor does not wish to extend the prices, terms, and conditions of its bid and subsequent contract to the Other Government Entities, the Vendor must clearly indicate such refusal in its bid. A refusal to extend this Contract to the Other Government Entities shall not impact or influence the award of this Contract in any manner.
- 49. CONFLICT OF INTEREST:** Vendor, its officers or members or employees, shall not presently have or acquire any interest, direct or indirect, which would conflict with or compromise the performance of its obligations hereunder. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. Any conflict of interest discovered shall be promptly presented in detail to the Agency.
- 50. REPORTS:** Vendor shall provide the Agency and/or the Purchasing Division with the following reports identified by a checked box below:
- ☒ Such reports as the Agency and/or the Purchasing Division may request. Requested reports may include, but are not limited to, quantities purchased, agencies utilizing the contract, total contract expenditures by agency, etc.
 - ☐ Quarterly reports detailing the total quantity of purchases in units and dollars, along with a listing of purchases by agency. Quarterly reports should be delivered to the Purchasing Division via email at purchasing.requisitions@wv.gov.
- 51. BACKGROUND CHECK:** In accordance with W. Va. Code § 15-2D-3, the Director of the Division of Protective Services shall require any service provider whose employees are regularly employed on the grounds or in the buildings of the Capitol complex or who have access to sensitive or critical information

to submit to a fingerprint-based state and federal background inquiry through the state repository. The service provider is responsible for any costs associated with the fingerprint-based state and federal background inquiry.

After the contract for such services has been approved, but before any such employees are permitted to be on the grounds or in the buildings of the Capitol complex or have access to sensitive or critical information, the service provider shall submit a list of all persons who will be physically present and working at the Capitol complex to the Director of the Division of Protective Services for purposes of verifying compliance with this provision.

The State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check.

Service providers should contact the West Virginia Division of Protective Services by phone at (304)558-9911 for more information.

52. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open hearth, basic oxygen, electric furnace, Bessemer or other steel making process.

The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:

- a. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
- b. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

53. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products.

This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

- 3.2 Contract Items and Mandatory Requirements:** Vendor shall provide Agency with the Contract Items listed below as a lease/rental Contract Item on an open-end and continuing basis. Contract Items must meet or exceed the mandatory requirements as shown below.

3.2.1 Exhibit B, Pricing Pages, Schedule I, Equipment Offered for Lease/Rental, Without Delivery/Without Operator

3.2.2 Exhibit B, Pricing Pages, Schedule II, Equipment Offered for Lease/Rental, Without Delivery/WITH Operator

3.2.3 Mobilization: Vendors shall deliver needed equipment at any given time, assembled and ready to operate to any location or locations designated by the WVDOH on an Agency Release. Bids for mobilization shall be bid per mile. Mobilization bid in any form other than cost per mile shall be grounds to disqualify the Vendor's bid. Vendor shall bid the cost of equipment delivery for the first mile and the cost for any additional miles after the first mile. Delivery/Mobilization fees shall be calculated and paid one-way only by the WVDOH from the Vendor's storage location to the WVDOH project site. When the Vendor has multiple projects or the equipment is traveling from WVDOH location or project to project, additional miles will only be paid from project to project or from the Vendor's storage location to the project, whichever is less mileage. The

WVDOH will provide the location for delivery of the leased/rented equipment to the Vendor on an Agency Release.

The WVDOH will calculate the in-state delivery route mileage from the equipment owner's location of the equipment to the WVDOH job site utilizing the WVDOH Straight Line Diagrams. These Diagrams for WV Primary Routes and WV Secondary Routes are available in each WVDOH's District Office and the Central Office located in Charleston, WV. The WVDOH will determine the route to be taken due to bridge and/or road restrictions.

Out-of-state delivery route mileage will be calculated by the WVDOH utilizing "Map Quest" or a similar source for routing from the equipment owner's location of the equipment to the WV State line at which time, the Straight Line Diagrams will be sourced to the WVDOH job site.

- 3.2.4 Lease/Rental Period:** Quoted rates for leased/rented equipment, with operator or without operator, shall be for lease/rental days, weeks and months.

