MVPRT14, AUTOMOTIVE NON-OEM OR AFTERMARKET PARTS

SPECIFICATIONS

1. **PURPOSE AND SCOPE:** The West Virginia Purchasing Division is soliciting bids on behalf of all state agencies to establish open-end contracts for Automotive Non-OEM or Aftermarket Parts. The Contracts awarded from this RFQ shall cover Eligible Items from Vendor's Catalog.
2. **DEFINITIONS:** The terms listed below shall have the meanings assigned to them below. Additional definitions can be found in section 2 of the General Terms and Conditions.
 - 2.1 **"Catalog"** means the price list or sales catalog that includes all items that Vendor can and will sell under this Contract.
 - 2.2 **"Catalog Price"** means the lowest price listed for an Eligible Item in Vendor's Catalog. (Ex. A box of 200 bolts priced at \$4.00 per box has a catalog price of \$4.00. A crate of bolts priced at \$400.00 has a catalog price of \$400.00).
 - 2.3 **"Discount Percentage"** means the percentage discount that Vendor will apply to all Agency purchases of Eligible Items in a given product category.
 - 2.4 **"Discounted Price"** means the price that the Vendor will charge the Agency for the purchase of Eligible Items under this Contract. The Discounted Price is the Catalog Price reduced by the Discount Percentage.
 - 2.5 **"Discounted Unit Price"** means the discounted price of one Unit of an Eligible Item purchased under this Contract. The Discounted Unit Price will only be used for evaluation purposes.
 - 2.6 **"Eligible Item"** means Automotive Non-OEM or Aftermarket Parts.
 - 2.7 **"Pricing Page"** or **"Pricing Pages"** means the schedule of prices, Discount Percentage, estimated usage, and totals attached hereto as Exhibit A and used to evaluate the RFQ.
 - 2.8 **"RFQ"** means the official request for quotation published by the Purchasing Division and identified as MVPRT14.
 - 2.9 **"Total Bid Cost"** means the sum of the Item Total Cost Column on the Pricing Pages shown below the Total Cost Column and identified as the Total Bid Cost.

REQUEST FOR QUOTATION
MVPRT14, AUTOMOTIVE NON-OEM OR AFTERMARKET PARTS

- 2.10 “Unit” means the smallest measurable amount of an Eligible Item and is identified on the Pricing Pages in the Unit column. The Unit will only be utilized for bid evaluation purposes.
- 2.11 “Unit Price” means the price of an individual unit of an Eligible Item as shown on the Pricing Pages.
- 2.12 “Units Provided for Catalog Price” means the total number of units of an Eligible Item contained in the package advertised for sale in Vendor’s Catalog that corresponds with the Catalog Price. (Ex. A box of 200 bolts advertised in vendor’s catalog for \$4.00 has a Units Provided for Catalog Price of 200. A crate of bolts advertised in Vendor’s catalog for \$400.00, each containing 100 boxes with 200 bolts per box, yields a Units Provided for Catalog Price of 20,000.)
- 2.13 “WVDOH” means West Virginia Division of Highways.

3. GENERAL REQUIREMENTS:

- 3.1 **Mandatory Eligible Item Requirements:** Eligible Items must meet or exceed the mandatory requirements listed below.
- 3.1.1 Eligible Items must be Automotive Non-OEM or Aftermarket Parts.
- 3.1.2 Eligible Items must meet OEM Specifications.
- 3.1.3 Vendors must submit a list of all supplying locations for the districts applicable to their bid response prior to the award of this contract. The locations list must contain the following at a minimum: Physical (not post office) address, phone number(s), and point(s) of contact.
- 3.1.4 **Core Exchange Charges:** All parts supplied which require core exchange shall be monitored by the successful Bidder(s) to ensure proper cores are returned to the Bidder. Core credit is to be issued the same days as received. Any core that is not usable or not returned shall be billed at the core price listed in the manufacturer’s price sheet for that particular part.

