**QUESTION:**

Just wanted to give you a heads up on the RFP. As of this moment- the RFP is requesting 4 years of Maintenance, however the part numbers provided indicate a 3 year machine.

On the very first line of Exhibit "A" (Page 24 of the PDF), the State is requesting 48 months for maintenance. However, the part number 2423-691 used in exhibit A is the part number for a DS8870 with 3 year maintenance. The last digit of the part number (2423) indicates the length of the maintenance term.

Therefore- If the State desires a DS8870 with 48 month Maintenance then the part number on should be 2424. Part number 2424 will give you 4 months of Maintenance.

Should we submit pricing for 2423, 2424 or both? I can be reached at 412-818-7191 if you would like further clarification.

**RESPONSE:**

Vendor should provide 48 months of maintenance. Vendor should provide the correct part number to their response for a 48 month maintenance term.