A lease/rental day is a day of agency possession of equipment during which it is not down for four hours or more during the normal work period. NOTE: Days on which a piece of equipment is down for normal maintenance or repair for four hours or more during the normal work period shall be considered a day of downtime and shall not be considered a day of equipment lease/rental.

A lease/rental week is seven lease/rented days, including Saturdays, Sundays and Holidays.

A lease/rental month is thirty lease/rented days, including Saturdays, Sundays and Holidays.

The date of official receipt of leased/rented equipment by the WVDOH shall be considered the first day of lease/rental. The day immediately preceding the date on which leased/rented equipment is officially returned to the owner shall be considered the last day of lease.

A day or days used by the Vendor solely for the purpose of travel to the site, set-up or breakdown of the equipment shall not be considered as a lease/rental day.

3.2.5 Maintenance of Lease/Rental Equipment:

3.2.6.1 Equipment leased/rented from Schedule I: At its own expense, the WVDOH shall provide only fuel, oil and other lubricants, which are necessary for the operation, maintenance and use, of the equipment leased/rented from Schedule I. The WVDOH shall repair or replace any part of the leased equipment which shall be destroyed, damaged or made inoperative by reason of the ordinary negligence, abuse or improper operation by its personnel. The WVDOH shall not be responsible for any such replacement or repair caused by any defect existing in such equipment at the time of delivery by the Vendor to the WVDOH or if the need for such replacement or repair resulted from normal usage. The WVDOH shall replace or repair any part of said equipment which shall become lost, stolen or damaged by reason of the failure of the WVDOH and its personnel to use ordinary care for the protection of such equipment.

3.2.6.1.1 Down Time: All such equipment inoperable by reason of the necessity of replacement parts or repair of damage for a period of time greater than four hours shall be considered by the WVDOH as "down" and no payment shall be made by the WVDOH for the use of such equipment for such periods unless such "down time" is due to the negligence or lack of reasonable care by the WVDOH.

3.2.6.1.2 Risk of Loss, Damage, Destruction or Theft: While in the possession or under the control of the WVDOH, due to or caused by the ordinary negligence of the WVDOH or its personnel or by the failure of the WVDOH or its personnel to exercise ordinary care for the protection of such equipment, the responsibility shall be borne by the WVDOH from and after the delivery of such equipment by the Vendor to the location designated by the Agency Release and its acceptance by the WVDOH according to Section 6.1.1. of these specifications and the terms and conditions hereinafter set forth. The WVDOH shall not be responsible for any such loss, damage, destruction or theft, partial or complete, caused by a defect in such equipment existing at the time of delivery thereof by the Vendor to the WVDOH.

The total or partial loss of use or possession of any said equipment shall not abate any payments required to be made by the WVDOH to the Vendor if such loss of use or possession is caused by the

ordinary negligence or the lack of ordinary care of such equipment by the WVDOH or its personnel.

The said equipment shall be deemed to be a total loss by reason of its disappearance or if it has sustained physical damage and the estimated cost of repairs is determined to exceed 75% of the market value of such equipment. If a claim is made by the Vendor against the WVDOH for the loss or damage to such equipment, the Commissioner of the WVDOH shall review such claim and if after review the Commissioner shall determine that a sum of money is due the Vendor and acceptable to the Vendor, issue a requisition to the Auditor of the State of WV for the payment of such agreed sum to the Vendor. Reference WV Code §17-3-4. See copy attached.
<http://www.legis.state.wv.us/WVCODE/ChapterEntire.cfm?chap=17&art=3§ion=4#03>

In the event that, prior to the payment of any claim to the Vendor by the WVDOH, the Vendor shall receive any sum of money from any insurance company or from any person, firm or corporation, any such sum of money shall be deducted by the WVDOH from any claim to be paid by it to the Vendor. The same shall be with the Vendor. If the Vendor shall receive any sum of money from any insurance company or from any person, firm or corporation a sum of money after payment from the WVDOH has been received, the Vendor shall reimburse the WVDOH the amount received or such part received that equals the amount WVDOH has paid to the Vendor.

The Vendor may at its choice proceed to the WV Court of Claims as to any claim it may have against the WVDOH for such loss, damage, destruction or theft of said equipment.