REQUEST FOR QUOTATION
MVPRT14, AUTOMOTIVE NON-OEM OR AFTERMARKET PARTS

3.1.5 Manufacturer direct and dealer parts only: Parts that are only available through the manufacturer or dealer are excluded from this contract and shall be purchased through the proper procurement method or any subsequent genuine OEM replacement parts contract. It is the intent of this contract to supply Non-OEM or Aftermarket parts suitable of meeting the demands of the agency while providing the quality of an OEM part for each application.

4. CONTRACT AWARD, PERCENTAGE DISCOUNT, CATALOG:

4.1 Contract Award: The Contracts are intended to provide all state agencies with a discounted price on all Eligible Items. These contracts shall be awarded to multiple vendors by district as defined by the WVDOH district map attached hereto as Exhibit B. The Vendor that meets the RFQ specifications and provides the lowest Total Bid Cost for the Eligible Items listed on the Pricing Pages for a particular district will receive a contract for that district.

If the bidder determined to be the lowest responsible bidder in a district bid "or equal" items, that bidder will be required to submit documentation illustrating the item bid on the vendor's pricing pages is equal to or exceeds OEM Specifications prior to contract award. Each item will be chosen at random by the Purchasing Division. Failure to submit appropriate OEM Specifications within seven business days following the request will result in disqualification of Vendor's bid.

4.2 Pricing Pages: Vendor should complete the Pricing Pages by filling in the "Or Equivalent Part Number," "Catalog Price," "Units Provided for Catalog Price," "Discount Unit Price," "Discount Percentage" "Item Total Cost," and "Total Bid Cost" cells. Failure to complete the Pricing Pages in their entirety may result in Vendor's bid being disqualified.

Below is a portion of a properly completed pricing page provided as an example:

Or Equivalent Part Number	Unit (For Calculation Purposes)	Catalog Price	Units Provided For Catalog Price	Unit Price	Discount Percentage	Discounted Unit Price	Estimated Quantity	Item Total Cost
xyz-widget	1 Ea.	\$20.00	1	\$20.00	10.00%	\$18.00	5	\$90.00
abc-thingamajig	1 Ea.	\$10.00	1	\$10.00	5.00%	\$9.50	10	\$95.00

Additional Pick-up Discount Percentage	10%
Total Bid Cost	\$175.75

The Pricing Pages contain a list of frequently purchased items and estimated quantities that will be purchased. The estimated quantity for each item represents the approximate volume of anticipated purchases only. No future use of these Contracts or any individual item is guaranteed or implied.

4.3 Categories: There are eighteen (18) categories found under the “Category Description” section of the pricing pages. From each category, one part (under the part description column) has been designated for evaluation purposes only. Vendors will provide the catalog price, units provided for catalog price and corresponding discount percentage for each part in its respective category.

4.4 Discount Percentage: Vendor shall quote a single Discount Percentage that will reduce the lowest price shown in the Catalog for every Eligible Item within the given Category. This discount percentage shall be applied to all items within the given category and shall remain firm for the life of the contract. The resulting Discounted Unit Price shall be the price the agency pays for each Eligible Item purchased from the given category under these Contracts.

Vendor shall not incorporate Discount Percentages into its Catalog unless the Vendor clearly shows the Catalog Price and then separately lists the applicable Discount Percentage and the Discounted Price for each Eligible Item.

The Discount Percentages and subsequent Discounted Unit Prices derived from these discounts must take into account any and all fees, charges, or other miscellaneous costs that Vendor may require, including delivery

REQUEST FOR QUOTATION
MVPRT14, AUTOMOTIVE NON-OEM OR AFTERMARKET PARTS

charges as indicated below, because those fees, charges, or other miscellaneous costs will not be paid separately. The agency shall only pay the appropriate Discounted Unit Price for items purchased under these Contracts.

