Question #1

On the "Pick Up Pricing" pages, the unit price requested is "Cost Per Ton Delivered". Is it safe to assume you want this price to be for the stone at the yard, not including haul fees?

Answer:

Exhibit A.3 Pick-up pricing page is for stone pricing only, this is for the Division of Forestry picking up stone only. No Haul fees expected.

Also, on the "F.O.B. Destination Pricing" the note under each storage site location reads, "The Vendor should provide F.O.B. Destination pricing to the WVDOP by completing the schedule below which shall include the loading of loggers trucks by the Vendor." Did you mean to include the last part ("which shall include the loading of loggers trucks by the Vendor.")?