3.2.6.2 Equipment leased/rented from Schedule II: Equipment leased/rented from Schedule II shall have fuel, oil and other lubricants supplied by the Vendor. Vendors shall be responsible for performance of regular, routine, preventive maintenance, according to Manufacturer recommendations of equipment and parts/supplies associated with regular, routine, preventive maintenance activities.

3.2.6.2.1 Risk of Loss, Damage, Destruction or Theft: The Vendor shall be responsible for maintenance of such equipment, for all loss to such equipment, destruction of or damage to such equipment and shall repair or replace any such equipment lost or

destroyed. "Down time" will be referred to as described in Section 3.2.6.1.1 of these specifications.

After the equipment is delivered to the WVDOH job site or WVDOH location by the Vendor, according to the Agency Release, the WVDOH shall then be responsible for any loss of such equipment or any part of the equipment during the time that the equipment is not in use or is not required to be attended by the Vendor's operators. The WVDOH shall be responsible for the security of such equipment as limited to ordinary care.

NOTE: Operators furnished by the Vendor per Schedule II, while under the direction of the WVDOH, shall remain the employees of and under the control of the Vendor and shall not be considered as agents of the Division of Highways.

4. CONTRACT AWARD:

- 4.1 Contract Award:** The Contract is intended to provide Agencies with a lease/rental price on all Contract Items. A Contract shall be awarded to all responsible Vendors that provide the Contract Items for lease/rental which meet all required specifications of this contract.
- 4.2 Pricing Pages:** Exhibit A, Counties Bid, should be completed and submitted with Exhibit B, Pricing Pages. Vendors should mark with an "X" or "✓" whether their submitted pricing is for "Statewide" or particular "Counties". If Vendor fails to state which County or Counties he wishes to lease/rent equipment to the WVDOH, it will be assumed that the Vendor's bid is for Statewide.

Vendor should complete Exhibit B, Pricing Pages by providing the Manufacturer's Name, Model/Serial #, Daily, Weekly and/or Monthly Rental Rate, without delivery, and the Equipment Delivery Fee for each item bid. Vendor may bid any or all items on Exhibit B, Pricing Pages. Failure to provide this information on the Pricing Pages for each item bid may result in disqualification of award to the Vendor for that particular item.

The Pricing Pages contain a list of the Contract Items. At this time, there is no estimated lease/rental volume available for any item. No future use of the Contract or any individual item is guaranteed or implied.

Notwithstanding the foregoing, the Purchasing Division may correct errors at its discretion. Vendor should type or electronically enter the information into the Pricing Pages to prevent errors in the evaluation. The Pricing Pages were created as

a Microsoft Excel document and Vendor can request an electronic copy for bid purposes by sending an email request to the following address:
crystal.g.rink@wv.gov.

5. ORDERING, INVOICING AND PAYMENT:

- 5.1 Ordering:** Vendor shall accept orders by regular mail, facsimile, e-mail, or any other written forms of communication. Vendor may, but is not required to, accept on-line orders through a secure internet ordering portal/website. If Vendor has the ability to accept on-line orders, it should include in its response a brief description of how Agencies may utilize the on-line ordering system. Any on-line ordering system must have the capability to restrict prices and available items to conform to the Catalog originally submitted with this RFQ. Vendor shall ensure that its on-line ordering system is properly secured prior to processing Agency orders on-line.

At the time of need, the WVDOT will compute the cost of leasing/renting the equipment plus the cost of delivery of said equipment to the WVDOT job site and award the Agency Release to the equipment owner who can furnish the needed equipment at the least overall cost. The WVDOT shall record the Vendor's equipment serial number on the Agency Release.

An example: Lease/Rental of an Aerial Bucket Truck for three days (with or without Operator) at \$100.00/day with 10 mile delivery at \$1.00/1st mile and \$.50/each additional mile. To calculate lease/rental: \$100.00/day x 3 days = \$300.00 for lease/rental of the equipment only. To calculate mobilization: \$1.00/1st mile plus \$.50/each additional mile x 9 miles = \$5.50 for mobilization of equipment only. Add \$300.00 for equipment and \$5.50 for mobilization for a total of \$305.50 lease/rental for three days.