- 4.5 Additional Pick-up Discount Percentage:** It is the intent of this contract to have the prices inclusive of delivery. There will be instances where agencies would rather pick-up an eligible item than have it delivered. As such, an "Additional Pick-up Discount Percent" cell has been created to provide an additional discount for pick-up pricing. If offered, vendors should place a percentage that will provide an additional discount for pick-up, in the "Additional Pick-up Discount Percent" cell. For evaluation purposes, it is estimated that 50% of the time, agencies will pick-up items at the vendor's location. Accordingly, the "Additional Pick-up Discount" cell has been weighted to reduce the vendor's additional pick-up discount percentage by 50%.

Notwithstanding anything contained herein, the Purchasing Division may correct errors on the Pricing Pages. Vendors are **strongly encouraged** to complete the Pricing Pages electronically in Microsoft Excel. Doing so will reduce the number of, and the possibility for, calculation errors. The Pricing Pages were created as a Microsoft Excel document and Vendor can request an electronic copy for bid purposes by sending an email request to the following address: Alan.W.Cummings@wv.gov.

The Purchasing Division reserves the right to take Vendor's Pricing Pages and insert the appropriate numbers into the Microsoft Excel spreadsheet if Vendor chooses to complete the Pricing Pages in any other way.

5. Catalog:

- 5.1 Submission.** Vendor must submit its Catalogs for evaluation purposes prior to award. Vendor shall also mail the Catalogs free of charge to any Agency desiring to use these Contracts. Copies of the Catalogs may be requested in an electronic format and should be provided in that format if possible. Vendor Catalogs will be used by the agencies to order Eligible Items under these Contracts.

Vendor should identify all items listed on the Pricing Pages by circling or highlighting those items in its Catalog and earmarking or tabbing the pages for those items, to assist in the evaluation and verification of the bids and pricing. If any discrepancies exist between the Pricing Pages and the actual price listed in the Catalog, the actual price shall prevail and the Pricing Pages may be corrected by the Purchasing Division buyer for evaluation purposes.

- 5.2 Catalog Modification.** The Purchasing Division may permit Vendor to update its Catalog at each renewal date. Vendor may ask for a price increase at contract renewal time only. Pass through costs only will be accepted at the discretion of the WV Purchasing Division. Determination of whether or not to allow a Catalog update is at the sole discretion of the Purchasing Division. Any request by Vendor to update its Catalog must include a detailed listing of the following: (1) any Eligible Items being removed, Discounted Unit Prices for those items, District quantity usage of those items, and total spent by the District on those items; (2) any Eligible items being added to the Catalog and the Discounted Unit Price of those items; (3) all changes in the Discounted Unit Price to Eligible Items, estimated usage relating to items that have changed in price, and the total impact of the price change on the State; and (4) justification for updating its Catalog. The Purchasing Division may waive the detailed listing requirement if it finds that doing so is in the best interest of the State. Unless an updated catalog is approved, the Eligible Items available under these Contracts and prices for those items shall remain unchanged during the term of the Contracts.

6. ORDERING AND PAYMENT:

6.1 Ordering:

6.1.1 Vendor Responsibilities:

REQUEST FOR QUOTATION
MVPRT14, AUTOMOTIVE NON-OEM OR AFTERMARKET PARTS

Vendor shall accept orders by: regular mail; facsimile; e-mail; or any other written forms of communication. Vendor may, but is not required, to accept on-line orders through a secure internet ordering portal/website. If Vendor has the ability to accept on-line orders, it should include in its response a brief description of how the Agency may utilize the on-line ordering system. Any on-line ordering system must have the capability to restrict prices and available items to conform to the Catalog originally submitted with this RFQ. Vendor shall ensure that its on-line ordering system is properly secured prior to processing Agency orders on-line.

Vendor shall provide the Purchasing Division with access to its internet ordering portal/website, if one will be used under these Contracts, to allow the Purchasing Division to ensure that the requirements of the Contracts are being met.

6.1.2 Agency Responsibilities:

A. Prior to Order:

Agencies must reconcile the list price, found in vendors catalog, to the agreed contract discount price. (Example: If a solenoid has a list price of \$100.00, and the discount percentage is 5%, the price to the agency would be \$95.00. The cost to the Agency is found by multiplying the list price (\$100.00) by the discount percentage (.05) and subtracting from the list price (\$100.00). This tabulation may be handwritten but must be included.