Proximity of equipment to the WVDOT job site shall be a factor in determination of each Agency Release. As explained in the preceding paragraphs, the Agency Release will be issued to the lowest bidder; however, it is understood between the WVDOT and all Vendors whose bids are accepted, in the event that the low bidder for any given job is unable to perform, the Agency Release will be cancelled and given to the next lowest bidder. In the event that no bidder can be found to perform the duties and obligations under this contract, then the Agency Release may be cancelled and the lease/rental for the needed equipment may be bid on the open market.

5.2 Invoicing:

- 5.2.1** Invoicing shall be at a minimum of no less than one lease/rental day. Equipment lease/rented for one lease/rental day shall equal four or more hours as described in Section 3.2.5 of this contract.
- 5.2.2** Equipment leased/rented for one lease/rental week shall be invoiced at the weekly lease/rental rate or the number of lease/rental days times the daily lease/rental rate, whichever is less.
- 5.2.3** Equipment leased/rented for more than one lease/rental week, but less than one lease/rental month shall be invoiced at the monthly lease/rental rate or the number of lease/rental weeks times the weekly lease/rental rate including any period less than a multiple of seven days, whichever is less.
- 5.2.4** Equipment leased/rented for one lease/rental month or more shall be invoiced at the monthly rate. In the event that the lease/rental period is not a multiple of thirty lease/rental days, each day in excess of the multiple shall be evaluated as one-thirtieth of a lease/rental month.
- 5.2.5** An invoice submitted to the WVDOH shall include the following:
- a) The beginning date and the date on which invoice period ends.
 - b) The number of lease/rental days in the invoicing period.
 - c) The number of equipment downtime days in the invoicing period.
 - d) The make, model and serial number of the leased equipment being invoiced as identified on the Vendor's contract.
 - e) The total owed to the Vendor and the method of calculation.

NOTE 1: The WVDOH will supply the equipment owner with the downtime days in any calendar month within ten days following the end of the calendar month or within two days following termination of a lease/rental, whichever is appropriate. The owner may obtain this information sooner by calling the WVDOH District that is leasing/renting the equipment.

NOTE 2: The period of need for leased/rented equipment as specified in the Agency Release is only an estimate of need and shall not be used for invoicing purposes. Payment shall only be made for actual leased/rented days.

- 5.3 Payment:** Vendor shall accept payment in accordance with the payment procedures of the State of West Virginia. The State of West Virginia currently utilizes a Purchasing Card program, administered under contract by a banking

institution, to process payment for goods and services. The Vendor must accept the State of West Virginia's Purchasing Card for payment of all orders under this Contract.

6. DELIVERY AND RETURN:

6.1 Delivery Time: Vendor shall deliver standard orders within 24 hours after orders are received. Vendor shall deliver emergency orders within an agreed upon acceptable timeframe by the Vendor and the WVDOH after orders are received. Vendor shall ship all orders in accordance with the above schedule and shall not hold orders until a minimum delivery quantity is met.

6.1.1 Acceptance, Beginning of Lease/Rental Period: Upon delivery of each item of equipment by the Vendor to the location described in the Agency Release, the WVDOH shall test and inspect the equipment. If such item of equipment is found to be in good order, the WVDOH shall accept such item of equipment and acknowledge the same in whatever form reasonably required by the Vendor. Such item of equipment shall be deemed to have been delivered to and accepted by the WVDOH on the date specified in such acknowledgement and the term of the Agency Release and this contract shall be deemed to begin on that date.

6.2 Late Delivery: The Agency placing the order under this Contract must be notified in writing if orders will be delayed for any reason. Any delay in delivery that could cause harm to an Agency will be grounds for cancellation of the delayed order, and/or obtaining the items ordered from a third party.

Any Agency seeking to obtain items from a third party under this provision must first obtain approval of the Purchasing Division.

6.3 Delivery Payment/Risk of Loss: Standard order delivery or emergency delivery shall be as per Section 5.1 of these specifications. Vendor shall include the cost of standard order delivery charges in its bid pricing/discount as directed in Section 3.2.4 of these specifications and is not permitted to charge the Agency separately for such delivery.