B. Ordering Procedure:

Spending units shall issue a written state contract order (form number WV-39) to the vendor for commodities covered under this contract. The spending unit shall indicate on the face of the WV-39 if paying with a P-Card. Also, the Agency shall state on the WV-39 if the items are for Pick-up or Delivery. The spending unit shall attach a copy of the remittance and tabulations to the WV-39. The original copy of the WV-39 shall be mailed to the vendor as authorization for shipment, a second copy mailed to the Purchasing Division, and a third copy retained by the spending unit.

Orders shall be placed directly with vendor in a manner prescribed by the Agency, and not directly with the parts manufacturer. Pricing must be verified in accordance with the above prior to each

REQUEST FOR QUOTATION
MVPRT14, AUTOMOTIVE NON-OEM OR AFTERMARKET PARTS

order. Additionally, invoices must match the WV-39 and multiple items should be listed separately.

C. Pick-up orders:

For pick up orders only; agencies may utilize the nearest vendor based on geographic location, awarded a district contract under this RFQ, even if that vendor is in a different district than the location of the ordering agency. To do so, Agencies will utilize Google maps to establish the distance from the repair facility to the addresses listed in this contract. Ordering procedures contained in Section 6.1.2 subsections 'A' and 'B' remain in effect.

- 6.2 Invoicing and Payment:** Vendor shall indicate the discount received on each invoice submitted for payment. Vendor shall accept payment in accordance with the payment procedures of the State of West Virginia. Methods of acceptable payment must include the West Virginia Purchasing Card. The Agency will not pay any fees associated with accepting the West Virginia Purchasing Card. Payment in advance is not permitted under the Contracts.

7. DELIVERY AND RETURN:

- 7.1 Delivery Time and Place:** Vendor shall deliver standard orders within three (3) working days after orders are received. Vendor shall ship all orders in accordance with the above schedule and shall not hold orders until a minimum delivery quantity is met. Eligible Items must be delivered to Agency locations throughout the District. Delivery locations FOB destination.
- 7.2 Pick-up:** Upon the agency's notification to the vendor; standard, non-special order items, shall be made available for pick up at the vendor's nearest location within twenty-four (24) hours.
- 7.3 Late Delivery:** The District placing the order under these Contracts must be notified in writing if orders will be delayed for any reason. Any delay in delivery that could cause harm to the agency will be grounds for cancellation of the delayed order, and/or obtaining the items ordered from a lower priority vendor.

REQUEST FOR QUOTATION
MVPRT14, AUTOMOTIVE NON-OEM OR AFTERMARKET PARTS

- 7.4 Delivery Payment/Risk of Loss:** Standard order delivery shall be F.O.B. destination to the District delivery locations. Vendor shall include the cost of standard order delivery charges in its bid pricing/discount and is not permitted to charge the agency separately for such delivery. The agency will pay delivery charges on all emergency orders provided that Vendor invoices those delivery costs as a separate charge with the original freight bill attached to the invoice.
- 7.5 Return of Unacceptable Items:** Items that the District deem unacceptable shall be returned to Vendor at Vendor's expense and with no restocking charge. Vendor shall either make arrangements for the return within five (5) days of being notified that items are unacceptable, or permit the District to arrange for the return and reimburse the District for delivery expenses. If the original packaging cannot be utilized for the return, Vendor will supply the District with appropriate return packaging upon request. All returns of unacceptable items shall be F.O.B. District delivery location. The returned product shall either be replaced, or the District shall receive a full credit or refund for the purchase price, at the District's discretion.
- 7.6 Return Due to Agency Error:** Items ordered in error by the Agency will be returned for credit within 30 days of receipt, F.O.B. Vendor's location. Vendor shall not charge a restocking fee if returned products are in a resalable condition. Items shall be deemed to be in a resalable condition if they are unused and in the original packaging. Any restocking fee for items not in a resalable condition shall be the lower of the Vendor's customary restocking fee or 5% of the total invoiced value of the returned items.

8. MISCELLANEOUS:

- 8.1 No Substitutions:** Vendor shall supply only Eligible Items contained in its Catalog submitted in response to the RFQ or an updated Catalog approved by the Purchasing Division as described previously. Vendor shall not supply substitute items.
- 8.2 Vendor Supply:** Vendor must carry sufficient inventory of the Eligible Items being offered to fulfill its obligations under this Contract. By signing its bid, Vendor certifies that it can supply the Eligible Items contained in its bid response.

REQUEST FOR QUOTATION
MVPRT14, AUTOMOTIVE NON-OEM OR AFTERMARKET PARTS

- 8.3 Reports:** Vendor shall provide quarterly reports and annual summaries to the Agency showing the Agency's items purchased, quantities of items purchased, and total dollar value of the items purchased. Vendor shall also provide reports, upon request, showing the items purchased during the term of the Contract, the quantity purchased for each of those items, and the total value of purchases for each of those items. Failure to supply such reports may be grounds for cancellation of the Contract.
- 8.4 Cooperative Contracts:** Notwithstanding anything contained herein to the contrary, the Purchasing Division reserves the right to not make an award under this solicitation and to utilize the bids, as described in West Virginia Code 5A-3-19(a), to evaluate the potential use of one or more cooperative contracts to obtain the items requested in this solicitation. If the Purchasing Division determines that the use of one or more cooperative contracts is warranted, then the Purchasing Division may cancel this solicitation and obtain the requested items from those cooperative contracts.
- 8.5 Contract Manager:** During its performance of this Contract, Vendor must designate and maintain a primary contract manager responsible for overseeing Vendor's responsibilities under this Contract. The Contract manager must be available during normal business hours to address any customer service or other issues related to this Contract. Vendor should list its Contract manager and his or her contact information below.

VENDOR PREFERENCE CERTIFICATE

Certification and application* is hereby made for Preference in accordance with *West Virginia Code*, §5A-3-37. (Does not apply to construction contracts). *West Virginia Code*, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the *West Virginia Code*. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Resident Vendor Preference, if applicable.

1. Application is made for 2.5% resident vendor preference for the reason checked:
 Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; or,
 Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or 80% of the ownership interest of Bidder is held by another individual, partnership, association or corporation resident vendor who has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or,
 Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; or,
2. Application is made for 2.5% resident vendor preference for the reason checked:
 Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
3. Application is made for 2.5% resident vendor preference for the reason checked:
 Bidder is a nonresident vendor employing a minimum of one hundred state residents or is a nonresident vendor with an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia employing a minimum of one hundred state residents who certifies that, during the life of the contract, on average at least 75% of the employees or Bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
4. Application is made for 5% resident vendor preference for the reason checked:
 Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,
5. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked:
 Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; or,
6. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked:
 Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Under penalty of law for false swearing (*West Virginia Code*, §61-5-3), Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.

STATE OF WEST VIRGINIA

PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

MVPRT14 – Response to Vendor’s Questions:

1. **Vendor Question:**

“Will the contract include all makes and models not just Ford and Jeep? “

Response:

The makes and models shown on the pricing pages are only a representation of the parts which may be needed throughout the life of this contract. The parts required will extend beyond these bid scenarios to include the various makes and models of vehicles which State Agencies currently own. The contract will only cover aftermarket parts for the categories present on the pricing pages.

2. **Vendor Question:**

“The contract is listed as "all State Agencies" Does this include the other agencies like the State Police, Department of Forestry and vehicles that are part of the State Capitol complex for example?”

Response:

Yes, once in place, this contract will be considered mandatory use for all State Agencies, which includes, but is not limited to State Police, Department of Forestry and vehicles that are part of the State Capitol complex.

3. **Vendor Question:**

“#3 Battery. All batteries by all companies are sold on the premise of an exchange or core. Core prices vary, but currently are in the range of \$14-\$17 for all automotive and light truck units. Inclusion or exclusion of the core price could very well skew this item. I suggest it be quoted as a unit exchange price since that is a controllable constant, but I would like to know what you prefer.”