6.4 Return of Equipment: Upon the completion of the project, for which the equipment was leased/rented, the WVDOH will return the equipment, at its expense to the Vendor at the original location at which such equipment was delivered to the WVDOH. The equipment must be washed and clean upon return to the vendor.

6.5 Return of Unacceptable Items: If the Agency deems the Contract Items to be unacceptable, such as the Vendor delivering a piece of equipment that was not bid

for lease/rent on this contract, the Contract Items shall be returned to Vendor at Vendor's expense and with no restocking charge. Vendor shall either make arrangements for the return within five (5) days of being notified that items are unacceptable, or permit the Agency to arrange for the return and reimburse Agency for delivery expenses. All returns of unacceptable items shall be F.O.B. the Agency's location. The returned product shall either be replaced, or the Agency shall receive a full credit or refund for the lease/rental price, at the Agency's discretion.

- 6.6 Return Due to Agency Error:** Items ordered in error by the Agency will be returned for credit within 30 days of receipt, F.O.B. Vendor's location. Vendor shall not charge a restocking fee if returned products are in a resalable condition. Items shall be deemed to be in a resalable condition if they are unused and in the original packaging. Any restocking fee for items not in a resalable condition shall be the lower of the Vendor's customary restocking fee or 5% of the total invoiced value of the returned items.

7. MISCELLANEOUS:

- 7.1 No Substitutions:** Vendor shall supply only Contract Items submitted in response to the RFQ unless a Contract modification is approved in accordance with the provisions contained in this Contract.
- 7.2 Vendor Supply:** Vendor must carry sufficient inventory of the Contract Items being offered to fulfill its obligations under this Contract. By signing its bid, Vendor certifies that it can supply the Contract Items contained in its bid response.
- 7.3 Inspection of Equipment:** The Vendor shall have the right, during normal working hours, to the extent of the WVDOH's authority, to enter upon the premises where the said equipment is located for the purpose of inspecting or observing the use of the lease/rented equipment.
- 7.4 Damage Beyond Control of the WVDOH:** The WVDOH shall not be liable for damage to or loss of any leased/rented equipment resulting from lightning, Acts of God, riots, strikes or other causes beyond the WVDOH's control.
- 7.5 Insurance:** The WVDOH is insured by the Board of Risk and Insurance Management. Insurance coverage will be provided by that agency only for long term, over thirty consecutive days of equipment lease/rental. Insurance coverage for short term lease/rental of equipment will be the responsibility of the owner/Vendor. The WVDOH will, at its option, either replace or pay to the Vendor the fair market value of any of the said equipment or any part thereof, lost destroyed or stolen by reason of the negligence of or lack of ordinary care on the part of its

employees.

- 7.6 Liens:** The WVDOH shall not directly or indirectly create, incur, assume or suffer to exist any mortgage, pledge, lien, charge and encumbrance or claim on or with respect to the lease/rented equipment, except with respect to the respective rights of the Vendor and the WVDOH.
- 7.7 Reports:** Vendor shall provide quarterly reports and annual summaries to the Agency showing the Agency's items leased/rented, quantities of items leased/rented and total dollar value of the items leased/rented. Vendor shall also provide reports, upon request, showing the items leased/rented during the term of this Contract, the quantity leased/rented for each of those items and the total value of lease/rental for each of those items. Failure to supply such reports may be grounds for cancellation of this Contract.
- 7.8 Contract Manager:** During its performance of this Contract, the Vendor must designate and maintain a primary Contract Manager responsible for overseeing Vendor's responsibilities under this Contract. The Contract Manager must be available during normal business hours to address any customer service or other issues related to this Contract. Vendor should list its Contract Manager and his or her contact information below:

Contract Manager: _____
Telephone Number: _____
Fax Number: _____
Email Address: _____

Exhibit A, Counties Bid

Vendor shall indicate the area which he wishes to lease/rent equipment to the WVDOH by placing an "X" or "v" beside the County, Counties or Statewide. If Vendor fails to indicate which County or Counties, it will be assumed that the Vendor's bid is for Statewide.

PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va.