Response:

Please see the revised section 3.1.4 of the specifications.

4. **Vendor Question:**

“#6 Front Brake Pads BRSD1333 are not OEM fitment for this vehicle. BRSD1333 is a severe duty set and while are probably what this vehicle should have installed on it, the OEM or equivalent pad is cheaper. Do you wish to have a quote for the OEM or equivalent pad or BRSD1333 as is on your bid sheet?”

Response:

Please provide the equivalency of the BRSD1333.

5. **Vendor Question:**

"#18 5139803AA Washer fluid is an OEM Chrysler part number for a 64 oz. jug of premium ice melting washer fluid, not 1 gallon as indicated in the bid request. Do you wish to have a quote on regular blue washer fluid in gallons, premium washer fluid with ice melt, or the 5139803AA as in the bid request as the incorrect size?"

Response:

Please provide the equivalency of the 5139803AA in gallon containers.

6. **Vendor Question:**

"#2 alternator AL3Z10346B is also supplied as requested as an exchange remanufactured unit as listed. Should it be quoted as an exchange price or including the core which will always be returned to the vendor?"

Response:

Please see the revised section 3.1.4 of the specifications.

7. **Vendor Question:**

"Item #14 on the FORD sheet and Item #13 on the JEEP sheet are indicating a 1 QT quantity. Ford PM1C is a 1 PT container as is 4318081AB from Chrysler."

Response:

Please provide the equivalency of the PM1C and 4318081AB in quart containers.

8. **Vendor Question:**

"Will bids be accepted if all categories cannot be bid on?"

Response:

The contract award section 4.1 states these contracts shall be awarded to multiple vendors by district as defined by the WVDOH district map. The Vendor that meets the RFQ specifications and provides the lowest Total Bid Cost for the Eligible Items listed on the Pricing Pages for a particular district will receive a contract for that district. Additionally, please see section 4.3, Categories, which reads, "Vendors will provide the catalog price, units provided for catalog price and corresponding discount percentage for each part in its respective category." Moreover, competition of the Pricing Pages in their entirety is necessary to properly evaluate each bid.

9. **Vendor Question:**

"For example, there is no aftermarket availability for water pump on the example vehicle. The aftermarket would have availability for water pumps on other vehicles. Is there a way we can bid on these categories that the example part numbers will not cross to the aftermarket?"

Response:

The pricing pages attached within this addendum have been revised to include examples which should have aftermarket availability. Please see the attached revised pricing pages and revised section 3.1.5 of the specifications.

10. Vendor Question:

“In regards to all parts being marked as FOB and no freight charges being paid: Would it be possible to charge a state agency freight, if the agency ask for expedited delivery outside of the normal delivery ranges? Secondly, would it be possible to charge an agency freight, if the agency was to order product that is outside our normal distribution channels?”

Response:

Please see the delivery requirements as mandated in sections 7.1 and 7.2 if the specifications.

11. Vendor Question:

“In regards to Section 46: Is it possible to make this section on Indemnification mutual?”

Response:

No.

12. Vendor Question:

“In regards to Section 24: Is it possible to make this section on Cancellation mutual?”

Response:

No.

13. Vendor Question:

“In regards to the parts used in the spreadsheet that are used to represent each category, it has become apparent that some parts are “dealer only parts” and are not available to aftermarket vendors inside normal distribution channels. The initial part in questions is a valve cover for the 2011 Ford F350. This item is not available to aftermarket vendors and an omission of this item on the spreadsheet would result in our response being judged in a critical way that would leave us at an disadvantage. The language in the contract states that this part would be used to represent the Discount Percentage for the entire category. We would ask that we would be allowed to display the values for another item in this category so that we can fully demonstrate the value of our pricing in each category. “

Response:

The pricing pages attached within this addendum have been revised to include examples which should have aftermarket availability. Please see the attached revised pricing pages and revised section 3.1.5 of the specifications.
